("DEBTORS' OMNIBUS REPLY IN SUPPORT OF SEVENTEENTH  
OMNIBUS CLAIMS OBJECTION – EXHIBIT E-2")

Delphi Corporation and certain of its subsidiaries and affiliates, debtors and debtors-in-possession in the above-captioned cases (collectively, the "Debtors"),<sup>1</sup> hereby submit this omnibus reply in support of the Seventeenth Omnibus Objection (Substantive) Pursuant To 11 U.S.C. § 502(b) And Fed. R. Bankr. P. 3007 To Certain (A) Insufficiently Documented Claims, (B) Claims Not Reflected On Debtors' Books And Records, (C) Insurance Claim Not Reflected On Debtors' Books And Records, (D) Untimely Claims And Untimely Tax Claims, And (E) Claims Subject To Modification, Tax Claims Subject to Modification, And Modified Claims Asserting Reclamation (Docket No. 8270) (the "Seventeenth Omnibus Claims Objection") with respect to claims (as that term is defined below) listed on Exhibit E-2 thereto, and respectfully represent as follows:

1. The Debtors filed the Seventeenth Omnibus Claims Objection on June 15, 2007, seeking entry of an order (a) disallowing and expunging certain "Claims," as that term is defined in 11 U.S.C. § 101(5), because they contain insufficient documentation in support of the Claims asserted, (b) disallowing and expunging certain Claims because they assert liabilities or dollar amounts that are not reflected on the Debtors' books and records, (c) disallowing and expunging one Claim, which was filed by an insurance company, because it asserts liabilities that are not reflected on the Debtors' books and records, (d) disallowing and expunging certain Claims because they were untimely pursuant to the Bar Date Order, (e) disallowing and expunging one Claim because it was filed by a taxing authority and was untimely pursuant to the Bar Date Order, (f) revising the asserted amount or classification, and/or changing the identity of

the alleged Debtor with respect to certain Claims, (g) revising the asserted amount or classification, and/or changing in the identity of the alleged Debtor, with respect to certain Claims filed by taxing authorities, or (h) revising the asserted amount or classification, and/or changing the identity of the alleged Debtor, with respect to certain Claims, some of which are subject to an agreement between the claimant and the Debtors relating to the valid amount of each claimant's reclamation demand, subject to certain reserved defenses, and some of which are held by claimants who are deemed to have consented to the Debtors' determination of the valid amount of the reclamation demand.

2. The Debtors sent to each claimant whose proof of claim is subject to an objection pursuant to the Seventeenth Omnibus Claims Objection a personalized Notice Of Objection To Claim, which specifically identified such claimant's proof of claim that is subject to an objection and the basis for such objection. Responses to the Seventeenth Omnibus Claims Objection were due by 4:00 p.m. (prevailing Eastern time) on July 12, 2007.

3. Due to an error with the customized mail file that was provided to the Debtors' noticing agent to generate the personalized Notices Of Objection To Claim, the personalized Notices Of Objection To Claims that were sent to claimants whose Claims are listed on Exhibit E-2 to the Seventeenth Omnibus Claims Objection mislabeled the claims classification headings. To correct this error, the Debtors sent a revised personalized Notice Of Objection To Claim to each claimant whose Claim is listed on Exhibit E-2 to the Seventeenth Omnibus Claims Objection, setting the hearing on the Debtors' objection to such Claim for the August 16, 2007 omnibus hearing and extending the deadline for such claimants to respond to the Seventeenth Omnibus Claims Objection to 4:00 p.m. (prevailing Eastern time) on August 9, 2007. ORDER PURSUANT TO 11 U.S.C. § 502(b) AND FED. R. BANKR. P. 3007

4. Pursuant to the Order Disallowing And Expunging Certain (A) Insufficiently Documented Claims, (B) Claims Not Reflected On Debtors' Books And Records, (C) Insurance Claim Not Reflected On Debtors' Books And Records, (D) Untimely Claims And Untimely Tax Claims, And (E) Claims Subject To Modification, Tax Claims Subject To Modification, And Modified Claims Asserting Reclamation Identified In Seventeenth Omnibus Claims Objection (Docket No. 8737) entered July 26, 2007, this Court adjourned the hearing with respect to all Claims listed on Exhibit E-2 to the Seventeenth Omnibus Claims Objection to August 16, 2007.

5. As of August 14, 2007 at 12:00 p.m. (prevailing Eastern time), the Debtors had received four timely-filed formal docketed responses and one untimely-filed formal docketed response (collectively, the "Responses") to the Seventeenth Omnibus Claims Objection from Claimants whose Claims are listed on Exhibit E-2 thereto. In the aggregate, the five Responses cover 27 Claims. A chart summarizing each of the Responses is attached hereto as Exhibit A.

6. Pursuant to the Order Pursuant To 11 U.S.C. § 502(b) And Fed. R. Bankr. P. 2002(m), 3007, 7016, 7026, 9006, 9007, And 9014 Establishing (i) Dates For Hearings Regarding Objections To Claims And (ii) Certain Notices And Procedures Governing Objections to Claims (Docket No. 6089) entered December 6, 2006 (the "Claims Objection Procedures Order"), the hearing with respect to each of the Claims for which a Response was filed will be adjourned to a sufficiency hearing or claims objection hearing, as appropriate, to determine the disposition of each such Claim.

7. As set forth on Exhibit A hereto, the Debtors have agreed to adjourn to a future date the claims hearing with respect to the 27 Claims for which Responses were filed. The

revised proposed order, a copy of which is attached hereto as Exhibit B (the "Revised Order"),<sup>2</sup> reflects the adjournment of the hearings with respect to the Claims for which Responses were filed, provided, however, that such adjournment will be without prejudice to the Debtors' right to assert that any of such Responses was untimely or otherwise deficient under the Claims Objection Procedures Order.

8. In addition to the Responses, the Debtors also received informal letters, e-mails, and telephone calls from various parties questioning the relief requested with the Seventeenth Omnibus Claims Objection and seeking to reserve certain of their rights with respect thereto (the "Informal Responses"). The Debtors believe that all the concerns expressed by the Informal Responses have been adequately resolved.

9. Except for those Claims that have been adjourned to future hearing dates, the Debtors believe that the Revised Order adequately addresses the issues raised by the respondents. Thus, the Debtors request that the Court grant the relief requested by the Debtors and enter the Revised Order.

---

<sup>2</sup> Attached hereto as Exhibit C is a copy of the Revised Order marked to show revisions to the form of proposed order that was submitted with the Seventeenth Omnibus Claims Objection.

WHEREFORE the Debtors respectfully request that this Court enter an order (a) sustaining the Seventeenth Omnibus Claims Objection with respect to the Claims listed on Exhibit E-2 thereto, subject to the modifications made to the Revised Order, (b) adjourning the hearing with respect to all Claims for which a Response was filed pursuant to the Claims Objection Procedures Order, and (c) granting the Debtors such other and further relief as is just.

1.	Miami-Dade County Tax Collector (Docket No. 8527)	1108	The Miami-Dade County Tax Collector (the "Miami Tax Collector") filed proof of claim no. 1108 for ad valorem taxes with respect to personal property. At the time the claim was filed, the amount owed, including statutory interest, totalled \$17,534.38. The Miami Tax Collector asserts that its claim is secured pursuant to Section 197.122(1), Florida Statutes. Although the Miami Tax Collector acknowledges that a partial payment was made, it asserts that the amount to which the Debtors seek to modify the claim does not account for statutory interest or for amounts owed for certain 2003-2005 taxes. The Miami Tax Collector asserts that the amount owed through July 31, 2007 is \$16,736.31.	Tax claim subject to modification	Adjourn

2.	Knox County (Docket No. 8528)	197	Knox County ("Knox") filed proof of claim no. 197 for 2005 taxes in the amount of \$23,130.99. Knox acknowledges that this amount was paid in full on February 27, 2007, but asserts that the payments were late and that the Debtors paid more than what was owed for 2005 taxes. Knox asserts that, after applying this excess payment to the 2006 taxes, \$22,366.74 remains due for 2006 taxes. Such amount, asserts Knox, should be an administrative claim. (See Knox's supplemental response at Docket No. 8896, summarized below).	Tax claim subject to modification	Adjourn
3.	Tuscaloosa County (Docket No. 8535)	2661	Tuscaloosa County ("Tuscaloosa") filed proof of claim no. 2661 for 2005 ad valorem taxes in the amount of \$22,464.47. Tuscaloosa asserts that its claim is secured pursuant to Alabama Code Section 40-1-3, and that interest accrues at a rate of 12% pursuant to Alabama Code Section 40-5-9. Tuscaloosa's claim included \$21,600.45 as the base amount of the taxes and \$864.02 in accrued interest.	Tax claim subject to modification	Adjourn
4.	Knox County (Docket No. 8896)	197	Knox asserts that 2005 taxes in the amount of \$23,130.99 remain due. Knox asserts that it received payment from the Debtors and initially applied that payment to the 2005 taxes, leaving 2006 taxes unpaid. Knox subsequently adjusted the application of that payment to cover 2006 taxes, leaving the 2005 taxes unpaid. Knox asserts that its claim should be paid in full as a priority claim. DEBTORS' OMNIBUS REPLY IN SUPPORT OF DEBTORS' EIGHTEENTH OMNIBUS  
OBJECTION (PROCEDURAL) PURSUANT TO 11 U.S.C. § 502(b) AND FED. R. BANKR. P.  
3007 TO CERTAIN DUPLICATE OR AMENDED CLAIMS

("DEBTORS' OMNIBUS REPLY IN SUPPORT OF  
EIGHTEENTH OMNIBUS CLAIMS OBJECTION")

Delphi Corporation and certain of its subsidiaries and affiliates, debtors and debtors-in-possession in the above-captioned cases (collectively, the "Debtors"),<sup>1</sup> hereby submit this omnibus reply in support of the Eighteenth Omnibus Objection (Procedural) Pursuant To 11 U.S.C. § 502(b) And Fed. R. Bankr. P. 3007 To Certain Duplicate Or Amended Claims (Docket No. 8616) (the "Eighteenth Omnibus Claims Objection"), and respectfully represent as follows:

1. The Debtors filed the Eighteenth Omnibus Claims Objection on July 13, 2007, seeking to disallow and expunge certain "Claims," as that term is defined in 11 U.S.C. § 101(5), because such Claims are duplicative of other Claims or have been amended or superseded by later-filed Claims. The Debtors sent to each claimant whose proof of claim is subject to an objection pursuant to the Eighteenth Omnibus Claims Objection a personalized Notice Of Objection To Claim, which specifically identified such claimant's proof of claim that is subject to an objection and the basis for such objection. Responses to the Eighteenth Omnibus Claims Objection were due by 4:00 p.m. (prevailing Eastern time) on August 9, 2007.

2. As of August 15, 2007 at 12:00 p.m. (prevailing Eastern time), the Debtors had received two timely-filed formal responses and one undocketed response to the Eighteenth Omnibus Claims Objection (collectively, the "Responses"). In the aggregate, the three Responses cover three claims. A chart summarizing each of the Responses by respondent is attached hereto as Exhibit A.

3. Pursuant to the Order Pursuant To 11 U.S.C. § 502(b) And Fed. R. Bankr. P. 2002(m), 3007, 7016, 7026, 9006, 9007, And 9014 Establishing (i) Dates For Hearings

---

<sup>1</sup> Capitalized terms used and not otherwise defined herein have the meanings ascribed to them in the Eighteenth Omnibus Claims Objection.

Regarding Objections To Claims And (ii) Certain Notices And Procedures Governing Objections to Claims (Docket No. 6089) entered December 6, 2006 (the "Claims Objection Procedures Order"), the hearing with respect to each of the Claims for which a Response was filed will be adjourned to a sufficiency hearing or claims objection hearing, as appropriate, to determine the disposition of each such Claim; provided, however, that such adjournment will be without prejudice to the Debtors' right to assert that any such Responses were untimely-filed or otherwise deficient under the Claims Objection Procedures Order.

4. As set forth on Exhibit A hereto, the Debtors have agreed to adjourn to a future date the claims hearing with respect to the three Claims for which Responses were filed or served. The revised proposed order, a copy of which is attached hereto as Exhibit B (the "Revised Order"),<sup>2</sup> reflects the adjournment of the hearings with respect to the Claims for which Responses were filed.

5. Except for those Claims with respect to which a hearing has been adjourned to a future hearing date, the Debtors believe that the Revised Order adequately addresses the concerns of the respondents. Thus, the Debtors request that the Court grant the relief requested by the Debtors and enter the Revised Order.

---

<sup>2</sup> Attached hereto as Exhibit C is a copy of the Revised Order marked to show revisions to the form of proposed order that was submitted with the Eighteenth Omnibus Claims Objection.

WHEREFORE the Debtors respectfully request that this Court enter an order (a) sustaining the Eighteenth Omnibus Claims Objection, subject to the modifications reflected in the Revised Order, (b) adjourning the hearing with respect to all Claims for which a Response was filed pursuant to the Claims Objection Procedures Order, and (c) granting the Debtors such other and further relief as is just.

According to Beaver Valley, it contested the Debtors' Fifteenth Omnibus Claims Objection to the Original Claim. With respect to each Claim for which a Response to the Eighteenth Omnibus Claims Objection has been filed and served, and which has not been resolved by the parties, all of which Claims are listed on Exhibit B hereto, the hearing regarding the objection to each such Claim is adjourned to a future hearing date to be noticed by the Debtors consistent with and subject to the Claims Objection Procedures Order; provided, however, that such adjournment shall be without prejudice to the Debtors' right to assert that any such Responses were untimely filed or otherwise deficient under the Claims Objection Procedures Order.

3. Entry of this order is without prejudice to the Debtors' right to object, on any grounds whatsoever, to any other claims in these chapter 11 cases, or to further object to Claims that are the subject of the Eighteenth Omnibus Claims Objection; provided, however, that solely to the extent that (a) a claimant filed duplicative claims against different Debtors for the same asserted obligation (the "Multiple Debtor Duplicative Claims") and (b) certain of such claimant's Multiple Debtor Duplicative Claims are being disallowed and expunged hereby, if one of the Multiple Debtor Duplicative Claims was originally filed against the correct Debtor, the Debtors shall not seek to have the claimant's remaining Multiple Debtor Duplicative Claim (the "Remaining Claim") disallowed and expunged solely on the basis that such Remaining Claim is asserted against the incorrect Debtor. For the avoidance of doubt, except as expressly provided in the preceding sentence, the Remaining Claims shall remain subject to further objection on any grounds whatsoever, including, without limitation, that any such Remaining Claim is asserted against the incorrect Debtor if the claimant did not file a Multiple Debtor Duplicative Claim against the correct Debtor. Nothing contained herein shall restrict the Debtors from objecting to

any Remaining Claim or restrict any holder of a Remaining Claim from seeking relief from this Court for the purposes of requesting that this Court modify the Remaining Claim to assert such Remaining Claim against a different Debtor.

4. Nothing contained herein shall constitute, nor shall it be deemed to constitute, the allowance of any Claim asserted against any of the Debtors.

5. This Court shall retain jurisdiction over the Debtors and the holders of Claims subject to the Eighteenth Omnibus Claims Objection to hear and determine all matters arising from the implementation of this order.

6. Each of the objections by the Debtors to each Claim addressed in the Eighteenth Omnibus Claims Objection and set forth on Exhibits A and B hereto constitutes a separate contested matter as contemplated by Fed. R. Bankr. P. 9014. This order shall be deemed a separate order with respect to each Claim that is the subject of the Eighteenth Omnibus Claims Objection. Any stay of this order shall apply only to the contested matter which involves such Claim and shall not act to stay the applicability or finality of this order with respect to the other contested matters covered hereby.

7. Kurtzman Carson Consultants LLC is hereby directed to serve this order, including exhibits, in accordance with the Claims Objection Procedures Order.

8. The requirement under Rule 9013-1(b) of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Southern District of New York for the service and filing of a separate memorandum of law is deemed satisfied by the Eighteenth Omnibus Claims Objection.

For the avoidance of doubt, except as expressly provided in

the preceding sentence, the Remaining Claims shall remain subject to further objection on any grounds whatsoever, including, without limitation, that any such Remaining Claim is asserted against the incorrect Debtor if the claimant did not file a Multiple Debtor Duplicative Claim against the correct Debtor. MODIFICATION, TAX CLAIMS SUBJECT TO MODIFICATION, MODIFIED CLAIMS  
ASSERTING RECLAMATION, AND CONSENSUALLY MODIFIED AND REDUCED CLAIMS

("DEBTORS' OMNIBUS REPLY IN SUPPORT OF  
NINETEENTH OMNIBUS CLAIMS OBJECTION")

Delphi Corporation and certain of its subsidiaries and affiliates, debtors and debtors-in-possession in the above-captioned cases (collectively, the "Debtors"),<sup>1</sup> hereby submit this omnibus reply in support of the Nineteenth Omnibus Objection (Substantive) Pursuant To 11 U.S.C. § 502(b) And Fed. R. Bankr. P. 3007 To Certain (A) Insufficiently Documented Claims, (B) Claims Not Reflected On Debtors' Books And Records, (C) Untimely Claim, And (D) Claims Subject To Modification, Tax Claims Subject to Modification, Modified Claims Asserting Reclamation, And Consensually Modified And Reduced Claims (Docket No. 8617) (the "Nineteenth Omnibus Claims Objection"), and respectfully represent as follows:

1. The Debtors filed the Nineteenth Omnibus Claims Objection on July 13, 2007, seeking entry of an order (a) disallowing and expunging certain "Claims," as that term is defined in 11 U.S.C. § 101(5), because they contain insufficient documentation in support of the Claims asserted, (b) disallowing and expunging certain Claims because they assert liabilities or dollar amounts that are not reflected on the Debtors' books and records, (c) disallowing and expunging certain Claims, which were filed by taxing authorities, because they assert liabilities that are not reflected on the Debtors' books and records (d) disallowing and expunging certain Claims, which were filed by taxing authorities, because they assert liabilities that are not reflected on the Debtors' books and records and were untimely filed pursuant to the Bar Date Order, (e) disallowing and expunging a Claim because it was untimely pursuant to the Bar Date Order, (f) revising the asserted amount or classification, and/or changing the identity of the alleged Debtor with respect to certain Claims, (g) revising the asserted amount or classification,

---

<sup>1</sup> Capitalized terms used and not otherwise defined herein have the meanings ascribed to them in the Seventeenth Omnibus Claims Objection.

and/or changing in the identity of the alleged Debtor with respect to certain Claims filed by taxing authorities, (h) revising the asserted amount or classification, and/or changing the identity of the alleged Debtor with respect to certain Claims, some of which are subject to an agreement between the claimant and the Debtors relating to the valid amount of each claimant's reclamation demand, subject to certain reserved defenses, and some of which are held by claimants who are deemed to have consented to the Debtors' determination of the valid amount of the reclamation demand, or (i) revising the asserted amount, and/or changing the identity of the alleged Debtor, with respect to certain Claims, which assert certain tort liabilities.

2. The Debtors sent to each claimant whose proof of claim is subject to an objection pursuant to the Nineteenth Omnibus Claims Objection a personalized Notice Of Objection To Claim, which specifically identified such claimant's proof of claim that is subject to an objection and the basis for such objection. Responses to the Nineteenth Omnibus Claims Objection were due by 4:00 p.m. (prevailing Eastern time) on August 9, 2007.

3. As of August 14, 2007 at 12:00 p.m. (prevailing Eastern time), the Debtors had received 50 timely-filed formal docketed responses and one undocketed response (collectively, the "Responses") to the Nineteenth Omnibus Claims Objection. In the aggregate, the Responses cover 103 Claims. A chart summarizing each of the Responses is attached hereto as Exhibit A.

4. Pursuant to the Order Pursuant To 11 U.S.C. § 502(b) And Fed. R. Bankr. P. 2002(m), 3007, 7016, 7026, 9006, 9007, And 9014 Establishing (i) Dates For Hearings Regarding Objections To Claims And (ii) Certain Notices And Procedures Governing Objections to Claims (Docket No. 6089) entered December 6, 2006 (the "Claims Objection Procedures Order"), the hearing with respect to each of the Claims for which a Response was filed will be

adjourned to a sufficiency hearing or claims objection hearing, as appropriate, to determine the disposition of each such Claim.

5. As set forth on Exhibit A hereto, the Debtors have agreed to adjourn to a future date the claims hearing with respect to the 103 Claims for which Responses were filed. The revised proposed order, a copy of which is attached hereto as Exhibit B (the "Revised Order"),<sup>2</sup> reflects the adjournment of the hearings with respect to the Claims for which Responses were filed.

6. The Revised Order reflects the adjournment of the hearing with respect to each of the Claims for which a Response was filed to a future hearing date pursuant to the Claims Objection Procedures Order, provided, however, that such adjournment will be without prejudice to the Debtors' right to assert that any of such Responses was untimely or otherwise deficient under the Claims Objection Procedures Order.

7. In addition to the Responses, the Debtors also received informal letters, e-mails, and telephone calls from various parties questioning the relief requested with the Nineteenth Omnibus Claims Objection and seeking to reserve certain of their rights with respect thereto (the "Informal Responses"). The Debtors believe that all the concerns expressed by the Informal Responses have been adequately resolved.

8. Except for those Claims that have been adjourned to future hearing dates, the Debtors believe that the Revised Order adequately addresses the issues raised by the

<sup>2</sup> Attached hereto as Exhibit C is a copy of the Revised Order marked to show revisions to the form of proposed order that was submitted with the Nineteenth Omnibus Claims Objection.

respondents. Thus, the Debtors request that the Court grant the relief requested by the Debtors and enter the Revised Order.

WHEREFORE the Debtors respectfully request that this Court enter an order (a) sustaining the Nineteenth Omnibus Claims Objection, subject to the modifications made to the Revised Order, (b) adjourning the hearing with respect to all Claims for which a Response was filed pursuant to the Claims Objection Procedures Order, and (c) granting the Debtors such other and further relief as is just.

1.	GE Fanuc Automation North America, Inc. (Docket No. 8723)	500	GE Fanuc Automation North America, Inc. ("GE Fanuc") asserts that it timely filed proof of claim no. 500 in the amount of \$6,837.48 for services performed for Delphi Corporation prior to October 8, 2005 (the "Petition Date"). GE Fanuc disagrees with the Debtors' objection and states that the amount asserted in its proof of claim remains outstanding, undisputed, and due. GE Fanuc requests that this Court allow its claim unless that Debtors provide evidence contradicting the <u>prima facie</u> validity of its claim.	Books and records	Adjourn

Angelina County, Bexar County, Cameron County, City of El Paso, City of Harlingen, San Marcos, Cypress-Fairbanks ISD, Dallas County, Harlingen CISD, Harris County/City of Houston, Hidalgo County, Montague County, Montgomery County, Nueces County, San Marcos CISD, and Tarrant County (collectively, the "Texas Taxing Authorities") assert that it is not necessary to file a response to the Debtors' objection because their proofs of claim constitute <u>prima facie</u> evidence and they	1330, 1267, 1288, 5520, 14187, 1289, 5300, 853, 1283, 5301, 7914, 6470, 1266, 1284, 5521, 854	Angelina County, Bexar County, Cameron County, City of El Paso, City of Harlingen, City of San Marcos, Cypress-Fairbanks ISD, Dallas County, Harlingen CISD, Harris County/City of Houston, Hidalgo County, Montague County, Montgomery County, Nueces County, San Marcos CISD, and Tarrant County (collectively, the "Texas Taxing Authorities") assert that it is not necessary to file a response to the Debtors' objection because their proofs of claim constitute <u>prima facie</u> evidence and they	Tax claims subject to modification	Adjourn

County, Montgomery County, Nueces County, San Marcos CISD, and Tarrant County (Docket No. 8857)		further argue that the burden is on the Debtors to rebut their proofs of claim. The Texas Taxing Authorities contend that they are filing their response to reassert their claims out of an abundance of caution. The Texas Taxing Authorities request that this Court deny the Debtors' objection to their claims.		
3. Akzo Nobel Coatings Inc. (Docket No. 8902)	15234	Akzo Nobel Coatings Inc. ("Akzo") asserts that it filed proof of claim no. 15234 in the amount of \$425,367.33 for amounts owed on goods and services it provided to Delphi Automotive Systems LLC ("DAS LLC"). Akzo asserts that its proofs of claim establishes <u>prima facie</u> evidence of the validity of its claim. Akzo argues that the Debtors have failed to provide evidence to rebut its claim. Akzo contends that the amounts asserted in its claim remain unpaid.	Claim subject to modification	Adjourn
4. Quality Synthetic Rubber, Inc. (Docket No. 8917)	15230, 15231	Quality Synthetic Rubber, Inc. ("QSR") asserts that it filed proof of claim no. 15230 in the amount of \$826,312.04 and proof of claim no. 15231 in the amount of \$614,058.16. According to QSR, it negotiated an agreement with the Debtors that its reclamation claim has priority status in the amount of \$187,197.76. QSR attaches its proofs of claim to its response and asserts that each of its claims should be reclassified to show which amount is subject to priority and which amount is a general unsecured claim. QSR disagrees, however, with the reduction of the total amount of the claims.	Claims subject to modification and reclamation agreement	Adjourn
5. United States Steel Corporation (Docket No. 8921)	8657	United States Steel Corporation ("US Steel") asserts that it timely filed proof of claim no. 8657 in the amount of \$399,548 for goods sold and delivered to Delphi Corporation. US Steel agrees that the Debtor entity against	Claim subject to modification	Adjourn

		which the claim is asserted should be changed to DAS LLC. US Steel disputes the Debtors' objection that the amount asserted in its proof of claim is overstated and should be reduced. US Steel argues that the invoices attached to its proof of claim have not been paid, and that its proof of claim constitutes <u>prima facie</u> evidence of the validity of its claim. US Steel argues that the Debtors bear the burden to produce sufficient evidence to rebut the presumption of such validity.		
6. Ametek, Inc. (Docket No. 8923)	11900	Ametek, Inc. ("Ametek") asserts that it timely filed proof of claim no. 11900 in the amount of \$32,498.64 for goods sold and delivered to Delphi Corporation. Amtek further asserts that the unpaid invoices, shipping documentation, bills of lading, and other documentation attached to its proof of claim establish the <u>prima facie</u> evidence of the validity of the amount asserted. Amtek argues that the Debtors have not provided any evidence to support the objection to its claim and therefore requests that this Court overrule the objection to its claim.	Claim subject to modification	Adjourn
7. Sierra International, Inc. (Docket No. 8924)	1726	Sierra International, Inc. ("Sierra International") asserts that it timely filed proof of claim no. 1726 in the amount of \$5,849.70 for goods sold and delivered to Delphi Corporation. Sierra International further explains that it also timely served notice of its reclamation demand in the amount of \$629,00, which amount is included in the proof of claim. Sierra International asserts that the invoices attached to its proof of claim support the <u>prima facie</u> validity of its claim. Sierra International argues that the Debtors have not provided any evidence to support the	Claim subject to modification	Adjourn

		objection to its claim and therefore requests that this Court overrule the objection to its claim.		
8. Siemens Energy & Automation, Inc. (Docket Nos. 8925, 8978)	a. 8674 b. 8675	Siemens Energy & Automation, Inc. ("Siemens") asserts that it timely filed proof of claim no. 8674 in the amount of \$416,511.60 and proof of claim no. 8675 in the amount of \$12,639.39. Siemens asserts that its proofs of claim and the supporting documentation attached to the claims constitute <u>prima facie</u> validity of the claims. Siemens argues that the Debtors' objection does not provide affirmative evidence to rebut the <u>prima facie</u> validity of its claims.	a. Claim subject to modification b. Insufficiently documented claim	Adjourn
9. Solectron Corporation (Docket No. 8927)	10914	Solectron Corporation, on behalf of itself and its various subsidiaries and affiliates, including Solectron Manufactura de Mexico SA (collectively, "Solectron") asserts that it timely filed proof of claim no. 10914 in the amount of \$10,382,335.46 for goods sold to Delphi Corporation pursuant to a long-term supply and manufacturing contract. Solectron asserts that \$2,133,185.60 of the total amount asserted in the proof of claim is subject to priority treatment because of reclamation demands made prior to the commencement of the Debtors' Chapter 11 cases. Solectron explains that it transferred \$7,850,161.53 of its claim to TPG Credit Opportunities Funds, L.P. and TPG Credit Opportunities Investors L.P. (collectively, "TPG") on November 20, 2006. Solectron disagrees with the Debtors' proposed aggregate reduction in the amount of \$2,659,655.36. Solectron argues that Debtors provide no explanation for such reduction to overcome the <u>prima facie</u> validity of its claim. Solectron also requests that the undisputed	Claim subject to modification and reclamation agreement	Adjourn

			portions of its claim should first be allocated to the amount transferred to TPG up to \$7,850,161.53.		
10.	Liquidity Solutions, Inc. d/b/a Revenue Management (Docket No. 8928)	a. 432 b. 2710 c. 1748	Liquidity Solutions, Inc. d/b/a Revenue Management ("Liquidity Solutions") asserts that it was assigned proof of claim no. 432 in the amount of \$155,995.20 from Elkhart Products Corporation, proof of claim no. 2710 in the amount of \$149,746.96 from Metal Powder Products Company, and proof of claim no. 1748 in the amount of \$72,097.93 from Michigan Rubber Products ("Michigan Rubber"). Liquidity Solutions disagrees with the Debtors' objection to modify its claims and attaches documentation to its response. Furthermore, Liquidity Solutions attaches invoices from Michigan Rubber in the amount of \$59,715.02, which is \$12,382.91 less than the asserted claim amount. Liquidity Solutions states that it will consent to the reduction and allowance of Michigan Rubber's claim to \$59,715.02, because Michigan Rubber recognized the difference of \$12,382.91 as being paid. Liquidity Solutions asserts that the Debtors provide no evidence to support their objection and to overcome the validity of Liquidity Solutions' claims. Liquidity Solutions also argues that the Debtor's objection provides no claim-specific rationale for objecting to the claims.	a. Claim subject to modification b. Claim subject to modification and reclamation agreement c. Claim subject to modification	Adjourn
11.	Bellsouth Telecommunications, Inc. (Docket No. 8929)	1570	Bellsouth Telecommunications, Inc. ("Bellsouth") asserts that it filed proof of claim no. 1570 in the amount of \$1,621.57 for telecommunications services and related services provided to Delphi Corporation prior to the Petition Date. Bellsouth disagrees with the Debtors' objection to reduce its claim	Claim subject to modification	Adjourn

		amount to \$1,429.20. Bellsouth asserts that it provided invoices to the Debtors in the ordinary course of business that support its claim. Bellsouth states that it is reviewing its records and gathering support for its claim. Furthermore, Bellsouth states that it is reviewing its records to determine whether it objects to the change of the Debtor entity against which its claim is asserted.		
12. Demag Plastics Group, Corporation dba Van Dorn Demag Corporation (Docket No. 8931)	10284	Demag Plastics Group, Corporation d/b/a Van Dorn Demag Corporation ("Demag") asserts that it timely filed identical proofs of claim in the amount of \$22,268.60 each, including proof of claim no. 10284, against DAS LLC, Delphi Corporation, and Packard Hughes Interconnect Co. for goods shipped and services provided. Demag states that it attached invoices to the proofs of claim to support the amount asserted. Demag disputes the Debtors' objection to reduce its claim to \$9,596.80. Demag contends that it should not be paid more than once for goods and services, provided only that it should be paid the valid amount of its claim. Demag argues that the Debtors do not provide evidence to rebut the <u>prima facie</u> validity of its claim.	Claim subject to modification	Adjourn
13. Computer Patent Annuities Limited (Docket No. 8932)	15379	Computer Patent Annuities Limited ("CPA") asserts that it timely filed proof of claim no. 15379 in the amount of \$617,204.24 for services provided to Delphi Corporation pursuant to a quarterly patent and design patent renewal services contract (the "Contract"). CPA disputes the Debtors' proposed modification of its claim to \$602,481.60. CPA explains that the discrepancy between the amount asserted and the Debtors' proposed modification may be	Claim subject to modification	Adjourn

			due to late fees that were not cured by the Debtor. CPA contends that its proof of claim, which includes a copy of the Contract and a spreadsheet listing outstanding invoices, constitutes <i>prima facie</i> evidence of the validity of the amount asserted in its proof of claim.		
14.	Cingular Wireless, n/k/a AT&T Mobility LLC (Docket No. 8933)	a. 5084, 5085 b. 5086	Cingular Wireless, n/k/a AT&T Mobility LLC ("Cingular"), asserts that it filed proof of claim no. 5084 in the amount of \$1,370.20, proof of claim no. 5085 in the amount of \$1,011.99, and proof of claim no. 5086 in the amount of \$7,831.58 against Delphi Corporation. Cingular asserts that it has provided the Debtors with invoices in support of proofs of claim nos. 5084 and 5085 and disagrees with the Debtors' objection to disallow and expunge these claims. Cingular does not, however, object to the modification of proof of claim no. 5086.	a. Insufficiently documented claims b. Claim subject to modification	5084 and 5085 adjourned only
15.	DC Coaters, Inc. (Docket No. 8938)	5723	DC Coaters, Inc. ("DC Coaters") asserts that it timely filed proof of claim no. 5723 in the amount of \$1,422.93 as a general unsecured and liquidated claim. DC Coaters disagrees with the Debtors' proposed reduction of its claim to \$4,254.37 and argues that the invoices attached to its proof of claim support the amount asserted. DC Coaters states that it will not object to a reduction of its claim to \$7,048.29 against DAS LLC. DC Coaters attaches creditor data regarding proof of claim no. 5723 listed at <a href="http://www.delphidocket.com">www.delphidocket.com</a> , indicating that the amount owed is \$7,168.56. DC Coaters argues that the Debtors have failed to provide evidence to support their objection.	Claim subject to modification	Adjourn

DEBTORS' (I) SUMMARY OF MODIFICATIONS TO SALE APPROVAL ORDER IN  
CONNECTION WITH SALE OF THE DEBTORS' CATALYST BUSINESS AND (II)  
OMNIBUS REPLY TO OBJECTIONS TO (A) NOTICES OF  
ASSUMPTION AND/OR ASSUMPTION AND (B) CURE NOTICES

Delphi Corporation ("Delphi") and certain of its subsidiaries and affiliates, debtors and debtors-in-possession in the above-captioned cases (the "Debtors"), hereby submit this summary of modifications to the Sale Approval Order<sup>1</sup> and omnibus reply (the "Reply") in support of the Debtors' Motion For Orders Under 11 U.S.C. §§ 363, 365, And 1146 And Fed. R. Bankr. P. 2002, 6004, 6006, And 9014 (A) (I) Approving Bidding Procedures, (II) Granting Certain Bid Protections, (III) Approving Form And Manner Of Sale Notices, And (IV) Setting Sale Hearing Date And (B) Authorizing And Approving (I) Sale Of Certain Of Debtors' Assets Comprising Substantially All The Assets Primarily Used In Debtors' Catalyst Business Free And Clear Of Liens, Claims, And Encumbrances, (II) Assumption And Assignment Of Certain Executory Contracts And Unexpired Leases, And (III) Assumption Of Certain Liabilities (Docket No. 8179) (the "Sale Motion").

#### Preliminary Statement

1. On June 29, 2007, the Court entered an Order Under 11 U.S.C. § 363 And Fed. R. Bankr. P. 2002 And 9014 (i) Approving Bidding Procedures, (ii) Granting Certain Bid Protections, (iii) Approving Form And Manner Of Sale Notices, And (iv) Setting A Sale Hearing (Docket No. 8436) (the "Bidding Procedures Order"). Under the Bidding Procedures Order, the Debtors originally established July 24, 2007 as the deadline to submit bids for the Catalyst Business and August 1, 2007 as the date for the auction. On July 18, 2007, the Debtors, pursuant to the Bidding Procedures Order and the Agreement with Umicore, the stalking horse bidder, extended the bid deadline to July 31, 2007 and re-set the date of the auction to August 8, 2007.

---

<sup>1</sup> Capitalized terms used but not otherwise defined herein have the meanings ascribed to such terms in the Sale Motion.

2. On July 31, 2007, the Selling Debtor Entities received the bid of Catalytic Solutions, Inc. ("CSI"), in which CSI offered \$58.1 million and other consideration for substantially all the assets of the Catalyst Business. After an independent evaluation by the Selling Debtor Entities and their advisors and in accordance with Bidding Procedures, the Selling Debtor Entities determined that the CSI competing proposal was a Qualified Bid as defined in the Bid Procedures. As a result, in accordance with the Bidding Procedures Order, on August 8, 2007, the Debtors held an auction for the sale of the assets of the Catalyst Business. A transcript of the auction for the sale of the assets of the Catalyst Business is attached hereto as Exhibit A (the "Auction Transcript").

3. After reviewing the final bids received at the auction from Umicore and CSI, the Debtors, after consultation with representatives from the Creditors' Committee and the Equity Committee, determined that the final bid received from Umicore was the highest and best bid. The final bid submitted by Umicore included a purchase price and bid value of \$75 million – an increase of approximately \$19.4 million from the Preliminary Purchase Price included in the stalking horse bid attached to the Sale Motion, most of which is being allocated to the Selling Debtor Entities<sup>2</sup> – which purchase price is (i) subject to a reduction based upon additional U.S. salaried employees that may be hired by Umicore above what Umicore committed to on June 5, 2007, and (ii) includes enhanced terms with respect to net working capital and precious metal targets and improved terms reducing certain risks that could have effected value or closing. The final bid received from CSI, which included a cash purchase price and certain cost savings to the Sellers, had a value of approximately \$70.5 million.

---

<sup>2</sup> See Schedule 2 to the proposed Sale Approval Order attached hereto for the purchase price allocation.

4. At the conclusion of the auction, the Sellers announced that Umicore's \$75 million bid was the "Successful Bid" and the final bid submitted by CSI was deemed by the Sellers to be the "Alternate Bid," as each is defined under the Bidding Procedures Order. The revised Master Sale and Purchase Agreement between Sellers and Umicore, marked to reflect changes made to the agreement submitted with the Sale Motion, is attached hereto as Exhibit B. In addition, as further described below, the Sale Approval Order was revised to reflect, among other things, comments received by certain parties-in-interest and the selection of Umicore as the Successful Bidder and CSI as the Alternate Bidder. A marked version of the Sale Approval Order reflecting the modifications made to the form of proposed order submitted with the Sale Motion is attached hereto as Exhibit C. Other than certain objections to the assumption and assignment of certain executory contracts, there are no objections to the sale of the Catalyst Business to Umicore.

A. Modifications To The Sale Approval Order

5. After filing the Sale Motion, the Debtors received comments from the Department of Justice (the "DOJ") regarding the proposed Sale Approval Order's treatment of environmental liabilities. As a result of discussions with the DOJ, the parties, including Umicore, agreed to add a provision to the end of paragraph 12 which protects governmental agencies' rights related to environmental laws and regulations.

6. In addition, the Debtors inserted additional findings of fact (paragraphs E and F) and ordering provisions (paragraphs 41 and 42) to address issues and events related to the Bidding Procedures and the auction. Paragraph E contains a finding reflecting Umicore's agreement at the auction to waive its right to assert any claim against the Debtors and their estates related to the sale process and the auction. See Auction Transcript, Page 46, Lines 9-15. Paragraph F contains a finding that the Selling Debtor Entities selected the CSI bid as the

Alternate Bid. See Auction Transcript, Page 47, Line 9-13. Consistent with the Bidding Procedures, paragraph 41 states that the final offer made by CSI at the auction would be submitted for approval as the Alternate Bid. Lastly, paragraph 42 grants the Debtors authority to close on CSI's Alternate Bid if they cannot close with Umicore.

B. Assumption And Assignment Of Executory Contracts

7. On July 6, 2007, July 18, 2007, July 24, 2007, July 31, 2007, and August 1, 2007, the Debtors served (i) notices of assumption and assignment of certain executory contracts to Umicore and to CSI (collectively, the "Notices of Assumption/Assignment"), and (ii) notices of cure of executory contracts (the "Cure Notices" and, collectively with the Notices of Assumption/Assignment, the "Notices"). The Debtors served approximately 252 Notices of Assumption/Assignment and 83 Cure Notices. The Debtors received five timely and properly filed and served objections and four late objections.<sup>3</sup> Of the nine objections to the Notices, eight of the objections have been resolved, withdrawn or otherwise moot.

C. Resolved, Withdrawn Or Otherwise Moot

8. Below is a brief summary of each resolved objection:

(a) A-1 Specialized Services & Supplies, Inc. A-1 Specialized Services & Supplies, Inc. ("A-1") filed the (a) Objection By A-1 Specialized Services & Supplies, Inc. To Notice Of Cure Amount (Docket No. 8669), (b) Objection To Assumption And/Or Assignment Of Contracts By A-1 Specialized Services & Supplies, Inc. (Docket No. 8670), (c) Objection Of A-1 Specialized Services & Supplies, Inc. To Assumption And/Or Assignment Of Contracts By/To Catalytic Solutions, Inc. (Docket No. 8977), and (d) Memorandum in Support of

---

<sup>3</sup> The Debtors also received a letter from Varroc Exhaust Systems, Pct. Ltd. ("Varroc") (Docket No. 8681) in which Varroc states it does not object to the assumption and/or assignment of its various agreements.

Objection to Assumption of Executory Contract (Docket No. 9085). A-1's pleadings were filed to oppose the Debtors' request to assume and assign to Umicore (or CSI, as applicable), pursuant to section 365 of the Bankruptcy Code, a supply contract and a reclamation contract (the "A-1 Contracts"). Under the A-1 Contracts, the Debtors purchase platinum, palladium and rhodium ("platinum group metals" or "PGM") from A-1 for use in the manufacturing of automotive components and reclamation services of A-1 to recover PGM from its automotive manufacturing scrap. In its pleadings, A-1 alleges that the Debtors cure amount is insufficient and that due to certain anti-trust and anti-money laundering concerns, the Debtors should not be able to assume and assign the A-1 Contracts to Umicore (or CSI, as applicable). While the Debtors vigorously dispute A-1's allegations, following the filing of the foregoing pleadings, Umicore elected to remove the A-1 Contracts from the schedule of assumed contracts attached to the Master Sale and Purchase Agreement ("Schedule of Assumed Contracts"). Accordingly, the A-1 objections are now moot.

(b) Chrysler LLC. Chrysler LLC ("Chrysler") filed the Objection Of Chrysler LLC To Assumption And/Or Assignment Of Contracts In Connection With The Sale Of Debtor's Catalyst Business (Docket No. 9040) (the "Chrysler Objection"), in which it objected to the assumption and assignment of the Noble Metal Stock Account Agreement (the "Noble Metal Agreement"). Chrysler withdrew the Chrysler Objection upon receiving confirmation from the Debtors that the Noble Metal Agreement would not be assumed and/or assigned and would be removed from the Schedule of Assumed Contracts because it did not govern the ongoing relationship between the Selling Debtor Entities and Chrysler.

(c) Contrarian Funds, LLC. Contrarian Funds, LLC ("Contrarian") filed its Limited Objection of Contrarian Funds, LLC to Debtors' Notice of Cure Amount with Respect to

Executory Contract or Unexpired Lease to be Assumed and Assigned in Connection with the Sale of Catalyst Business (Docket No. 8877) (the "Contrarian Objection"). Contrarian purchased the claim associated with a certain contract (the "Aramark Contract") from Aramark Uniform and Career Apparel Inc. ("Aramark") and Contrarian filed an objection to protect its contractual right to the cure amount. The Contrarian Objection has been resolved pursuant to a tri-partite stipulation (between the Aramark, Contrarian, and the Debtors) to be executed, that provides for, among other things, the cure amount to be paid directly Contrarian.

(d) Corning Incorporated. Corning Incorporated ("Corning") filed the Limited Objection of Corning Incorporated to the Assumption of, and the Cure Amounts Asserted by Debtor, for Contracts 50186, 50187, 50188, 50189 in Debtor's Notices of Assumption and Asserted Cure Amounts in Connection With the Sale of Debtor's Catalyst Business (Docket No. 8592) (the "Corning Assumption/Assignment Objection"). Initially Corning filed a protective objection. The Corning Assumption/Assignment Objection was superseded by the Amended Limited Objection Of Corning Incorporated To The Assumption Of, And The Cure Amounts Asserted By Debtor, For Contracts 50186, 50187, 50188 And 50189 In Debtor's Notices Of Assumption And Asserted Cure Amounts In Connection With The Sale Of Debtor's Catalyst Business (Docket No. 8894). This objection acknowledged that Corning had no issue with its contract being assigned to Umicore filed a protective objection with respect to cure. On August 15, 2007, Corning filed a withdrawal of its objection. See Withdrawal Of Amended Limited Objection Of Corning Incorporated ("Corning") To The Assumption Of, And The Cure Amounts Asserted By Debtor, For Contracts 50186, 50187, 50188 And 50189 In Debtor's Notices Of Assumption And Asserted Cure Amounts In Connection With The Sale Of Debtor's Catalyst Business (Docket No. 9086).

(e) Denso International America, Inc. Denso International America, Inc. filed a Limited Objection By Denso International America, Inc. To Assumption And/Or Assignment of Executory Contract Or Unexpired Lease To Qualified Bidder In Connection With Sale of Catalyst Business (Docket No. 8904) (the "Denso Objection"). The Denso Objection was withdrawn after the Debtors confirmed that they would remove an expired purchase order from the Schedule of Assumed Contracts.

(f) Maricopa County. Maricopa County filed an objection to the Sale Motion (Docket No. 8655) (the "Maricopa County Objection"). Following the filing of the Maricopa County Objection, Maricopa County understood that it had no interest in the Sale and thus the Maricopa County Objection was withdrawn. See Withdrawal of Maricopa County's Objection to the Debtor's "Catalyst Business Sale Motion" (Docket No. 8731).

(g) Tosoh Corporation. Counsel for the Debtors received a letter objection from Tosoh Corporation ("Tosoh"), dated August 9, 2007 (the "Tosoh Objection"). The Tosoh Objection was never filed with this Court, and thus a courtesy copy of Tosoh Objection is attached hereto as Exhibit D. As part of the Sale process, Delphi identified certain contracts with Tosoh that it seeks to assign to Umicore. The Tosoh Objection sought clarification regarding whether the Debtors intend to assume and assign a certain September 6, 2006 Memorandum of Understanding between Delphi and Tosoh (the "Tosoh MOU"). Upon receiving clarification from the Debtors that they would not assign the Tosoh MOU to Umicore, on August 13, 2007, Tosoh indicated that it would withdraw its objection.

(h) QEK Global Solutions (US), LP. QEK Global Solutions (US), LP filed its Limited Objection of QEK Global Solutions (US), LP To Assumption And/Or Assignment of Unexpired Lease to Qualified Bidder In Connection With Sale of Catalyst Business (Docket No.

9060) (the "QEK Objection"). The QEK Objection was resolved upon confirmation from the Debtors that certain contracts with QEK associated with certain vehicles of concern to QEK (specifically, the Leased VEL Test Vehicles) would not be assumed and/or assigned and would be removed from the Schedule of Assumed Contracts. See Notice Of Withdrawal Of QEK Global Solutions (US), LP's Limited Objection To Assumption And/Or Assignment Of Unexpired Lease To Qualified Bidder In Connection With Sale Of Catalyst Business (Docket No. 9088).

D. Unresolved Objection – Impala Platinum Limited

9. As stated above, of the nine objecting parties, only Impala Platinum Limited's objection remains contested. Specifically, on August 14, 2007, counsel to the Debtors received a letter (the "Impala Letter") from Impala Platinum Limited ("Impala"), informally objecting to the assignment of the agreement between Impala and Delphi (Docket No. 9084) (the "Impala Agreement"). For the reasons set forth below, the Debtors request that the objection filed by Impala be overruled and that the Debtors be authorized, but not directed, to assume and assign the Impala Agreement to Umicore pursuant to 11 U.S.C. § 365.

Argument

10. Impala objects on the ground that the Impala Agreement contains a provision conditioning any assignment of the agreement on the counterparty's consent, and Impala does not consent to the proposed assignment. Impala's objection should be overruled for at least three independent reasons.

11. First, Impala's contention that its withholding consent is sufficient to preclude assignment of the Impala Agreement is simply off the mark. The plain language of section 365(f)(1) of the Bankruptcy Code provides that terms or conditions in a contract or lease that

prohibit, restrict, or condition the assignment of such contract or lease are not enforceable – subject to limited exceptions. Section 365(f) "works by operation of law to invalidate" contract assignment restrictions. See e.g., In re Jamesway Corp., 201 B.R. 73, 78 (Bankr. S.D.N.Y. 1996) (emphasis added) (citing In re Office Prod. of Am., Inc., 140 B.R. 407, 410 (Bankr. W.D. Tex. 1992); In re Howe, 78 B.R. 226, 229 (Bankr. S.D. 1987)). Indeed, that section assumes, as a matter of law, that the free "assignment of unexpired leases will assist the debtor in its reorganization or liquidation efforts." In re Bradlees Stores, Inc., No. 00-16033, 2001 WL 1112308, \*11 (S.D.N.Y. Sept. 20, 2001) (internal citations omitted). Impala has not satisfied any exception contained under section 365(f). Indeed, the Impala Agreement is a traditional executory contract that does not fall into any of the section 365(f) exceptions. Accordingly, despite the restrictive assignment clause, section 365 trumps and Impala's objection should be overruled.

12. Second, the Debtors provided Impala notice of their intention to assume and assign the Impala Agreement to Umicore on July 5, 2007 (Docket No. 8487). The notice stated that objections must be filed with the Court in accordance with the procedures set forth in the Case Management Orders. The Impala Letter should be stricken because it was not filed with this Court, or, for that matter, in accordance with the Case Management Orders entered in this case. Moreover, the Bidding Procedures Order provided that objections must be served so that they are received within ten days after the date of the notice, which in this instance (taking into account rule 9006 of the Federal Rules of Bankruptcy Procedure) was July 16, 2007. The Impala Letter was received approximately 28 days after the objection deadline expired. On this basis alone, the Impala Letter should be stricken. Accordingly, the Impala objection should be overruled.

WHEREFORE the Debtors respectfully request that the Court enter an order (i) granting the Motion, (ii) overruling all objections to the Motion, and (iii) granting the Debtors such other and further relief as is just.

1 Auction Proceedings  
2 MR. LYONS: Everybody ready. Good  
3 afternoon. My name is John Lyons of  
4 Skadden, Arps, Slate, Meagher & Flom,  
5 LLP. Skadden is counsel to Delphi  
6 Corporation and its affiliate debtors and  
7 debtors in possession in their Chapter XI  
8 cases which are pending in the United  
9 States Bankruptcy Court in the Southern  
10 District of New York before the Honorable  
11 Robert D. Drain, and are being jointly  
12 administered under case number 05-44481.

13 On June 6, 2007 Delphi filed a  
14 motion seeking approval of certain bid  
15 procedures and certain bid protections  
16 for the stalking horse bidder Umicore,  
17 and approval of a sale of substantially  
18 all of the assets of the Catalyst  
19 business to Umicore pursuant to a master  
20 asset sale and purchase agreement dated  
21 June 5, 2007 by and between Delphi and  
22 Umicore subject to completion of a  
23 competitive bidding process. I will  
24 refer to the motion as the sale motion.  
25 The sale motion was entered on the

1 Auction Proceedings  
2 docket, docket entry number 8179.  
3 After a hearing held on June 26,  
4 2007 the court entered an order approving  
5 certain bidding procedures. The order  
6 was entered on June 29, 2007 at docket  
7 8436. I will refer to this order as the  
8 bidding procedures order.

9 On July 18, 2007 pursuant to the  
10 bidding procedures the debtors extended  
11 the bid deadline from July 24, 2007 to  
12 July 31, 2007, and reset the date of the  
13 auction from August 1, 2007 to today.  
14 The notice of this extension is a docket  
15 number 8653. This is the time and place  
16 for the auction of the assets of the  
17 Catalyst business pursuant to the bidding  
18 procedures order and the notice of  
19 extension.

20 As you are aware we have a court  
21 reporter here. The auction is being  
22 transcribed and we will file the complete  
23 transcript of this auction with the  
24 bankruptcy court.

25 We have marked several exhibits

1 Auction Proceedings  
2 which we have distributed to the parties  
3 prior to this auction. I will go rather  
4 quickly through the exhibits.

5 Exhibit 1 is the sale motion that  
6 I already described.

7 (Exhibit 1, sale motion, marked  
8 for identification, as of this date.)

9 MR. LYONS: Exhibit 2 is a black  
10 line of the sale order that black lines  
11 the original order attached to the sale  
12 motion against certain changes. That is  
13 Exhibit 2.

14 (Exhibit 2, black line of the sale  
15 order, marked for identification, as  
16 of this date.)

17 MR. LYONS: Exhibit 3 is the  
18 bidding procedures order.

19 (Exhibit 3, bidding procedures  
20 order, marked for identification, as  
21 of this date.)

22 MR. LYONS: Exhibit 4 is the bid  
23 submitted by Umicore including a master  
24 asset and sale purchase dated June 5,  
25 2007, and disclosure schedules.

1 Auction Proceedings  
2 (Exhibit 4, bid submitted by  
3 Umicore including master asset and sale  
4 purchase dated June 5, 2007, and  
5 disclosure schedules, marked for  
6 identification, as of this date.)

7 MR. LYONS: Exhibit 5 is the bid  
8 submitted by Catalyst Solutions, CSI,  
9 including all the materials in Exhibit 5  
10 that you can review.

11 (Exhibit 5, bid submitted by  
12 Catalyst Solutions, marked for  
13 identification, as of this date.)

14 MR. LYONS: Exhibit 6 is this  
15 morning's sign in sheet which is a record  
16 of the attendees at this auction. It  
17 will obviate the need for all of you to  
18 state your name and title.

19 (Exhibit 6, sign in sheet,  
20 marked for identification, as of this  
21 date.)

22 MR. LYONS: Exhibit 7 is a bid  
23 sheet, which is a final bid sheet from  
24 various drafts that were circulated  
25 amongst the parties.

1 Auction Proceedings  
2 (Exhibit 7, bid sheet, marked  
3 for identification, as of this date.)  
4 MR. LYONS: Exhibit 8 is a black  
5 line MSPA, master sale and purchase  
6 agreement, reflecting modifications from  
7 the asset sale and purchase agreement  
8 between CSI and Delphi dated July 31,  
9 2007 to the current version of the master  
10 sale and purchase agreement dated today  
11 by and between CSI and Delphi.  
12 (Exhibit 8, black line master sale  
13 and purchase agreement reflecting  
14 modifications from asset sale and  
15 purchase agreement between CSI and Delphi  
16 dated July 31, 2007, marked for  
17 identification, as of this date.)  
18 MR. LYONS: Exhibit 9 is schedule  
19 3.2 to that agreement, revised schedule  
20 3.2.1 to that agreement.  
21 (Exhibit 9, revised schedule 3.2.1  
22 to agreement, marked for  
23 identification, as of this date.)  
24 MR. LYONS: Exhibit 10 is a

2 certain other statutory committee  
3 advisors by the bid deadline which as I  
4 noted before pursuant to the bid  
5 procedures was extended in accordance  
6 therewith.  
7 On July 31st only one competing  
8 bid had been received which is the bid of  
9 CSI, which is marked as Exhibit number 5.  
10 Pursuant to CSI's binding bid letter and  
11 master sale and purchase agreement CSI  
12 offered 58.1 million consideration for  
13 substantially all the assets of  
14 Catalyst's business.  
15 The other material terms of CSI's  
16 proposed asset sale of master sale and  
17 purchase agreement are substantially  
18 similar to the material terms of the  
19 original master sale and purchase  
20 agreement between Delphi and Umicore with  
21 exceptions that I am going to note  
22 further, and also as we note on a bid  
23 sheet that has been previously marked.  
24 After independent evaluation by  
25 Delphi and its advisors and in accordance

10 (Exhibit 11, certain lease

16 today against the original agreement  
17 filed with the sale motion.  
18 (Exhibit 12, red line of Umicore  
19 agreement against the original agreement  
20 filed with the sale motion, marked for

22 MR. LYONS: As everyone is aware  
23 competing proposals for the asset of the  
24 Catalyst business were to have been  
25 received by Delphi, its advisors, and  
TSG Reporting - Worldwide 877-702-9580

1 Auction Proceedings  
2 with bidding procedures Delphi determined  
3 that the CSI competing proposal was a  
4 qualified bid as defined in the bid  
5 procedures attached as Exhibit 1 to the  
6 bidding procedures order.  
7 Therefore on August 3, 2007 my  
8 colleague Brian Fern contacted all  
9 parties entitled to attend this auction  
10 by E-mail and advised them that an  
11 auction would be going forward.  
12 After reviewing the bids of  
13 Umicore and CSI on August 7, 2007 Delphi  
14 concluded that the CSI bid was the  
15 highest or otherwise best offer submitted  
16 prior to the auction, and in accordance  
17 with the bid procedures order Delphi  
18 distributed the CSI bid letter, a marked  
19 copy of the agreement, and the memorandum  
20 of ancillary agreement memorandum to  
21 Umicore and other relevant parties.  
22 Subsequently we did distribute a redacted  
23 version of the agreement letter as well  
24 as the underwriting agreement to Umicore.  
25 There are no other parties who  
TSG Reporting - Worldwide 877-702-9580

1 Auction Proceedings  
2 have submitted a qualified bid and  
3 therefore pursuant to the bid procedures  
4 order only Umicore and CSI are entitled  
5 to bid for the Catalyst assets at today's  
6 auction.

7 As each of you know each of the  
8 bidders has been assigned their own  
9 conference room to use for caucusing in  
10 private. The creditor's committee and  
11 the equity committee and other creditor  
12 constituents and representatives are  
13 sharing one room. The agent for the DIP  
14 lenders advised the debtor that they  
15 would not be attending the auction.

16 Shortly we are going to open the  
17 floor to allow an opportunity for  
18 additional competing bids which I hope to  
19 get to very shortly. I am not going to  
20 read into the record all the other  
21 procedures for the bidding procedures, we  
22 have admitted those documents into the  
23 record and each party here has a copy of  
24 those documents to review.

25 Before we begin bidding I remind  
TSG Reporting - Worldwide 877-702-9580

1 Auction Proceedings  
2 the parties that additional bids are to  
3 be made in \$500,000 increments. At this  
4 point in time there is no specific  
5 additional procedures today, although we  
6 reserve the right to add them.

7 We encourage each of you, Umicore  
8 and CSI, to put on the table today your  
9 highest and best bid, and we will do  
10 everything we can to provide to each of  
11 you guidance on the issues that we or the  
12 creditor constituencies may have as they  
13 relate to your respective bids.

14 When neither bidder desires to  
15 make any further bid we will recess the  
16 auction and meet privately. First Delphi  
17 will meet with its own representatives,  
18 and later with our constituencies to  
19 consult with them.

20 After that as quickly as possible,  
21 depending on the time, Delphi and its  
22 advisors will meet, deliberate and  
23 determine in the exercise of its business  
24 judgement which party it believes to be  
25 the successful bidder, and which party

TSG Reporting - Worldwide 877-702-9580

1 Auction Proceedings  
2 will be the alternate bidder.  
3 At that point Delphi will advise  
4 the parties to the bid who it has  
5 determined to the successful bid, and the  
6 bid that has been determined to be the  
7 alternate bid, and Delphi will formally  
8 close the auction at that time.

9 However as you know in the bid  
10 procedures no bid has been accepted by  
11 Delphi until the Bankruptcy Court  
12 approves of it in the sale hearing and an  
13 order to that effect is entered by the  
14 Bankruptcy Court.

15 Okay. We would like to request  
16 that each of the two bidders designate a  
17 representative to speak on your behalf  
18 when and if you decide you want to speak  
19 on the record for purposes of the  
20 auction. Therefore I ask the designated  
21 representative of Umicore to state his or  
22 her name and title for the record, and  
23 affirm that such person is the authorized  
24 representative of Umicore for purposes of  
25 this auction.

TSG Reporting - Worldwide 877-702-9580

1 Auction Proceedings  
2 MR. KEMP: My name is Hovey Kemp,  
3 I am a partner at Goodwin Proctor. I  
4 will be speaking on behalf of Umicore. I  
5 would reserve the right to allow others  
6 to speak however, John, to the extent  
7 that that is appropriate.

8 MR. LYONS: Very well.

9 I will ask the designated  
10 representative of CSI to state his or her  
11 name and title for the record, and affirm  
12 that such person is the authorized  
13 representative of CSI for purposes of the  
14 auction.

15 MR. CALL: I am the designated  
16 representative, Charles Call, I am the  
17 CEO of Catalyst Solutions.

18 MR. LYONS: For the authorized  
19 representatives of both bidders, please  
20 confirm that both of you have the full  
21 authority to speak for each of your  
22 respective companies.

23 MR. KEMP: Yes, I have that  
24 authority.

25 MR. CALL: Yes, I have that

TSG Reporting - Worldwide 877-702-9580

1 Auction Proceedings  
2 authority.  
3 MR. LYONS: Please confirm that  
4 your participation at the auction and  
5 anything that you say on behalf of your  
6 company is binding upon your respective  
7 companies.  
8 MR. KEMP: On behalf of Umicore I  
9 agree.  
10 MR. CALL: Same, I agree.  
11 MR. LYONS: Thank you.  
12 We also believe that it will be  
13 helpful for the primary creditor and  
14 other constituencies who are present  
15 today to be free to ask questions on the  
16 record to insure that the terms put on  
17 the record by the bidders are clear and  
18 fully understood by the parties.  
19 Therefore we welcome the participation of  
20 the representatives of the creditor's  
21 committee and the equity committee and  
22 UAW and others who are here today in that  
23 capacity.  
24 Okay. At this point I would ask  
25 the Umicore representative to affirm that

TSG Reporting - Worldwide 877-702-9580

1 Auction Proceedings  
2 to the best of his knowledge Exhibit  
3 number 4 contains the master asset sale  
4 and purchase agreement dated June 4, 2007  
5 as agreed by and between Delphi and  
6 Umicore, and that the schedules are to  
7 the best of his of knowledge the final  
8 versions of such schedules.  
9 MR. KEMP: I agree.  
10 MR. LYONS: I would ask that the  
11 CSI representative affirm that to the  
12 best of his knowledge Exhibit number 5  
13 represents CSI's offer dated July 31,  
14 2007 for the Catalyst business.  
15 MR. CALL: We agree to the best of  
16 our knowledge.  
17 MR. LYONS: With respect to both  
18 parties, and again we will take Umicore  
19 first, CSI next.  
20 Umicore, please confirm that there  
21 have been no discussions or other  
22 communications, nor any agreements,  
23 formal or informal, verbal or written, to  
24 the best of your knowledge between  
25 Umicore and its representatives on the

TSG Reporting - Worldwide 877-702-9580

1 Auction Proceedings  
2 one hand, and CSI and its representatives  
3 on the other hand regarding Delphi's sale  
4 of the Catalyst business.  
5 MR. KEMP: I agree, that is right.  
6 MR. LYONS: Okay, the same  
7 representation on behalf of CSI.  
8 MR. CALL: I agree.  
9 MR. LYONS: First Umicore. Does  
10 Umicore have any objections to this  
11 auction or sale process?  
12 MR. KEMP: No.  
13 MR. LYONS: CSI. Does CSI have  
14 any objections to this auction or the  
15 sale process?  
16 MR. CALL: No, we do not.  
17 MR. LYONS: Prior to the auction  
18 Delphi representatives met with both  
19 Umicore and CSI to discuss clarifications  
20 and enhancements to both bids pursuant to  
21 draft bid sheets that Delphi prepared  
22 that outlined the material differences  
23 between the two bids and monetary values  
24 ascribed to the differences.  
25 Following these discussions Delphi

TSG Reporting - Worldwide 877-702-9580

1 Auction Proceedings  
2 received the following enhancements  
3 and/or clarifications from the parties.  
4 With respect to CSI the parties  
5 have negotiated first a further black  
6 line revised MSPA, a copy of which has  
7 been marked as Exhibit 8; a revised  
8 schedule 3.2.1 to the agreement, a copy  
9 of which was marked as Exhibit 9; a  
10 certain lease relating to the Luxembourg  
11 facility, a copy of which was marked as  
12 Exhibit 10; and a certain lease relating  
13 to the Shanghai, China facility, a copy  
14 of which was marked as Exhibit 11 that  
15 contains certain clarifications and  
16 enhancements to CSI's July 31st bid.  
17 CSI, do you confirm that CSI  
18 hereby amends its July 31st bid to  
19 include the agreements set forth in  
20 Exhibits 8, 9, 10 and 11, together with  
21 the other obligations contained in the  
22 July 31st bid, not inconsistent  
23 therewith, and that such agreement  
24 constitutes CSI's current bid?

MR. CALL: Yes, we do confirm it.

TSG Reporting - Worldwide 877-702-9580

1 Auction Proceedings  
2 MR. LYONS: I will refer to this  
3 bid as CSI's opening current bid.  
4 With respect to Umicore, the  
5 parties negotiated a further black lined  
6 revised master sale and purchase  
7 agreement, a copy of which was marked as  
8 Exhibit 12 that contains certain  
9 clarifications and enhancements to the  
10 June 5th agreement.  
11 Umicore, do you confirm that  
12 Umicore hereby amends the June 5th  
13 agreement to reflect black line changes  
14 in Exhibit 12, together with obligations  
15 contained in the June 5, 2007 agreement,  
16 not inconsistent therewith, and that such  
17 agreement constitutes Umicore's current  
18 bid?  
19 MR. KEMP: It does, yes.  
20 MR. LYONS: I will call the  
21 current bid Umicore's opening current  
22 bid.  
23 Based upon the above confirmations  
24 Delphi prepared a revised bid sheet,  
25 Exhibit 7, that reflects the monetization

TSG Reporting - Worldwide 877-702-9580

1 Auction Proceedings  
2 of the differences in terms between CSI's  
3 opening current bid and Umicore's opening  
4 current bid.  
5 Before we begin bidding I want to  
6 make three clarifications. As indicated  
7 in the revised bid sheet Delphi ascribes  
8 a bid value of \$55.6 million to the  
9 Umicore current opening bid, and a bid  
10 value of \$60 million to the CSI current  
11 opening bid.  
12 Now, when I use the term value it  
13 is expressly subject to other  
14 considerations as I will discuss in more  
15 detail later that Delphi will consider in  
16 determining who ultimately is the  
17 successful bidder. For purposes of  
18 clarity I will use bid value.  
19 As reflected in the revised bid  
20 sheet, when valuing bids that will be  
21 made, any subsequent bid that CSI makes  
22 will reflect net credits set forth in the  
23 revised bid sheet. In addition the  
24 amount that CSI will bid, CSI will have  
25 to add an additional \$2 million to

TSG Reporting - Worldwide 877-702-9580

1 Auction Proceedings  
2 reflect the amount necessary to pay  
3 Umicore in a break up fee in the event  
4 that Umicore is not the successful bidder  
5 and the transaction closes with CSI.  
6 I have an example that may further  
7 clarify this, but I understand that CSI  
8 may want to make a comment.  
9 MR. ZAGORE: Yes. This is David  
10 Zagore, partner at Squire Sanders,  
11 counsel to CSI.  
12 I believe the bid value at the  
13 bottom already reflects the \$2 million  
14 break up fee. End of the comment.  
15 MR. LYONS: Yes. So let me go  
16 through an example, that may be the  
17 easiest way to do this.  
18 Currently Umicore has a bid value  
19 of 55.6, this is all hypothetical. CSI's  
20 current bid value is \$60 million, and  
21 that is all indicated in the bottom  
22 portion of the bid sheet.  
23 In the event Umicore makes a  
24 subsequent bid, assuming it bids \$60.5  
25 million. If CSI were to make a

TSG Reporting - Worldwide 877-702-9580

1 Auction Proceedings  
2 subsequent bid of \$61 million, that \$61  
3 million would be comprised of the  
4 following:  
5 3.9 million in net credits due to  
6 the differences in terms between the  
7 parties, and \$59.1 million which would be  
8 comprised of the amount necessary to  
9 compensate Umicore for the break up fee  
10 of 2 million, plus an additional 57.1  
11 million.  
12 Now I ask both parties, do you  
13 understand and confirm the manner in we  
14 will bid; first to Umicore and -- pardon  
15 me, and the way in which we will  
16 calculate the bid?  
17 MR. KEMP: Yes.  
18 MR. CALL: Yes, we understand.  
19 MR. LYONS: Second clarification:  
20 In accordance with the bid  
21 procedures, submission of a subsequent  
22 bid by either bidder constitutes an  
23 irrevocable offer to purchase the  
24 Catalyst business at the price, terms and  
25 conditions of the subsequent bid, and

TSG Reporting - Worldwide 877-702-9580

1 Auction Proceedings  
2 such bid must remain open through two  
3 business days after closing of the sale  
4 to the other bidder. Delphi then can  
5 receive court approval of and may in  
6 enforce both the successful bid and the  
7 alternative bid.

8 Thus for example if bidder X  
9 submits a bid of \$60 million in the first  
10 round, topped by bidder Y with a bid of  
11 62 million, and bidder X subsequently  
12 submits a higher bid of 64 million, and  
13 bidder Y submits a final ultimately  
14 winning bid of 66 million, Delphi will  
15 seek approval of, and will be able to  
16 close on both the highest bid of 66  
17 million with bidder Y, and if unable to  
18 close on this bid, Delphi would be able  
19 to close on the next highest bid of 64  
20 million with bidder X without need for  
21 further court approval.

22 Do both bidders clearly understand  
23 and confirm this requirement?

24 MR. KEMP: Yes, we do.

25 MR. CALL: Yes, we do.

1 Auction Proceedings  
2 MR. LYONS: Finally Delphi will  
3 use and has used the bid sheet as a means  
4 to monetize differences in terms between  
5 subsequent bids by the parties to  
6 facilitate comparison between subsequent  
7 bids and determine whether a subsequent  
8 bid is higher than the previous bid by  
9 the other party.

10 Please be aware that Delphi's  
11 declaration that a subsequent bid is  
12 higher under this calculation does not  
13 mean that such bid will be the successful  
14 bid under the bidding procedures if no  
15 higher bid is received.

16 Rather as I informed both parties  
17 prior to the auction, once there is no  
18 further bidding Delphi will determine  
19 which bid constitutes the highest or  
20 otherwise best bid, and therefore the  
21 successful bid in light of all relevant  
22 considerations, including among other  
23 things closing risks, execution risks and  
24 other factors.

25 Delphi will also consult with its

1 Auction Proceedings  
2 representative constituents present at  
3 this auction before making such  
4 determination.

5 Do both bidders clearly understand  
6 and confirm this requirement, Umicore?

7 MR. KEMP: Yes.

8 MR. LYONS: CSI?

9 MR. CALL: Yes, we do.

10 MR. LYONS: Now, based upon the  
11 revised bid sheet CSI is the highest  
12 bidder at a bid value of \$60 million.  
13 Does Umicore wish to submit a higher bid?

14 MR. KEMP: Yes.

15 MR. LYONS: Please put on the  
16 record the terms of your bid.

17 MR. KEMP: Umicore would like to  
18 submit a subsequent bid that would raise  
19 the cash purchase price by \$9.4 million  
20 dollars, so that the 55.6 bid value shown  
21 in your bid sheet would now be 65  
22 million.

23 We confirm the terms of our MSPA  
24 as reflected in Exhibit 12 for purposes  
25 of this subsequent bid with two changes.

1 Auction Proceedings  
2 The first is that we would insert  
3 a new section, we think it would be  
4 4.6.9, which would be a purchase price  
5 adjustment to be made at closing. That  
6 purchase price adjustment would effect a  
7 downward adjustment to Umicore's purchase  
8 price for employees in Troy or Flynt that  
9 Umicore takes on in its employ at the  
10 closing.

11 That adjustment would be  
12 calculated at a rate of \$75,000 per such  
13 person in Troy and Flynt. That would  
14 also apply to employees that Umicore  
15 takes on in Tulsa in excess of the 66 2/3  
16 percent of such Tulsa employees that  
17 Umicore has in its previous MSPA already  
18 agreed to take on.

19 In the case of the Tulsa employees  
20 the downward purchase price adjustment  
21 that would thus be triggered to the  
22 extent that Umicore took on more Tulsa  
23 employees than the 66 2/3 percent would  
24 be calculated at a rate of either  
25 \$100,000 per should employee, or \$40,000

1 Auction Proceedings  
2 per such employee, depending upon the  
3 stature and status rather of such  
4 employees.  
5 Again to reiterate, we are using  
6 the formula for a value in respect of  
7 those employees in Flynt and Troy and in  
8 Tulsa as it is reflected on your Exhibit  
9 7, namely the bid sheet.  
10 The second change in the MSPA  
11 would be to the following effect. The  
12 increase in Umicore's cash purchase price  
13 from 55.6 million to 65 million that is  
14 reflected in this subsequent bid, that  
15 purchase price of 65 million will remain  
16 in effect provided that Umicore's bid and  
17 our revised MSPA is approved as the  
18 successful bid by a final sale approval  
19 order on or before close of business on  
20 August 16th.  
21 To the extent that that condition  
22 is not met the cash purchase price in  
23 Umicore's bid will revert to the 55.6  
24 million in the original submission.  
25 That concludes what I have to say

TSG Reporting - Worldwide 877-702-9580

1 Auction Proceedings  
2 about our subsequent bid.  
3 MR. LYONS: Okay, we would like to  
4 take a recess. Off the record.  
5 (Recess taken.)  
6 MR. LYONS: Okay, we are back on  
7 the record. I believe the authorized  
8 representative for Umicore would like to  
9 make a statement.  
10 MR. KEMP: All right, yes, I  
11 would. Thank you John.  
12 Following the subsequent bid we  
13 made Mr. Lyons approached us and  
14 indicated that it was Delphi and  
15 Skadden's, its counsel's view that the  
16 bid that we submitted could not be  
17 considered a qualified bid or a  
18 subsequent bid because it did not comply  
19 with the bidding requirements.  
20 We disagree, and we will get into  
21 that, and we would like to go on record  
22 to underscore why we did what we did and  
23 put that in the record.  
24 I would like to start by  
25 expressing that what we are about to say

TSG Reporting - Worldwide 877-702-9580

1 Auction Proceedings  
2 and the way we have conducted ourselves  
3 today is with all due respect to CSI, to  
4 the amount of effort that you put into  
5 this in a very short period of time, been  
6 forced to review a whole lot of  
7 documentation and due diligence and  
8 everything else that we have been at for  
9 some time in a very short period of time.  
10 We also appreciate that CSI sees  
11 value in these assets and has an  
12 appropriate vision for what it could do  
13 with these assets.  
14 Having said that Umicore was  
15 provided a copy of your financing  
16 documents very late in the game. We  
17 believe that in accepting your bid,  
18 subject to those financing documents,  
19 that indeed we didn't find and we don't  
20 find that the CSI bid should have been  
21 qualified.  
22 We believe that it is so  
23 conditional due to the financing  
24 arrangements that you have in place that  
25 Delphi was wrong in accepting it as a

TSG Reporting - Worldwide 877-702-9580

1 Auction Proceedings  
2 qualified bid. There are numerous things  
3 that we can point to to support this  
4 view.  
5 While it may be true that CSI  
6 submitted an executed copy of the MSPA as  
7 required by 11.5.2 of the bid  
8 requirements, what we were told was that  
9 we could not see that bid initially  
10 because it was still being negotiated.  
11 That Delphi was seeking additional  
12 clarifications and enhancements to that  
13 bid well after the bid deadline.  
14 In addition in our view an  
15 unwaivable bid requirement in 11.5.4 of  
16 our MSPA indicated that any qualified bid  
17 needed to provide evidence of ability to  
18 consummate the proposed transaction. It  
19 is true that the standard of that is  
20 satisfactory to Delphi. But in our view  
21 we think it was unreasonable for Delphi  
22 to accept that evidence in the form of  
23 your financing requirements.  
24 In addition since the date of the  
25 bid deadline has passed we are aware

TSG Reporting - Worldwide 877-702-9580

Auction Proceedings

because Delphi has told us that they have waived a number of provisions of the MSPA's bid requirements in order to qualify your bid.

11.6.3 requires that Delphi determine in good faith that the qualified bid is not materially more burdensome or conditional than the terms of our MSPA, and again this I will get to in a minute, I believe that the conditional nature of the financing package that CSI has brought to the table makes it so materially more conditional than the terms of our MSPA that it should not have been accepted and we don't think it was reasonable for Delphi to waive that provision.

I could go on about the waivers, but I would like to move to the financing commitments. We believe that both your debt and your equity commitments, when I say you, I mean the CSI bid, that the debt and equity commitments that support that bid are extremely conditional.

Auction Proceedings

Starting with the Hilco debt commitment, as we all recognize it is a commitment letter. It is therefore just a commitment, it is subject to definitive documentation which has not been negotiated.

Further the closing conditions that are set forth in the Hilco commitment are stated to include, but may ultimately in the definitive documentation include other or additional conditions. But the ones that are listed, and in particular I would like to draw attention to the fact that it is subject to a material adverse effect, that is a small M, small A and a small E, that a material adverse effect in the Hilco document is not defined.

Moreover the standard by which a material adverse effect can be triggered is that Delphi not suffer a material adverse effect after May 31st. We would like to point out that when Delphi put forth the July projections, the so-called

Auction Proceedings

6 plus 6 projections which are now a part of our MSPA, and yours, that is and CSI's, we believe, Umicore believes that those July projections indicated that there had been under the terms of our MSPA a material adverse effect subsequent to May 31st.

We have agreed to waive that. We are not pursuing that as a material adverse change under our MSPA by having agreed today to accept the July projections as the starting point. So our document is still subject to a material adverse effect, but it is as of today, as of the July projections that is.

Your equity documents -- back on the debt for one moment. Another condition obviously is that the equity offering be completed, and that the equity amount is raised thereunder. We think that is highly conditional. If you look at the Canaccord placement agreement we believe that first and foremost it is

Auction Proceedings

subject to the debt closing. So it is highly conditional in the respects that we just spoke about.

It also is subject to a material adverse effect since May 31st. It reserves, unlike the debt document, it reserves changes that might be reflected in the merger model that was apparently agreed to as between CSI and Canaccord. We have not seen that so we can't really assess what that does to the material adverse effect since May 31st, but we point out that in our view that MAC makes the equity financing highly conditional.

Finally the equity commitment with Canaccord indicates that the acquisition agreement, i.e. your MSPA, the CSI MSPA needs to be unconditional except for the payment of the purchase price by September 15th. There is a provision to extend that to November 15th and supposedly Canaccord can't unreasonably withhold their consent to that, but it is subject to their consent, and therefore

1 Auction Proceedings  
2 even the extension of the equity  
3 commitment in our view is highly  
4 conditional.

5 In sum we reiterate that our view  
6 is that the CSI bid should not have been  
7 qualified, and it is for that reason that  
8 we insisted earlier this afternoon with  
9 our subsequent bid, it is for that reason  
10 that we impose what we have called the  
11 purchase price toggle mechanism that  
12 would enable that purchase price to be  
13 reduced to our original bid price in the  
14 event that you don't close.

15 If we are not the successful  
16 bidder and CSI is the successful bidder,  
17 but you don't close, we think because of  
18 the highly conditional nature of CSI's  
19 financing package that the end result  
20 would be that we think that the price  
21 should go back.

22 The justification for that is that  
23 we don't think we should be here today  
24 with all due respect. We don't think  
25 there should have been an auction in this

1 Auction Proceedings  
2 instance because of the unqualified  
3 nature of your bid.

4 Mr. Lyons after we submitted our  
5 subsequent bid this morning indicated  
6 that Delphi and Skadden do not agree with  
7 our ability to have that type of a toggle  
8 mechanism in our purchase price.

9 We for purposes of going forward  
10 with the auction are willing to try to  
11 put that issue aside. We would like on  
12 the record to reserve our rights to  
13 revisit that issue at the sale hearing in  
14 the event that in the course of the  
15 auction today Umicore ends up as the  
16 second or unsuccessful bidder.

17 In other words we would like the  
18 right at the hearing to discuss with the  
19 Bankruptcy Court the reasons why we had  
20 the toggle mechanism in there, and to  
21 reinsert it in our bid if the court will  
22 allow us to.

23 However for purposes of the  
24 auction and going forward we will drop  
25 the toggle and we will amend our

1 Auction Proceedings  
2 subsequent bid to have all of the  
3 features that I outlined earlier this  
4 afternoon, with the exception that we  
5 will remove the toggle price mechanism so  
6 that our purchase price, cash purchase  
7 price or bid value if you will, Mr.  
8 Lyons, in the context of our subsequent  
9 bid is 65 million.

10 I would ask Mr. Lyons permission  
11 just to make sure that no one else on the  
12 Umicore side has any interest in  
13 supplementing my remarks.

14 Then we are done.

15 MR. LYONS: We would like to take  
16 a brief recess.

17 (Recess taken.)

18 MR. LYONS: We are back on the  
19 record.

20 I believe that Umicore's  
21 representative would like to make a  
22 further statement.

23 MR. KEMP: During the adjournment  
24 it was brought to our attention by Mr.  
25 Lyons that we needed to clarify our prior

1 Auction Proceedings  
2 statement, and I would like to make it  
3 clear that our \$65 million subsequent  
4 bid, while we reserve our rights as we  
5 discussed, it does not include the toggle  
6 mechanism. We have waived and we are  
7 removing the toggle mechanism.

8 MR. LYONS: Thank you.

9 On behalf of Delphi, Delphi  
10 contests the facts and arguments that  
11 Umicore has made on the record. However  
12 in the interest of moving this auction  
13 forward we are going to just reserve our  
14 rights. I spoke with counsel for Umicore  
15 about this, we are not going to make a  
16 specific denial of each and every  
17 statement. We are going to have a  
18 general reservation of all arguments,  
19 defenses, claims, objections or anything  
20 else under the sun in response to the  
21 statement.

22 Also I would like to clarify with  
23 Umicore that by proceeding forward with  
24 the auction Delphi and its constituencies  
25 and frankly any other party in interest

1 Auction Proceedings  
2 has not waived any such defenses, claims,  
3 arguments and the like.

4 MR. KEMP: We confirm.

5 MR. LYONS: Is that acceptable to  
6 CSI?

7 MR. ZAGORE: That is acceptable.

8 MR. LYONS: Okay, now to clarify  
9 the terms of the last offer, I believe  
10 they are on the record, I believe we  
11 understand them. And with that having  
12 been said, Delphi believes the bid on the  
13 table, the revised subsequent bid by  
14 Umicore is a higher bid.

15 Now I would like to invite CSI to  
16 respond.

17 MR. ZAGORE: In connection with  
18 our subsequent bid and prior to making  
19 the bid CSI does object to the statements  
20 made by counsel to Umicore. The  
21 statements mischaracterize the CSI bid as  
22 being subject to financing conditions.

23 It is not subject to financing  
24 conditions. In our view there were no  
25 waived bid procedures, and the material

TSG Reporting - Worldwide 877-702-9580

1 Auction Proceedings  
2 adverse change provisions of our bid ran  
3 off the six plus six analysis, not off of  
4 the earlier January projections that were  
5 referenced.

6 That being said, we are making our  
7 bid in the understanding that the \$65  
8 million was a \$65 million bid value bid  
9 in accordance with the bid valuation  
10 sheet which was distributed earlier.

11 MR. LYONS: That certainly is the  
12 debtor's understanding. Is that  
13 Umicore's understanding as well?

14 MR. KEMP: Exhibit 7.

15 MR. LYONS: Exhibit 7.

16 Would CSI like to submit a  
17 subsequent bid?

18 MR. CALL: CSI's bid is \$65.5  
19 million bid value.

20 MR. LYONS: Delphi believes that  
21 is a higher bid. We would like to turn  
22 the floor back to Umicore to invite a  
23 subsequent bid.

24 MR. KEMP: Umicore increases its  
25 bid to 70 million.

TSG Reporting - Worldwide 877-702-9580

1 Auction Proceedings

2 MR. LYONS: Delphi believes that  
3 to be a higher bid in conformity with the  
4 bid procedures. Would CSI like to  
5 respond?

6 MR. ZAGORE: Can we recess for a  
7 minute.

8 MR. LYONS: Brief recess.

9 (Recess taken.)

10 MR. LYONS: Back on the record.  
11 CSI.

12 MR. CALL: CSI increases its bid  
13 value to 70.5.

14 MR. LYONS: Delphi believes CSI's  
15 70.5 bid is a higher bid. Would Umicore  
16 like to respond?

17 MR. KEMP: Umicore will increase  
18 its bid to 75 million.

19 MR. LYONS: Delphi believes  
20 Umicore's bid of \$75 million is a higher  
21 bidder. Would CSI like to respond?

22 MR. CALL: No. That was our final  
23 bid.

24 MR. LYONS: Okay. Pursuant to the  
25 bidding procedures Delphi will adjourn --

TSG Reporting - Worldwide 877-702-9580

1 Auction Proceedings

2 will not adjourn the hearing, we will  
3 take a recess to consider which bid will  
4 be designated as the successful bid and  
5 which bid will be designated the  
6 alternate bid.

7 (Recess taken.)

8 MR. LYONS: Back on the record.

9 Pursuant to the bidding procedures  
10 Delphi during the recess did deliberate  
11 to determine of the two bids, the one \$75  
12 million bid proposed by Umicore, and the  
13 \$70.5 million bid proposed by CSI, as to  
14 which bid would be designated the  
15 successful bid and which bid would be  
16 designated the alternate bid.

17 After considering a number of  
18 considerations, other considerations,  
19 including the bid value as discussed  
20 during the auction, the closing risks,  
21 execution risks and other factors, and  
22 after consulting with our various estate  
23 constituents, and also pending  
24 confirmation from Umicore of the  
25 following, and I will ask for the

TSG Reporting - Worldwide 877-702-9580

1 Auction Proceedings  
2 confirmation right now:  
3 Umicore, please confirm that all  
4 competition approvals have been obtained?  
5 MR. KEMP: Yes, that is correct.  
6 MR. LYONS: Umicore has obtained  
7 board approval?  
8 MR. KEMP: Yes.  
9 MR. LYONS: Does Umicore agree to  
10 waive any litigation or claims regarding  
11 the sale process and the matters  
12 discussed on the record here today at the  
13 hearing.  
14 MR. KEMP: Yes, only as to the  
15 debtor's estate.  
16 MR. LYONS: The debtors and their  
17 estates.  
18 MR. KEMP: Yes.  
19 MR. LYONS: Finally does Umicore  
20 confirm that the calculation of the  
21 higher bid regarding the reimbursement  
22 of -- I am sorry, the deduction of the  
23 purchase price for employees ultimately  
24 hired in Flynt, Troy and Tulsa as  
25 described in your bid shall be consistent

3 notes and methodology contained in the  
4 bid sheet which is reflected at Exhibit  
5 7, applied in a reasonable manner and not  
6 to exceed the numbers contained in the  
7 examples in the notes to Exhibit 7?  
8 MR. KEMP: Yes, that is correct.  
9 MR. LYONS: Based upon those  
10 confirmations the debtors designate  
11 Umicore's bid as the successful bid, and  
12 designate CSI's bid as the alternate bid  
13 pursuant to the procedures.  
14 Does anyone have anything further  
15 to say?  
16 MR. KEMP: No.  
17 MR. ZAGORE: No.  
18 MR. LYONS: Thank you for your  
19 participation and we look forward to  
20 having this approved at the sale hearing.  
21 This concludes the auction.

Schedules 5.1.11 and 5.1.14.A expressly denotes which of the Listed Contracts and Permits are not capable of being assigned to Purchasers at the Closing, but that would otherwise be considered Acquired Assets provided that noting that a consent is required to effect the transfer of Contract or Permit does not, by itself, place such Contract or Permit within this sentence.

**1.6.2. Efforts to Obtain Consents and Waivers.** At Purchaser's request, Sellers shall, at their expense, use commercially reasonable efforts, and Purchasers shall, at their expense, cooperate with Sellers, to obtain the consents and waivers and to resolve the impracticalities of assignment referred to in Section 1.6.1 after the Closing.

**1.6.4. **1.7. Certain Assigned Contracts.** With respect to those Contracts for goods or services included in the Acquired Assets and used by both the Business and the other operations of Delphi or its affiliates that are set forth on Schedule 1.7 and will be transferred to Purchasers at Closing, Purchasers shall provide Sellers with the benefits of such Contracts in substantially the manner described in Section 1.6.3 above, and Sellers shall reimburse Purchasers for such benefits in substantially the manner described in Section 1.6.4 above, until the earlier of such time as separate contracts for such goods or services have been agreed between the applicable Seller and the other party to such contracts or the termination of such Contract.

**2.1.2.** Accounts Payable (other than Excluded Trade Payables) that have been incurred in the Ordinary Course of Business, including Trade Payables to any Seller or Seller Affiliate that are not Excluded Trade Payables.

**2.1.3.** Claims and other obligations relating to Purchasers' ownership, operation or use of the Acquired Assets after the Closing.

**2.1.4.** Obligations which Purchasers are required to assume by operation of Law as a result of the Sale or by virtue of Purchasers' acquisition of the Sale Securities, under Benefit Plans covering current or former employees of the Sale Company and the Foreign Operations in Florange, France (i.e., other than the Assumed PTO Obligations described in Section 2.1.5, the Purchasers are assuming no such Liabilities or obligations in respect of Benefit Plans relating to the U.S. Operations or the Foreign Operations outside of the Sale Company and Florange, France), together with obligations with respect to Purchasers' employment after the Closing of the Hired Current Employees, all as described in Article 3 of this Agreement.

**2.1.7.** Liabilities and obligations arising out of, resulting from, or relating to Products manufactured subsequent to the Closing, including all Product warranty, Product returns, Product Liability and Product recall Liability (recognizing that Sellers are assigning to Purchasers their rights against third party manufacturers in respect of Products manufactured subsequent to the Closing in accordance with the provisions of Section 1.3.1); provided, however, that subject to the understanding that such matters are not a Retained Liability, Purchasers' assumption of any such Product-related warranty or Liability shall be limited to the extent that it was warranted directly to a customer of the Business, that such Product met the specific specifications and test conditions mandated by such customer and, on no account shall Purchasers assume or be liable for any Product warranty, Product return, Product Liability or Product recall Liability under any Product warranty extended by a Seller or any other Delphi Affiliate to an OEM, Tier 1 supplier or other customer which covers any performance- or durability-related features of any exhaust systems-level, canning or other non-catalyst products, whether arising before, on or after the Closing Date.

**2.1.8.** Any and all Environmental Claims or Liabilities as allocated in accordance with the principles set forth in Section 12.6 of this Agreement; provided, however, that Permit Transfer Liabilities are not an Assumed Liability hereunder.

**2.1.10.** Subject to Sellers' retention of Liabilities related to Benefit Plans covering current and former employees of the U.S. Operations and non-U.S. Benefit Plans which Purchasers are not required to assume by operation of Law or by virtue of Purchasers' acquisition of the Sale Securities, all severance obligations owed or owing to any Hired Current Employees or which become due and payable to Hired Current Employees, in each case after the Closing Date, in respect of employment following the Closing Date, which results from any post-Closing transfer, attempted transfer, other condition of, or termination of employment of one or more Hired Current Employees by a Purchaser ("**Post-Closing Severance Obligations**").

**2.2. No Expansion of Third Party Rights.** The assumption by Purchasers of the Assumed Liabilities shall in no way expand the rights or remedies of any third party against any Purchaser or Seller as compared to the rights and remedies which such third party would have had against the applicable Seller absent the Bankruptcy Cases, had Purchasers not assumed such Assumed Liabilities. Without limiting the generality of the preceding sentence, the assumption by Purchasers of the Assumed Liabilities shall not create any third party beneficiary rights other than with respect to the Person that is the obligee of such Assumed Liability.

**2.3. Retained Liabilities.** Notwithstanding anything in this Agreement to the contrary, other than the Assumed Liabilities, Purchasers shall not assume or be deemed to have assumed, and shall have no Liability or obligation with respect to, any other Liabilities and obligations of any Seller or the Business and the appropriate Seller shall continue to be responsible for such Liabilities and obligations (collectively, "**Retained Liabilities**"). Without limiting the generality of the foregoing, the Sellers expressly acknowledge and agree that, other than the Assumed Liabilities, the appropriate Seller shall retain, and the Purchasers shall not assume or otherwise be obligated to pay, perform, defend or discharge any: (i) Liabilities (including Liabilities relating to social security (or similar) disability, or unemployment taxes) in respect of employment or services performed by any employee of the Business or any Seller or Affiliate on or prior to the Closing Date, including Retired Employees, other than any Post-Closing Severance Obligations in accordance with Section 2.1.10 or as otherwise set forth in Article 3; (ii) Product warranty, Product return, Product Liability and Product recall Liability claims relating to Products manufactured prior to the Closing Date; (iii) Liabilities in the nature of general and automobile Liability arising prior to Closing; (iv) litigation for which a claim has been made to Sellers on or before the Closing Date or to the extent it relates to an act or omission by any Seller or Affiliate prior to such date; (v) consistent with Article 10, Tax Liabilities for periods or portions of periods ending on or before the Closing Date; (vi) Liability of the Sellers to any person or entity (including Retired Employees) in connection with any Benefit Plan covering current and former employees of the U.S. Operations and non-U.S. Benefit Plans which Purchasers are not required to assume by operation of Law or by virtue of Purchasers' acquisition of the Sale Securities, including any Liability of Delphi or any other Seller under ERISA, whether directly or as an ERISA Affiliate; (vii) to the extent not captured by the preceding clause (vi), Liability for any PTO Obligations pertaining to Current Employees (other than Hired Current Employees) or former employees of the U.S. Operations, or for any severance or stay/retention bonuses which Liabilities are for the account of the Sellers as provided in Section 3.10 below; (viii) Liability of the Sellers to any person or entity (including Retired Employees) in connection with any Benefit Plan covering the current or former employees of the Foreign Operations insofar as the Australian, Chinese, Mexican, Indian, non-U.S. Sales Offices or Luxembourg operations of the Business are concerned; (ix) any and all Environmental Claims or Liabilities as allocated in accordance with the principles set forth in Section 12.6 of this Agreement, and any and all Claims: (a) arising prior the Closing Date under health and safety Laws (such as the Occupational Safety and Health Act) applicable to employers; and (b) for "toxic tort" for exposure of any person or property to Hazardous Materials under a Law or common law to the extent the exposure giving rise to the "toxic tort" Claim occurred prior to the Closing Date; (x) any Liability or obligation of any Seller relating to any default under any of the Contracts included in the Acquired Assets or under any of the Assumed Liabilities, to the extent such default takes place or pertains to acts or omissions of any Seller or Affiliate during the period prior to the Closing Date, including any Cure Amounts related to any Assumed U.S. Contract; (xi) any Liability or obligation of any Seller for administrative fees and expenses, including "allowed administrative expenses" under Section 503(b) of the Bankruptcy Code; (xii) any Liability or obligation of any Seller for transaction fees and expenses and fees and expenses payable to lenders, brokers, financial advisors, legal counsel, accountants and other professionals in connection with this Agreement, the Ancillary Agreements and the transactions contemplated hereby and thereby; (xiii) any Liabilities owed to a Seller or any of its Affiliates by any Asset Seller or Sales Company which arose before the Closing Date (other than Included Trade Payables); (xiv) all Debt owed by a Seller or a Sale Company or any of their respective Affiliates; and

(xv) Excluded Trade Payables; (xvi) all Collective Bargaining Agreements (including the Existing Tulsa Collective Bargaining Agreement) and obligations thereunder except: (A) as required to be assumed by Purchasers by applicable Laws; and (B) to which the Sale Company is a party. Sellers further agree to satisfy and discharge as the same shall become due all obligations and Liabilities of the Sellers (including the Retained Liabilities) not specifically assumed by Purchasers hereunder.

### **3. ACQUIRED ASSETS - PERSONNEL MATTERS - TRANSFERRED EMPLOYEES:**

**3.1. Current Employees.** Schedule 5.1.19.A lists all Current Employees. With respect to each Current Employee, Schedule 5.1.19.A lists: (i) each such person's title or job/position; (ii) each such person's job designation (i.e., salaried or hourly); (iii) each such person's location of employment; (iv) each such person's employment status (i.e., actively employed or not actively at work (due to, e.g., illness, short-term disability, sick leave, authorized leave of absence, etc.)); (v) each such person's annual base rate of compensation; and, if applicable, any bonus; (vi) any material, individual specific provisions relating to such person's employment (e.g., non-compete agreement, employment agreements, deferred compensation agreement, golden parachute, etc.) to the extent permitted to be disclosed under applicable Law (including local privacy laws); (vii) with respect to hourly employees, an indication of such employee's union or non-union status, and an identification of any relevant union; (viii) a description of the Benefit Plans in which each such employee participates providing the legal name of such plan, such employee's date of birth and date of hire; and (ix) with respect to those current and deferred beneficiaries of Benefit Plans which will be assumed by Purchasers by operation of law or as a result of acquisition of the Sale Company, a description of the benefit entitlement of each such beneficiary and whether such beneficiary is a current or deferred beneficiary and, if deferred, the date on which such benefit will become due; provided, however, that in respect of the information referred to in clause (vi), if such information is not on Schedule 5.1.19.A, Sellers may provide such information to Purchasers under separate cover. Purchaser will make offers of employment to all active hourly Current Employees of the Tulsa operations. From the date of this Agreement until five (5) days prior to Closing, Purchaser will provide Sellers with monthly updates as to status of Purchaser's discussions with U.S. salaried Current Employees. Not later than thirty-five (35) days prior to the Closing Date, Sellers will provide Purchasers with an updated Schedule 5.1.19.A, marked to show changes from the original list. With respect to those Current Employees of an Asset Seller (other than those who will automatically become Hired Current Employees by operation of Law or contract as a result of the Sale), no later than five (5) days prior to Closing, Purchasers will provide Sellers with a list of Current Employees to whom any Purchaser has made an offer of employment that has been accepted to be effective on the Closing Date. On the Closing Date, Schedule 5.1.19.A will be updated to include only Hired Current Employees.

### **3.2. Offer of Employment:**

**3.2.1.** Set forth on Schedule 3.2.1 is the agreement among the Parties with respect to certain matters relating to the Current Employees.

**3.2.2.** The following provisions of this Section 3.2.2 apply only to Current Employees of Shanghai, China and San Luis Potosi, Mexico locations, since Purchaser has agreed not to contact Seller's Current Employees in Australia with respect to offers of employment. During the term of the relevant Toll Manufacturing Agreement,

Purchasers and Sellers shall reasonably consult regarding, and Sellers shall provide reasonable access to, employees providing services under the relevant Toll Manufacturing Agreements each for the purpose of allowing Purchasers to evaluate such employees for potential employment with Purchasers. For a period of three (3) months following the Closing, or at any time with respect to the persons named on a list (following their being placed on such list) provided to the Sellers pursuant to the second sentence of this subsection, Sellers shall take no action, or fail to take any action, intended to cause any such employee to not accept employment with any Purchaser (or its Affiliates) including transferring or reassigning any such employee to, or offering any, alternative positions with the Seller or any of its Affiliates. In the event the Purchaser offers employment to any such employee and the employee accepts such employment, the applicable Purchaser and Seller shall reasonably cooperate to transfer the employment of such employee(s) to the Purchaser at the end of the relevant Toll Manufacturing Agreement.

**3.2.3.** Subject to applicable Laws and to the longer period with respect to certain Current Employees as set forth in Section 3.2.2 above, Sellers agree to provide, through the Closing Date, Purchasers with reasonable access to all Current Employees (and related personnel and medical records and facilities), including but not limited to facilitating interviews of, and offers of employment to, such employees. Sellers will release to, or obtain release of and deliver to Purchasers experience records from Sellers' insurer to allow Purchasers to pursue and seek bids for health and risk benefit plans.

**3.2.4.** Purchasers will set their own initial terms and conditions of employment for the Hired Current Employees and others it may hire, including work rules, benefits and salary and wage structure, all in accordance and consistent with such Purchaser's own policies and plans and as permitted by applicable Laws. Other than merit programs and annual wage increases in the Ordinary Course of Business and benefits set forth on Schedule 3.2.4, no Seller has made any announcement in the past twelve (12) months to any Current Employee regarding any continuation, introduction, increase or improvement of any Benefit Plan, and no Seller will make any such announcement prior to Closing without the prior written consent of Purchasers. Except as explicitly provided in this Agreement or by operation of Law, Purchasers will assume no Liabilities with respect to any Benefit Plan of any Seller. It is understood and agreed that: (i) Purchasers' intention to extend certain offers of employment as set forth in this Section 3.2 will not constitute a contract (express or implied) on the part of any Purchaser to any post-Closing employment relationship of any fixed term or duration or upon any terms or conditions other than those that a Purchaser may establish pursuant to individual offers of employment; and (ii) any employment offered by any Purchaser is "at will" and may be terminated by Purchaser or by an employee at any time for any reason (subject to any written commitments to the contrary made by a Purchaser or an employee and applicable Laws governing employment). Nothing in this Agreement will be deemed to prevent or restrict in any way the right of any Purchaser to terminate, reassign, promote or demote any of the Hired Current Employees after the Closing, or to change adversely or favorably the title, powers, duties, responsibilities, functions, locations, salaries, other compensation or terms or conditions of employment of such employees; provided, however, that Purchasers' may be subject to Post-Closing Severance Obligations pursuant to Section 2.1.10 above. Notwithstanding the foregoing, the Purchasers shall recognize the seniority status (*e.g.*, years of service) of all Hired Current Employees for all purposes of the employment of such Hired Current Employees with such Purchaser; provided, however, that Purchasers shall not be obligated to factor seniority status into any initial hiring decisions.

**3.3. Purchasers' U.S. Benefit Plans.** U.S. Hired Current Employees' and their eligible dependents and beneficiaries participation in and eligibility for benefits under Purchasers' Benefit Plans

will commence no later than two (2) months following the Closing Date. Purchasers will recognize each Hired Current Employees' pre-Closing service with Seller for eligibility and vesting purposes under Purchasers' Benefit Plans; provided, however, that such recognition will not cause a duplication of benefits being provided to the Hired Current Employees by Sellers and Purchasers.

**3.4. WARN Act.** In respect of the U.S. Operations, Sellers shall be responsible for and shall pay all Liabilities or obligations arising under the WARN Act, if any, arising out of or resulting from layoffs of Current Employees or any termination of their employment which occurs prior to or on the Closing Date. The applicable Purchasers shall be responsible for and shall pay all Liabilities or obligations arising under the WARN Act, if any, arising out of or resulting from layoffs of Hired Current Employees or any termination of their employment which occurs after the Closing Date.

**3.5. Sellers' U.S. Pension Plans.** Consistent with Sections 2.1.4 and 2.3(v), Sellers are retaining and Purchasers are not assuming any assets or Liabilities relating to Benefit Plans covering current or former employees of, or otherwise sponsored by, the U.S. Operations. Accordingly, all Hired Current Employees in the U.S. who are participants in the Benefit Plans that are pension plans as defined in ERISA Section 3(2) will be fully vested in their accounts under such Benefit Plans as of the Closing Date; provided, however, that the applicable Seller (or the applicable Benefit Plan) will retain sole Liability for the payment of such benefits as and when such Hired Current Employees become eligible for such benefits under such U.S. Benefit Plans, and Purchasers will assume no Liabilities with respect to such U.S. Benefit Plans.

**3.6. Non-U.S. Benefit Plans.** Consistent with Section 2.1.4, Sellers are not retaining and Purchasers are assuming Liabilities relating to Benefit Plans covering current or former employees of the Sale Company and the Foreign Operations in Florange, France which Purchasers are required to assume by operation of Law or by virtue of Securities Purchasers' acquisition of the Sale Securities. Accordingly, all Hired Current Employees who are participants in the non-U.S. Benefit Plans covering current or former employees of the Sale Company or of the Foreign Operations in Florange, France which are so assumed by Purchasers will retain their benefits under such Benefit Plans as of the Closing Date in accordance with applicable Laws, the applicable Purchaser (or the applicable non-U.S. Benefit Plan so assumed by Purchasers) will assume (or retain) sole Liability for further payment of such benefits as when such Hired Current Employees became eligible for such benefits under such non-U.S. Benefit Plans. Seller shall retain and Purchasers will assume no Liabilities with respect to any other non-U.S. Benefit Plans. Purchasers are not assuming any Liabilities or assets with respect to any non-U.S. Benefit Plans that the Purchasers are not required to assume by operation of Law or by virtue of the securities acquisition of the Sale Securities.

**3.7. Continuation of U.S. Health Plans by Sellers after the Closing.** Sellers shall maintain, keep in good standing (including make all required regulatory filings), and not terminate each of the Benefits Plans listed on Schedule 5.1.19.C (collectively, the "**Seller U.S. Health Plans**") until the earlier of: (i) the date that is two (2) months after the Closing Date; and (ii) written notification from Purchasers that a Purchaser has established health plans providing coverage for Hired Current Employees. During such two (2) month period, unless Sellers continue to provide coverage for all Hired Current Employees under the Seller U.S. Health Plans, Sellers shall make available to any such Hired Current Employees as are located in the U.S. continuation coverage under the Consolidated Omnibus Budget Reconciliation Act of 1986, as amended ("**COBRA**"), to such Hired Current Employees (the "**Covered Employees**") (and their "qualified beneficiaries," as such term is defined by COBRA) and to the "M&A qualified beneficiaries" (as such term is defined in Treasury Regulation § 54.4980B-9 Q&A-4(a)), all in accordance with the terms of the Transition Services Agreement. Except for reimbursing Seller's costs as set forth in the Transition Services Agreement, Purchasers shall not have any obligation to collect or pay to Sellers the COBRA premium payments of the Covered Employees (and their qualified beneficiaries) or the M&A qualified beneficiaries, or to make available COBRA continuation coverage to any covered Employee or M&A

qualified beneficiaries or any other current or former employee of Seller. Purchasers' reimbursement of Sellers for the costs associated with the foregoing shall be reimbursed by such Purchaser(s) in accordance with the terms of the Transition Services Agreement. Purchasers shall not have any responsibilities, obligations or Liabilities for the Seller U.S. Health Plans or to extend or administer COBRA continuation coverage to Covered Employees or to M&A qualified beneficiaries as a consequence of the sale of Purchased Assets described herein. Sellers shall retain all responsibility for and shall satisfy all Claims Incurred (as defined below) under the Seller U.S. Health Plans on or prior to Closing Date. For purposes of this Section 3.7, the term "**Claims Incurred**" means that the medical services giving rise to such medical plan claims have actually been performed. Sellers will not take any action without the prior written consent of Purchasers that would result in the termination of the Seller U.S. Health Plans or otherwise result in Sellers being unable to provide continuation coverage to the Covered Employees (and their qualified beneficiaries) and the M&A qualified beneficiaries in accordance with this Section 3.7.

**3.8. U.S. Benefit Plans For Retired Employees.** Except for benefits to Retired Employees under Benefit Plans required to be assumed by Purchasers by operation of Law or by virtue of Securities Purchaser's acquisition of the Sale Securities, Sellers will retain sole Liability for the continued payment of benefits for Retired Employees, and Purchasers will assume no Liabilities to provide any employee welfare benefits, or pay for any employee welfare benefit plans (or any other Benefit Plans) with respect to such Retired Employees.

**3.9. Collective Bargaining Agreements.** Schedule 5.1.19.D lists all material collective bargaining agreements with any labor union, Works Council or other representative of Current Employees (including material local agreements, amendments, supplements, letters and memoranda of understanding of any kind) (collectively, the "**Collective Bargaining Agreements**"). Except as required by applicable Laws, Purchasers are not obligated to assume any Collective Bargaining Agreements under this Agreement (including the Existing Tulsa Collective Bargaining Agreement). As and to the extent required by law, Purchasers will negotiate in good faith with the counterparties to the Collective Bargaining Agreements with respect to the status of all Hired Current Employees who were employed in accordance with a Collective Bargaining Agreement.

**3.10. Severance; Stay/Retention Bonuses.** Except in respect of Post-Closing Severance Obligations, Sellers retain all obligations and Liabilities relating to any claims for severance, termination (actual or constructive), change in control agreements, stay or retention bonuses or other payments or benefits of Current Employees deriving from Purchasers' purchase of the Business or the Purchased Assets. In the event that following the Closing any Seller is required to pay any stay or retention bonuses or make other payments or provide any benefits to any employees at one or more Carved-Out Locations to incentivize such employees to fulfill Seller's obligations under any Ancillary Agreement, such Seller shall bear the entire cost of any such payments, benefits or incentives, except as otherwise expressly agreed by Purchaser in connection with the Toll Manufacturing Agreement for the Shanghai, China Carved-Out Manufacturing Location.

**3.11. Cooperation.** Sellers and Purchasers will provide each other with such records and information as may be reasonably necessary, appropriate and permitted under applicable Law to carry out their obligations under this Article 3.

**3.12. No Third Party Rights.** No provision of this Agreement confers rights or remedies upon any person, including Current Employees, other than the Parties to this Agreement.

**3.13. PTO Obligations.** Subject to the related Purchase Price adjustment mechanism in Section 4.6.6, the Purchasers shall assume, and the Sellers shall have no obligation for, Assumed PTO Obligations

**3.14. Purchaser's will have responsibility for all Liabilities, for worker's compensation benefits related to injuries or illnesses to the extent incurred by U.S. Hired Current Employees following the Closing Date.

#### **4. PURCHASE PRICE:**

**4.1. Preliminary Purchase Price.** Subject to the terms and conditions of this Agreement, in consideration of the Sale, the aggregate purchase price for the Acquired Assets, Assumed Liabilities and Sale Securities shall be the amount of ~~Fifty~~Seventy-Five Million ~~Six Hundred Thousand~~ U.S. Dollars (U.S. ~~\$55,600,000.00~~75,000,000.00) ("**Preliminary Purchase Price**") subject to the escrow provisions set forth below in Sections 4.2 and 4.3 and to the adjustments which may occur by operation of the other provisions of this Section 4 below. The final aggregate, adjusted purchase price, as so determined, is referred to herein as the "**Purchase Price**".

**4.2. Deposit Amount.** Upon execution of this Agreement by the Parties and the issuance by the Bankruptcy Court of the Bidding Procedures Order, Purchaser will deliver to the Escrow Agent pursuant to the terms of the Deposit Escrow Agreement ONE MILLION U.S. Dollars (U.S. \$1,000,000) in immediately available funds (such amount, together with the interest accrued thereon prior to the Closing, the "**Deposit Amount**"), to be held by the Escrow Agent in an interest bearing account of the Escrow Agent to serve as an earnest money deposit under this Agreement, and to be released in accordance with the following procedures:

**4.2.1. Deposit Instructions.** The Escrow Agent shall deposit the Deposit Amount in an account of the Escrow Agent (and such amount shall be applied towards the payment of the Purchase Price);

**4.2.2. Violation of Agreement.** Upon any breach by a Purchaser of this Agreement which results in termination by Sellers of this Agreement pursuant to Section 9.1.3.B, the Escrow Agent shall deliver the Deposit Amount, in accordance with the terms of the Deposit Escrow Agreement, by wire transfer of immediately available funds, to an account designated by Delphi on behalf of the Sellers in the Deposit Escrow Agreement, to be retained by Sellers; and

**4.2.3. Other Reason.** Upon termination of this Agreement for any other reason, Delphi (on behalf of the Sellers) and Umicore (on behalf of the Purchasers) shall jointly instruct the Escrow Agent to deliver the Deposit Amount, by wire transfer of immediately available funds, to an account designated by Umicore on behalf of the Purchasers in the Deposit Escrow Agreement, to be retained by Purchasers.

**4.3. Escrow Amount.** At the Closing, and in accordance with the terms of a mutually acceptable escrow agreement (the "**Closing Escrow Agreement**"), Purchasers shall deliver to the Escrow Agent Seven Million U.S. Dollars (U.S. \$7,000,000) of the Purchase Price in immediately available funds (such amount, together with the interest accrued thereon prior to the Closing, the "**Escrow Amount**"), to be held by the Escrow Agent in an interest-bearing account of the Escrow Agent which shall serve as an escrow in case: (i) the Preliminary Purchase Price is reduced pursuant to adjustments following the Closing by the operation of Sections 4.6 and 4.7 below; or (ii) there are indemnification claims pursuant to Article

12 below, and which shall be released in accordance with the terms of the Closing Escrow Agreement, including:

A. Up to Five Million U.S. Dollars (U.S. \$5,000,000) shall be released following the conclusion of the post-Closing Purchase Price adjustment process established by the other provisions of this Article 4 below;

B. On each of the six (6) and twelve (12) month anniversaries of the Closing, U.S. \$750,000, net of any amounts to be held in reserve for pending indemnification claims as to which Sellers have received notice from Purchasers prior to such anniversary date, shall be released to Delphi on behalf of the Non-Filing Affiliates; and

C. On the eighteen (18) month anniversary of the Closing, all amounts remaining in escrow, net of any amounts held in reserve for pending indemnification Claims as to which Sellers have received notice from Purchasers prior to such anniversary date, shall be released to Delphi on behalf of the Non-Filing Affiliates.

In the event of a conflict between this Section 4.3 and the Closing Escrow Agreement, the terms of the Closing Escrow Agreement shall govern.

**4.4. Delivery of Purchase Price.** At Closing, and subject to the other terms and conditions of this Agreement: (i) Purchasers shall pay to Sellers an aggregate amount equal to the Preliminary Purchase Price as adjusted pursuant to Section 4.6 below, *less* the sum of: (a) the Deposit Amount; (b) the Escrow Amount; and (c) the amount of any Preliminary Purchase Price paid by the Purchaser of the Shanghai, China Acquired Assets to the Seller of the Shanghai, China Acquired Assets in local currency; and (ii) the Escrow Agent shall deliver the Deposit Amount, in accordance with the terms of the Deposit Escrow Agreement, by wire transfer in immediately available funds to Delphi on behalf of the Sellers to an account designated by Delphi.

**4.5. Pre-Closing Review of PGM Inventory Levels.** Not less than (6) Business Days prior to Closing, Sellers will produce and deliver to Purchasers a written statement, in form and substance reasonably satisfactory to the Purchasers (the "**Preliminary Closing PGM Inventory Statement**") summarizing the volumes by weight of the Owned PGMs (and also showing actual, verifiable cost for such Owned PGMs), Consigned PGMs and Restitution Commitments and PGM Leases and Borrowings, if any, as of end of the month preceding the expected Closing Date as updated to reflect any projections for the period until the anticipated Closing Date. The Preliminary Closing PGM Inventory Statement shall form the basis for the calculation of the Closing adjustments set forth in Sections 4.6.2 through 4.6.4 below.

**4.6. Adjustments to Purchase Price.** The Purchase Price shall be adjusted at Closing as set forth below in this Section 4.6. The Parties agree that any adjustments to the Purchase Price required pursuant to this Article 4 shall not be double counted in connection with any other adjustment to the Purchase Price under any other provisions of this Agreement.

**4.6.1. Net Working Capital.** Not less than six (6) Business Days prior to Closing, Sellers shall deliver to the Purchasers an estimate, calculated in accordance with the Net Working Capital Methodology and otherwise reasonably satisfactory to the Purchasers, of the Business' Net Working Capital as of the Closing (the "**Preliminary Closing Date Net Working Capital Calculation**") together with appropriate supporting documentation (e.g., a schedule of Trade Payables and Trade Receivables, etc.) necessary to support such calculation. At the Closing, if the Business' Net Working Capital as set forth in the Preliminary Closing Date Net Working Capital

Calculation is less than or greater than the Net Working Capital Target by more than U.S. \$500,000, then the Purchase Price shall be adjusted (on a dollar-for-dollar basis): (i) upward by the amount that the Business' Net Working Capital (calculated in accordance with the Net Working Capital Methodology) exceeds the Net Working Capital Target; or (ii) downward by the amount that the Business' Net Working Capital (calculated in accordance with the Net Working Capital Methodology) is less than the Net Working Capital Target. For purposes of clarification, and not limitation, the adjustment based on Net Working Capital set forth in this Section 4.6.1 is in addition to, without duplication of any of the elements of, the adjustment for changes in Owned PGMs set forth in Section 4.6.2.

**4.6.2. Adjustments for Changes in Owned PGMs:**

**4.6.2.1.** If and to the extent that the volume of Owned PGMs shown on the Preliminary Closing PGM Inventory Statement (the "**Preliminary Closing Owned PGMs**") fall short of the volume of the Owned PGM Volume Targets with respect to any particular PGM (with respect to such PGM, an "**Owned PGM Shortfall**"), the Preliminary Purchase Price shall be decreased by the dollar amount necessary for Purchasers to acquire sufficient volumes of such PGM to satisfy such Owned PGM Shortfall at market prices as of the Closing Date (calculated using the PGM Pricing Methodology as of the Closing Date).

**4.6.2.2.** If and to the extent the volume of the Preliminary Closing Owned PGMs exceeds the Owned PGM Volume Targets with respect to any particular PGM (with respect to such PGM, an "**Owned PGM Surplus**"), the Purchase Price shall be increased by the value of the Owned PGM Surplus (calculated using Delphi's actual cost verified by customer commitments for Owned PGM Surplus).

**4.6.2.3.** In the event of an Owned PGM Shortfall with respect to one or more PGMS as well as an Owned PGM Surplus with respect to one or more PGMs, the Purchase Price shall be adjusted, upward or downward by the net amount of such Owned PGM Surplus and Owned PGM Shortfall adjustments.

**4.6.2.4. (a)** Once the quantitative adjustments have been completed under Sections 4.6.2.1 through 4.6.2.3 above, then if and to the extent that the actual costs verified by customer commitments reflected on the Preliminary Closing PGM Inventory Statement with respect to any particular Owned PGM Target exceeds the PGM Target Value for such PGM, the Purchase Price shall be increased by the differential. If, on the other hand, the actual costs verified by customer commitments reflected in the Preliminary Closing PGM Inventory Statement in respect of any particular Owned PGM Target is less than the Owned PGM Target Value for such Owned PGM, the Purchase Price shall be reduced by the differential. Adjustments shall be made pursuant to this Section 4.6.2.4 only to the extent the actual costs verified by customer commitments referenced in the preceding two sentences can be reconciled to Contracts with customers of the Business.

**(b)** For any Owned PGM not covered by the proceeding paragraph, then if and to the extent that the verified actual costs reflected on the Preliminary Closing PGM Inventory Statement with respect to these Owned PGM exceeds the PGM Target Value for such Owned PGM, the Purchase Price shall be increased by the differential. If, on the other hand, the verified actual costs reflected in the Preliminary Closing PGM Inventory

Statement in respect to these Owned PGM is less than the Owned PGM Target Value for such Owned PGM, the Purchase Price shall be reduced by the differential.

The Parties agree that any adjustment to the Purchase Price required as a result of a change in volume of the Owned PGMs pursuant to the terms of this Section 4.6.2 shall not be double counted in connection with any adjustment to the Purchase Price under any other provision of this Agreement (e.g., under Section 4.6.1 in connection with Net Working Capital (calculated in accordance with the Net Working Capital Methodology) to the extent of any change in Inventory that resulted from a change in PGM Inventory).

Notwithstanding the foregoing, no adjustment shall be made to the Purchase Price pursuant to this Section 4.6.2 unless the adjustment (upwards or downwards) called for by this Section 4.6.2 is at least U.S. \$250,000 (and, if so, any adjustment shall be back to dollar one).

**4.6.3. Adjustment Related to Unfulfilled Restitution Commitments.** If and to the extent the calculation of the Business' Consigned PGMs and Restitution Commitments set forth on the Preliminary Closing PGM Inventory Statement (the "**Preliminary Restitution Commitments**") shows that as of the Closing Date there is a negative discrepancy between volumes of Consigned PGMs, on the one hand, and Restitution Commitments of the Business, on the other (e.g., the level of Consigned PGMs of the Business as of the Closing Date are insufficient to satisfy the outstanding Restitution Commitments as of such date), the Purchase Price shall be decreased by the amount necessary for Purchasers to acquire sufficient volumes of PGMs as needed to satisfy such uncovered Restitution Commitments at market prices as of the Closing Date (calculated using the PGM Pricing Methodology as of the Closing Date).

**4.6.4. Adjustments for PGM Leases or Borrowings.** If and to the extent that the PGM Leases or Borrowings calculation set forth on the Preliminary Closing PGM Inventory Statement indicates that the Business is subject to any PGM Leases or Borrowings as of the Closing Date, the PGM Leases or Borrowings shall be treated as Debt and the Purchase Price shall be reduced on a dollar-for-dollar basis by the amount of such PGM Leases or Borrowings at the Closing. For purposes of this Agreement: (i) the term "**PGM Leases or Borrowings**" means the total amount of all PGM Leases or Borrowings where a Seller has acted as lessee or borrower including any termination or similar type fees, costs and expenses, measured in U.S. Dollars (as opposed to weight); and (ii) the monetary amount of any PGM Lease or Borrowing shown on such statement shall be calculated using the PGM Pricing Methodology as of the Closing Date.

**4.6.5. Adjustments for Non-U.S. Pension and Benefit Liabilities.** Purchasers acknowledge and agree that, by operation of Law or by virtue of their acquisition of the Sale Securities, the Purchasers are required to assume certain Liabilities under certain non-U.S. Benefit Plans with the provisions of this Agreement (e.g., Sections 2.1.4 and 3.6). Notwithstanding such assumption of those Liabilities, however, it is agreed that the Purchase Price shall be adjusted downward at the Closing to reflect such assumption of Liabilities in accordance with the provisions of this Section 4.6.5. However, since the exact amount of such non-U.S. pension and benefit Liabilities has not yet been determined, the mechanism set forth on Schedule 4.6.5 is designed to allow the Parties to reach such an agreement and settle on an appropriate Purchase Price adjustment with respect to such matters.

**4.6.6. Adjustments for Assumed PTO Obligations.** No later than six (6) Business Days prior to the anticipated Closing, the Sellers shall deliver a calculation of the Assumed PTO Obligations calculated in accordance with the Assumed PTO Obligation Calculation Methodology

set forth in Schedule 4.6.6. The Purchase Price shall be adjusted downwards by an amount equal to the Assumed PTO Obligations.

**4.6.7. Adjustments for Sale Company.** The Purchase Price shall be adjusted upward or downward, as appropriate, at the Closing by an amount equal to the Sale Company Retained Liability Amount minus the amount of the Sale Company's cash and cash equivalents as of the Closing. For purposes of clarification, if the foregoing calculation results in a: (i) negative number, then the adjustment will be upwards (e.g., if the Sale Company's cash and cash equivalents exceed the Sale Company Retained Liability Amount); and (ii) positive number, then the adjustment will be downwards (e.g., if the Sale Company Retained Liability Amount exceeds the Sales Company's cash and cash equivalents). For purposes of this Agreement, the "**Sale Company Retained Liability Amount**" means that amount, which the parties agree in good faith approximates the dollar value of all Liabilities of the Sale Company that would be "Retained Liabilities" under this Agreement if the sale of the Sale Company was structured as an asset sale rather than a sale of the Sale Securities. The parties shall work together to agree upon the Sale Company Retained Liability Amount (including any portion of the Sale Company Retained Liability Amount attributable to Taxes that are accrued on the balance sheet of the Company but not yet due and payable net of any current Value Added Tax assets which amount shall be specified in the agreement between the parties with respect to the Sale Company Retained Liability Amount (the "**Sale Company Current Tax Amount**")) no later than six (6) Business Days prior to the anticipated Closing Date. Notwithstanding the foregoing, in no event shall the Sale Company Retained Liability Amount include any amounts that were the subject of an adjustment pursuant to Section 4.6.5. In addition, the amount of any deferred tax liabilities included in the Sale Company Retained Liability Amount shall be offset by the amount of any deferred tax assets of the Sale Company. For purposes of clarification, and not limitation, the Sellers make no representation or warranty regarding the size of the deferred tax asset of the Sale Company as of December 31, 2006.

**4.6.8. Capital Leases.** The Purchase Price shall be adjusted downward (other than for Capital Leases in which a Seller is the lessor) on a dollar-for-dollar by the total amount of the Liability under any Capital Leases assumed by the Purchasers as of the Closing.

**4.6.9. Adjustment for U.S. Employee-Related Credit.** No later than two (2) Business Days prior to Closing, the Parties will agree as to the estimated amount of a downward reduction in the Preliminary Purchase Price ("**U.S. Employee-Related Credit**"), calculated pursuant to Schedule 4.6.9 of this Agreement and using the list of salaried Current Employees of the U.S. Operations to whom Purchaser has made offers of employment that have been accepted to be effective on the Closing Date (to be provided to Sellers by Purchaser under Section 3.1 of this Agreement) or that are otherwise reasonably expected to become a Hired Current Employee; subject to reasonable confirmation by Sellers following Closing that each such employee has become a Hired Current Employee. The Purchase Price shall be adjusted downward at the Closing in the aggregate amount of the estimated U.S. Employee-Related Credit. Following Closing, Purchaser will provide Seller with reasonable evidence confirming that each employee upon whose hiring the U.S. Employee-Related Credit was based became a Hired Current Employee. The Closing Date Statement delivered pursuant to Section 4.7.1.2 shall include a calculation of the actual U.S. Employee-Related Credit and such calculation shall be included for all purposes in determining the adjustment, if any, that should be made to the Purchase Price (as adjusted at Closing) as a result of the Closing Date Statement. Any credit calculated under this Section 4.6.9 shall be allocated directly to a reduction in the purchase price allocated to the Filing Affiliates (other than DASHI) for purposes of Section 4.8 and Schedule 4.8.1.

**4.7. Post-Closing Purchase Price Adjustments.** The Purchase Price shall be adjusted following the Closing pursuant to, and in accordance with, the procedures set forth in this Section 4.7.

**4.7.1. General:**

**4.7.1.1.** Immediately following the Closing, Sellers and Purchasers will cooperate to conduct a joint physical inventory of the PGM Inventory (including substrates) and the volumes by weight of Owned PGMs, Consigned PGMs, Restitution Commitments and PGM Leases or Borrowings (the "**Closing PGM Inventory**") as of the Closing Date. Based on such physical review, the Sellers and Purchasers shall produce a report summarizing the results of such physical PGM Inventory with the details of the volumes by weight of the Owned PGMs, Consigned PGMs and Restitution Commitments and PGM Leases and Borrowings, if any, as of the Closing PGM Inventory date (the "**PGM Physical Inventory Report**"). Such physical inventory shall be conducted, and such PGM Physical Inventory Report shall be prepared, using the same procedures and appropriate methodologies as shown on Schedule 4.7.1.1 (including with respect to the timing set forth therein) provided that the Parties agree Schedule 4.7.1.1 is substantially complete but remains subject to further discussion and mutual refinement by the Parties. The Sellers and Purchasers shall mutually cooperate pre-Closing to prepare for the immediate post-Closing inventory. The PGM Physical Inventory Report shall form the basis for the calculation of the post-Closing adjustments 4.7.1.2 below. For clarity, it is understood that in respect of any physical inventory of the PGM Inventory called for by the terms of this Article 4 it shall not include a physical inventory of non-PGM Inventory (other than substrates) (e.g., fuel, spare parts, other consumables)

**4.7.1.2.** Promptly after the Closing Date (but in any event no later than ninety (90) days after the Closing Date) Purchasers will prepare and deliver to Sellers a draft written statement as of the Closing Date for the Business on a combined, stand-alone basis showing the: (v) levels of Net Working Capital calculated in accordance with the Net Working Capital Methodology; (w) in respect of the PGM Inventory, of Owned PGMs (including Owned PGM Volume Targets and actual costs verified by customer commitments for all Owned PGMs), Consigned PGMs, Restitution Commitments and PGM Leases or Borrowings of the Business as of the Closing Date; (x) the actual Assumed PTO Obligations; (y) the Sale Company Retained Liability Amount as of the Closing Date; and (z) the total amount of the Liabilities assumed by Purchasers under the Capital Leases as of the Closing Date (the "**Closing Date Statement**") and the adjustment, if any, that should be made to the Purchase Price (as adjusted at the Closing) as a result of the Closing Date Statement. Such statement shall be prepared on a consistent basis with Schedules 4.6.1, 4.6.6 and 4.7.1.1. The Closing Date Statement shall be audited/reviewed as appropriate by the Auditor of the Closing Date Statement pursuant to a scope of limited audit or review and fee estimate which shall be mutually agreeable to the Parties prior to the commencement of such audit/review. The Parties shall cooperate in requesting that the Auditor of the Closing Date Statement complete such audit as soon as practicable following receipt of Closing Date Statement with a target completion date of not more than forty-five (45) days thereafter. The expense of this audit/review shall be shared equally by the Parties. It is the intent of the Parties under this Section 4.7 that based on the information contained in the Closing Date Statement, the Parties shall derive the final Closing Date figures for Net Working Capital (calculated in accordance with the Net Working Capital Methodology), Assumed PTO Obligations and the volume of Owned PGMs (and the actual costs verified by customer commitments), Consigned PGMs,

Restitution Commitments and PGM Leases and Borrowing, which figures and volumes may trigger post-Closing adjustments to the Purchase Price under the terms of Section 4.8 below. The Purchasers shall grant Sellers and the auditors of the aforementioned items all necessary assistance and access to all relevant documents and Persons in order to audit and review the preparation of the Closing Date Statement.

**4.7.2. Objections by Sellers; Consequence of No Objections.** Within fifteen (15) days after receipt of the Closing Date Statement Sellers may notify Purchasers of an objection. Any objection by Sellers shall only be deemed effective if and to the extent that the objection specifies the item against which the objection is raised. If Sellers do not object within such fifteen (15) day period, the Closing Date Statement shall be deemed to be final and binding as against the Parties and accordingly shall constitute the "**Final Closing Date Statement**" for purposes of the post-Closing adjustments to be made to the Purchase Price under this Section 4.7.

**4.7.3. Negotiated Settlement of Objections.** If Sellers do object, Purchasers and Sellers shall meet or otherwise attempt in good faith to agree on the Closing Date Statement. If the Parties do so agree, then the Closing Date Statement shall be deemed final and binding on the parties and accordingly shall constitute the "**Final Closing Date Statement**" for purposes of the post-Closing adjustments to be made to the Purchase Price under the terms of this Sections 4.7.

**4.7.4. Arbitrated Settlement of Objections.** If Sellers and Purchasers cannot agree on the Closing Date Statement within fifteen (15) days after Sellers have objected against items therein, the points in dispute shall be referred to an independent auditor to be mutually agreed by the Parties prior to the Closing Date to act as an independent arbitrator (the "**Arbitrator**"). The Arbitrator shall be a nationally or regionally recognized firm that is neither (i) then providing financial audit services to any Purchaser or Seller nor (ii) Deloitte and Touche. The Arbitrator shall give Sellers and Purchasers adequate opportunity to present their arguments in writing and at a hearing or hearings (as the Arbitrator may decide) to be held in the presence of the Parties and their advisers (such arguments to be presented, and such hearing or hearings to be held, within thirty (30) days of the Arbitrator's appointment).

If and to the extent that the Arbitrator determines that objections by Sellers that could not be resolved by agreement between Purchasers and Sellers are justified, the Arbitrator shall amend the Closing Date Statement to assure that the Closing Date Statement has been prepared in a manner consistent with the provisions of this Article 4; provided, however, that the Arbitrator shall be bound by those items upon which Sellers and Purchasers have agreed, and further provided that with respect to each particular item the Arbitrator shall not exceed the range of dispute between Sellers and Purchasers. The Arbitrator shall give a written decision addressing all such disputed issues. The Closing Date Statement reflecting any adjustments made as a result of the Arbitrator's decisions shall be deemed final and binding on the Parties and, accordingly, shall constitute the "**Final Closing Date Statement**" for purposes of the post-Closing adjustments to the Purchase Price to be made under the terms of this Section 4.7. **8.1.2.** Prior to the Closing, Sellers shall: (i) furnish Purchasers with such additional material, including financial and operating data and other information relating to the Business, as Purchasers may reasonably request from time to time including access to all Contracts (including Contracts with customers, suppliers and consultants) and any amendments, modifications or waivers with respect thereto (each a, "**Contract Modification**"); and (ii) upon the request of any Purchaser, cooperate with Purchasers (including by waiving any applicable confidentiality restrictions) to arrange meetings between Purchasers and customers or suppliers of any Seller in accordance with the Purchaser Confidentiality Agreement. **8.1.3.** Prior to the Closing and as soon as reasonably practicable, the Parties will finalize all steps needed to organize the transactions contemplated by this Agreement and facilitate the drafting and negotiation of all of the Ancillary Agreements which, by the terms of Section 7.2 above, are required to effect the Closing.

**8.1.5.** Within fifteen (15) Business Days following the last day of each calendar month prior to Closing, the Sellers shall provide in a form reasonably acceptable to the Purchaser: (i) a summary of the Sellers' Net Working Capital (calculated in accordance with the Net Working

~~8.1.6. If, prior to the Closing, the Sellers demonstrate the effectiveness of operational initiatives that have the effect of decreasing the volumes of PGM required to operate in the Ordinary Course of Business, then the Parties shall work together in good faith to determine appropriate adjustments to target levels. Any resulting change in the Owned PGM Volume Target shall be reflected in an amendment to the Agreement adopted pursuant to Section 13.7. Upon Umicore's execution and delivery of each counterpart signature page, each such Person shall be considered a "Seller" for all purposes under this Agreement effective as of the date hereof. Notwithstanding the foregoing, in the event that the Parties mutually agree that applicable Law or other considerations require an alternative approach to ensuring that the appropriate Delphi Affiliates are bound to the obligations set forth with respect to such Affiliates hereunder, the Parties shall work together in good faith to adopt an alternative approach to this Section 8.2 including through agreement on the terms of mutually satisfactory local transfer agreements.

### **8.3. Bankruptcy Actions:**

**8.3.2.** Delphi shall use commercially reasonable efforts to comply (or obtain an order from the Bankruptcy Court waiving compliance) with all requirements under the Bankruptcy Code and Bankruptcy Rules, as modified by order, if any, of the Bankruptcy Court, in connection with obtaining approval of the sale of the Purchased Assets under the Agreement, including serving on all required Persons in the Bankruptcy Cases, notice of the Sale Approval Motion, the Sale Hearing (as hereinafter defined) and all applicable objection deadlines in accordance with Rules 2002, 6004, 6006 and 9014 of the Bankruptcy Rules, the Bidding Procedures Order or other orders of the Bankruptcy Court, and any applicable local rules of the Bankruptcy Court.

**8.3.3.** With respect to any and all proceedings before the Bankruptcy Court, Sellers agree: (i) that they will take no action inconsistent with the terms of this Agreement; (ii) that they will take any actions and make any filings with the Bankruptcy Court necessary and prudent to ensure that the indemnification obligations of any Seller under this Agreement are fully funded and are not impacted or mitigated in any respect by the Bankruptcy Court; (iii) that such indemnification obligations survive in full any bankruptcy reorganization of any Seller; and (iv) that any Plan of Reorganization filed with or approved by the Bankruptcy Court with respect to any Seller will contain no provisions inconsistent with such Seller's obligations and duties under this Agreement.

**8.4. Registrations, Filings and Consents; Further Actions:**

Notwithstanding the foregoing, Purchasers and Sellers agree that neither of them will make any voluntary filing under applicable foreign Antitrust Laws unless advised by legal counsel in such jurisdiction that the failure to make a filing could result in a Material Adverse Effect or otherwise be in violation of applicable Law. Each Party hereto shall promptly inform the other of any oral communication from any Antitrust Authority or other Governmental Entity regarding any of the transactions contemplated by this Agreement and the Ancillary Agreements. If the Antitrust Authority in any such country: (i) determines that it will impose conditions to its approval of the transactions contemplated by this Agreement or does impose such; or (ii) determines that it will file a suit, action or other proceeding before a court or governmental agency seeking to restrain or prohibit, or to obtain damages or other relief in connection with, the consummation of the transactions contemplated by this Agreement or does file such, either Party shall have the right to terminate the transaction pursuant to Section 9.1.1.B (notwithstanding

Notwithstanding anything in this Agreement to the contrary, in no event shall Purchasers or Sellers be obligated to propose or agree to accept any undertaking or condition, to enter into any consent decree, to make any divestiture, to accept any operational restriction, or take any other action that, in the reasonable judgment of the Purchasers or Sellers, could be expected to: (1) limit the right of the Purchasers or Sellers to own or operate all or any portion of the Purchased Assets or of Purchasers to own or operate any portion of their existing businesses or assets; or (2) require Purchasers or Sellers to license any of the Intellectual Property rights or to modify any existing license or their Intellectual Property rights. With regard to any Antitrust Authority or Governmental Authority, no Seller shall, without Purchasers' prior written consent (not to be unreasonably withheld) propose, opine on the advisability of or commit to any divestiture transaction, or propose, opine on the advisability of or commit to alter any of their business or commercial practices in any way, or otherwise take or commit to any action that limits Purchasers' freedom of action with respect to, or Purchasers' ability to retain any of, the Purchased Assets or receive the full benefits of this Agreement.

**8.4.2.** Within three (3) Business Days after the entry of an unstayed Sale Approval Order upon the terms and subject to the conditions of this Agreement, each of the parties hereto shall use its reasonable best efforts to take, or cause to be taken, all appropriate actions, and to do, or cause to be done, all things necessary, proper or advisable under applicable laws and regulations to consummate and make effective the transactions contemplated by this Agreement and the Ancillary Agreements as promptly as practicable including using their reasonable best efforts to cause the satisfaction of all conditions to Closing. At all times prior to the Closing: (i) Delphi will notify Umicore in writing of any fact, condition, event or occurrence that is reasonably expected to result in the failure of any of the conditions contained in Article 6 to be satisfied, promptly upon becoming aware of the same; and (ii) Umicore will notify Delphi in writing of any fact, condition, event or occurrence that is reasonably expected to result in the failure of any of the conditions contained in Article 6 to be satisfied, promptly upon becoming aware of the same.

Notwithstanding the foregoing, in the event the Sellers are legally required to undertake any of the actions listed in this Section 8.5.2 in the course of the Bankruptcy Cases, the Sellers shall provide advance written notice to the Purchasers and such action by Sellers shall not constitute a breach of this Section 8.5.2.

**9.1.2.** By Purchasers (provided that no Purchaser is in material breach of any representation, warranty, covenant or other agreement contained herein):

**A.** At any time prior to Closing, if a Material Adverse Effect shall have occurred Purchaser may terminate if, in the good faith judgment of Purchaser, such Material Adverse Effect has not been cured and is not capable of being cured within forty-five (45) days of the date of the event giving rise to such Material Adverse Effect; or

**B.** If the Antitrust Authority in any country: (i) determines that it will impose conditions to its approval of the transactions contemplated by this Agreement or does impose such; or (ii) determines that it will file a suit, action or other proceeding before a court or Governmental Entity seeking to restrain or prohibit, or to obtain damages or other relief in connection with, the consummation of the transactions contemplated by this Agreement or does file such, within twenty (20) Business Days after becoming aware of such event so long as such event is continuing at the time of any such termination.

**C.** If (i) Sellers shall have breached or failed to perform in any significant respect any of the covenants or obligations applicable to Sellers under this Agreement and such breach or failure to perform cannot be cured within thirty (30) days from notice of such breach or failure to perform; or (ii) Sellers shall have breached in any significant respect any representation or warranty of Sellers contained in this Agreement and such breach cannot be cured within thirty (30) days from notice of such breach.

**9.1.3.** By Sellers:

**A.** If Sellers accept a Qualified Bid at the Auction other than that of Purchasers, provided that such termination shall be of no effect if Seller does not: (i) enter into an agreement with respect to such Qualified Bid within two (2) Business Days after termination hereunder; and (ii) subsequently complete the Sale to an Alternative Transaction within thirty (30) calendar days of such termination.

**B.** If (provided that no Seller is in material breach of any representation, warranty, covenant or other agreement contained herein): (i) Purchasers shall have breached or failed to perform in any significant respect any of the covenants or obligations applicable to Purchasers under this Agreement and such breach or failure to perform cannot be cured within thirty (30) days from notice of such breach or failure to perform; or (ii) Purchasers shall have breached in any significant respect any representation or warranty of Purchasers contained in this Agreement and such breach cannot be cured within thirty (30) days from notice of such breach.

**9.2. Notice of Termination.** In the event of any termination pursuant to this Article 9, written notice thereof setting forth the reasons therefor shall promptly be given to the other Party and the transactions contemplated by this Agreement shall be terminated, without further action by any Party.

**9.3. Break-Up Fee; Expense Reimbursement; Return of Deposit:**

**9.3.1. Break-Up Fee.** In the event that any Seller sells, transfers, leases or otherwise disposes, directly or indirectly, including through an asset sale, stock sale, merger or other similar transaction, all or substantially all or a material portion of the Business or the Acquired Assets in a transaction or a series of related transactions with one or more parties other than Purchaser in accordance with the Bidding Procedures (such event being an "**Alternative Transaction**"), Sellers shall, within two (2) Business Days after the consummation of the Alternative Transaction(s), pay to Umicore on behalf of the Purchasers an amount equal to Two Million U.S. Dollars (U.S. \$2,000,000) (the "**Break-Up Fee**"), unless the Agreement is then terminable under Section 9.1.1.B, 9.1.2.B or 9.1.3.B; in which case no Break-Up Fee shall be payable. Purchasers shall have a superpriority administrative expense claim pursuant to Section 507(b) of the Bankruptcy Code in the amount of the Break-Up Fee or Expense Reimbursement, as the case may be.

**9.3.2. Expense Reimbursement.** In the event this Agreement is terminated pursuant to Sections, 9.1.1.D, 9.1.1.E, 9.1.1.F, 9.1.2.A or 9.1.2.C or and provided that: (i) no Purchaser is then in material breach of this Agreement for which Sellers had previously notified Purchasers; (ii) in the case of Section 9.1.1.F, this Agreement is not then terminable under Section 9.1.1.B; and (iii) and, in the case of Section 9.1.1.E, the failure or occurrence of the event giving rise to any such termination results solely from the status of Sellers or any action or conduct of a Seller and not from the status of Purchasers or any action or conduct of Purchasers, then Sellers shall be obligated to pay Purchasers an amount equal to Purchasers' reasonable, actual out-of-pocket fees and expenses (including reasonable attorneys' fees, expenses of its financial advisors, and expenses of other consultants) incurred in connection with the transactions contemplated by this Agreement including, but not limited to, the conduct of pre-contract due diligence and the negotiation and drafting of this Agreement and the other documents contemplated herein (the "**Expense Reimbursement**") up to a maximum of One Million Seven Hundred and Fifty Thousand U.S. Dollars (U.S. \$1,750,000). Purchasers shall have a superpriority administrative expense claim pursuant to Section 507(b) of the Bankruptcy Code in the amount of the Break-Up Fee or Expense Reimbursement, as the case may be. Any Expense Reimbursement payable upon termination of this Agreement shall be immediately earned upon such termination and payable by Sellers to Purchasers promptly upon the delivery of an invoice related to such Expense Reimbursement to Sellers by Purchasers to be delivered to Sellers within thirty (30) days of termination of this Agreement; provided, however, that if Sellers believe, in good faith, that the amount of the Expense Reimbursement sought by Purchasers is not reasonable, then Sellers shall have the right, within thirty (30) days of receipt of Purchasers' invoice, to seek Bankruptcy Court review thereof prior to paying such amount.

**9.3.3. Payments.** Payments to Purchasers pursuant to this Section 9.3 shall be by wire transfer of immediately available funds in U.S. Dollars, to such account or accounts as Umicore shall designate in writing.

**9.3.4. Limitations.** Purchasers acknowledge and agree that, in the event that a Purchaser terminates this Agreement or a Seller terminates this Agreement and Purchasers become entitled to receive or receives any Expense Reimbursement, Purchasers shall not be entitled to receive nor shall they receive the Break-Up Fee or any portion thereof, and, conversely, that in the event that Purchasers become entitled to receive or receives any Break-Up Fee, they shall not be entitled to receive nor shall they receive the Expense Reimbursement or any portion thereof.

**9.3.5. Return of Deposit.** In the event this Agreement is terminated for any reason (including an Alternative Transaction) other than pursuant to 9.1.3.B, Escrow Agent shall, pursuant to the Deposit Escrow Agreement, within two (2) Business Days of such termination, pay to Umicore on behalf of the Purchasers the Deposit Amount.

**9.4. Procedure and Effect of Termination.** In the event of termination and abandonment of the transactions contemplated hereby pursuant to Section 9.1, written notice thereof shall forthwith be given to the other Parties to this Agreement, and this Agreement shall terminate (subject to the provisions of this Article 9) and the transactions contemplated by this Agreement shall be abandoned, without further action by any of the parties hereto. If this Agreement is terminated as provided herein no Party shall have any Liability or further obligation to any other Party resulting from such termination except for the provisions of: (i) Purchasers' obligations under the Purchaser Confidentiality Agreement; (ii) Article 9 (Termination); (iii) Sections 4.2 (Deposit Amount), 13.2 (Notice), 13.3 (Assignment), 13.4 (Entire Agreement), 13.5 (Waiver), 13.8 (Expenses), 13.12 (Governing Law), 13.13 (Public Announcements), 13.14 (Venue and Retention of Jurisdiction) and 13.17 (Dispute Resolution), all of which shall remain in full force and effect; and (iv) no party waives any claim or right against a breaching party in respect of any of its representations, warranties, covenants or agreements set forth in this Agreement occurring prior to such termination; provided, however, that in the event Purchasers are entitled to and do receive the Deposit Amount, the Break-Up Fee or Expense Reimbursement, as the case may be, the right of Purchasers to receive such amounts shall constitute Purchaser's sole remedy for (and such amounts shall constitute liquidated damages in respect of) any breach by any Seller of any of its representations, warranties, covenants or agreements set forth in this Agreement. In connection with any termination of this Agreement, all filings, applications and other submissions made pursuant to the transactions contemplated by this Agreement shall, to the extent practicable, be withdrawn from the agency or Person to which made.

**9.5. Conflicts.** To the extent there exists any conflict or ambiguity between Section 9.1.1.D, on the one hand, and Sections 11.10 and 11.11, on the other hand, in respect of Purchasers' right to terminate this Agreement, (a) Section 9.1.1.D shall control with respect to Purchasers' initial bid as represented by this Agreement, and (b) Sections 11.10 and 11.11 shall control with respect to any subsequent bid submitted by the Purchasers in connection with the Auction.

## **10. OTHER TAX MATTERS:**

**10.1. General.** Except as provided below with respect to the Sale Company, Sellers will be liable for and pay all Taxes imposed on the Business for all periods or portions of periods before and through the Closing Date (including all capital gain, income or similar Taxes (and specifically not including transfer Taxes) triggered by this Agreement and/or the consummation of the transactions contemplated by this Agreement), and Purchasers will be liable for and pay all transfer Taxes triggered by the consummation of the transactions contemplated by this Agreement and Taxes imposed on the Business for all periods or portions of periods after the Closing Date. For example, and not by way of limitation, the Purchaser agrees to reimburse the Seller for any tax professionelle, tax fonchière and other taxes that have been paid by the Sellers and relate to any taxable year or period after the Closing Date.

**10.2. Sale Company Taxes.** With respect to the Sale Company:

**10.2.1. Sellers' Liability.** Sellers will be liable for and pay all Taxes imposed on the Sale Company, or for which the Sale Company may be liable: (i) for any taxable year or period that ends on or before the Closing Date; and (ii) with respect to any period commencing before and ending after the Closing Date (a "**Straddle Period**"), the portion of such Straddle Period ending on and including the Closing Date net of the Sale Company Current Tax Amount (including any capital

gain, income or similar tax triggered by this Agreement and/or the consummation of the transactions contemplated by this Agreement, and any obligations to contribute to the payment of a Tax determined on a consolidated, combined or unitary basis with respect to any group of corporations that includes any Seller and any Taxes resulting from the Sale Company ceasing to be a member of such group). Notwithstanding the foregoing, in the event that the Taxes of the Sale Company for the Straddle Period are less than the Sale Company's Current Tax Amount, the Purchasers shall refund such positive differential to the Sellers subject to offset for any other amount owed by Sellers pursuant to this Article 10. For avoidance of doubt, Sellers will receive the benefit of the utilization of any tax loss carryover existing at December 31, 2006 during the portion of the Straddle Period ending on and including the Closing Date for purposes of determining the Sale Company Current Tax Amount. For purposes of clarification and not limitation, Sellers are responsible for all Straddle Period Taxes that exceed the Sale Company Current Tax Amount.

**10.2.2. Purchasers' Liability.** Purchasers will be liable for and pay all Taxes imposed on the Sale Company for any taxable year or period that begins after the Closing Date and, with respect to any Straddle Period, the portion of such Straddle Period beginning after the Closing Date provided, however, that Purchasers will not be liable for or pay, and will not indemnify Sellers against, any Taxes for which Sellers are liable under this Agreement.

**10.2.3. Straddle Period Allocations.** For purposes of this Section 10.2, Taxes for a Straddle Period will be allocated between the portion of the Straddle Period that ends at the end of the Closing Date and the remaining portion of the Straddle Period in the following manner:

**A.** Any Tax based upon or related to income, revenue, receipts or wage and salary payments will be allocated based on a "closing of the books" as of the end of the Closing Date.

**B.** Real and personal property Taxes with respect to any assets of the Sale Company will be prorated based on the ratio of the number of days in the portion of the Straddle Period ending on the Closing Date to the total number of days in the Straddle Period. Sales and use taxes will be deemed to accrue as property is purchased, sold, used, or transferred. All other taxes (other than those specified in this Section 10.2.3) will accrue in accordance with local generally accepted accounting principles.

**10.2.4. Tax Sharing Agreements.** All tax sharing agreements or similar agreements with respect to or involving the Sale Company will be terminated as of the Closing Date and, after the Closing Date, the Sale Company will not be bound thereby or have any Liability thereunder.

**10.2.5. Refunds and Tax Benefits.** Any Tax refunds with respect to the Sale Company that are received by Purchasers or the Sale Company, and any amounts credited against Tax of the Sale Company to which Purchasers or the Sale Company becomes entitled, that relate to Taxable Periods or portions thereof ending on or before the Closing Date will be for the account of Sellers, and Purchasers will pay over to Sellers any such refund or the amount of any such credit (to the extent such refund or credit is within the control of the Purchasers or any Subsidiary) within sixty (60) days after receipt or entitlement thereto.

**10.3. Tax Returns:**

**10.3.1. Taxable Periods Ending on or Before the Closing Date:**

A. Sellers will prepare or cause to be prepared and file or cause to be filed all Tax Returns that are required to be filed for the Sale Company for all Taxable Periods ending on or prior to the Closing Date that are required to be filed on or prior to the Closing Date. All Tax Returns which Sellers are required to file or cause to be filed in accordance with this section will be prepared and filed in a manner consistent with past practice and, on such Tax Returns, no position will be taken, election made or method adopted that is inconsistent with positions taken, elections made or methods used in preparing and filing similar Tax Returns in prior periods. Without limiting the generality of the foregoing, Sellers will not, in such Tax Returns, adopt a new position, election or method which would have the effect of deferring income to periods for which Purchasers are liable under this Article 10 or accelerating deductions to periods for which Sellers is liable under this Article 10 unless required by applicable Laws without the prior consent of Purchasers, which consent will not be unreasonably withheld. Sellers will provide to Purchasers copies of income tax returns reasonably in advance of their filing and at least thirty (30) calendar days before such returns are required to be filed. Purchasers will notify Sellers of any proposed revisions within fifteen (15) calendar days after receipt of such income tax returns from Sellers. Purchasers and Sellers agree to attempt to resolve in good faith any dispute concerning the reporting of any item on such income tax returns in a timely fashion before filing date. Nothing in this Agreement will be construed as preventing Sellers or Sale Company from timely filing of any income tax returns.

B. Purchasers will prepare or cause to be prepared and file or cause to be filed all Tax Returns that are required to be filed for the Sale Company for all Taxable Periods ending on or prior to the Closing Date that are required to be filed after the Closing Date. Without limiting the generality of the foregoing, Purchasers will not, in such Tax Returns, adopt a new position, election or method which would have the detrimental effect in a period for which Sellers are liable under this Article 10, unless required by applicable Laws, without the prior consent of Sellers which consent will not unreasonably be withheld.

**10.3.2. Taxable Periods Beginning Before and Ending After the Closing Date (Straddle Periods).** Purchasers will prepare or cause to be prepared and file or cause to be filed any Tax Returns of the Sale Company that are required to be filed for Straddle Periods. Purchasers will provide to Sellers copies of all such Tax Returns for Straddle Periods (together with a calculation of the allocation pursuant to Section 10.2.3 of the Tax shown on each such Tax Return between the portion of the Straddle Period ending on the Closing Date and the portion of the Straddle Period starting on the day after the Closing Date) at least thirty (30) calendar days before such Tax Returns are required to be filed. Sellers will notify Purchasers of any proposed revisions to such Tax Returns (or such allocation) within fifteen (15) calendar days after receipt of such Tax Returns from Purchasers. Purchasers and Sellers agree to attempt to resolve in good faith any dispute concerning the reporting of any item on such Tax Return in a timely fashion before filing date. Nothing in this Agreement will be construed as preventing Purchasers or the Sale Company from timely filing of any Tax Returns. Sellers will pay to Purchasers within fifteen (15) calendar days after an agreement is reached on the above-mentioned allocation of Straddle Period taxes (as determined pursuant to Section 10.2.3).

**10.4. Audits and Adjustments.** The Purchasers will inform Sellers of any pending or threatened Tax audits or assessments of, or with respect to, Taxes for which Sellers are responsible under this Agreement; provided, however, that the failure of Purchasers to provide timely notice will not affect the obligations of Sellers hereunder except to the extent (if any) that Sellers' ability to contest such Tax assessment has been prejudiced by such failure. For tax periods ending on and including the Closing Date, Sellers will control the conduct of any such audit or proceeding but will not dispose of any such audit or proceeding in a manner that would result in the Sale Company adopting a position or method or election which could have the effect of deferring income to periods for which Purchasers are liable under this Article 10 or accelerating deductions to period for which Sellers are liable under this Article 10 or could reasonably result in an adverse consequence to Purchasers in respect of a tax period for which Purchasers are liable under this Article 10 without the consent of the Purchasers which shall not be unreasonably withheld. For tax periods ending on and including the Closing Date, Purchasers and their legal or tax advisor will have the right to attend and participate in all relevant meetings with the authorities and Purchasers will provide all information which sellers may reasonably request in connection therewith. For the Straddle Period, Purchasers will control the conduct of any such audit or proceeding but will not dispose of any such audit or proceeding in a manner that would result in the Sale Company adopting a position or method or election which could reasonably result in adverse consequences on Taxes for which Sellers are liable during the Straddle Period under this Article 10 or could reasonably result in an adverse consequence to Sellers in respect of a tax period for which Sellers are liable under this Article 10 without the consent of the Sellers which shall not be unreasonably withheld. For the Straddle Period, Sellers and their legal or tax advisor will have the right to attend and participate in all relevant meetings with the authorities and Purchasers will provide all information which Sellers may reasonably request in connection therewith. Each party will bear its own expenses in connection with such audits or proceedings. Sellers will be responsible for the payment of any Tax deficiency resulting from such audit insofar as and to the extent provided herein and in all cases without any offset against any deferred tax assets.

**10.5. Sales or Transfer Taxes.** Sellers and Purchasers will use commercially reasonable efforts and cooperate in good faith to exempt (including by the Seller seeking approval of such exception in the Sale Motion) the sale, conveyance, assignments, transfers and deliveries to be made to the Purchasers hereunder from any sales taxes, documentary and stamp taxes, transfer, documentary, sales, use, registration, recording, stamp, use, gross receipts, excise, value-added, and other such taxes (including all applicable real estate transfer taxes, but excluding any taxes based on or attributable to income or gains) and related fees (including notarial fees as well as any penalties, interest and additions to tax) ("**Transfer Taxes**") payable in connection with such sale, conveyance, assignments, transfers and deliveries, to the extent provided in the Sale Approval Order, in accordance with Section 1146(c) of the Bankruptcy Code. If Bankruptcy Court approval is granted for such exemption, then any instrument transferring the acquired assets to the Purchasers will contain the following endorsement:

Because this [instrument] has been authorized pursuant to Order of the United States Bankruptcy Court for the Southern District of New York relating to a chapter 11 plan of [Seller], it is exempt from transfer taxes, stamp taxes, or similar taxes pursuant to 11 U.S.C. § 1146(c).

To the extent not exempt under Section 1146 of the Bankruptcy Code and approved in the Sale Approval Order, such Transfer Taxes arising out of or incurred in connection with this Agreement will be borne solely by Purchasers. The party that is legally required to file a Tax Return relating to Transfer Taxes will be responsible for preparing and timely filing such Tax Return. Delphi will prepare the Transfer Tax returns for which Delphi is responsible as soon as is practicable and provide Umicore with a copy to review not less than fifteen (15) days in advance of the deadline for such return. Umicore agrees to provide Delphi with comments in sufficient time to enable Delphi to timely file the return and pay the Transfer Tax and

Delphi shall use commercially reasonable efforts to incorporate such comments. Purchaser will also be liable for the Chinese recapture duty and VAT on tangible assets retained by Seller and sold to Purchaser that have not been used more than five (5) years at their current location.

**10.6. Purchasers Covenants and Indemnity.** Except as otherwise provided herein, Purchasers agree that they will pay when due all Taxes for which they are responsible pursuant to this Agreement and will indemnify and hold Sellers (or any entity that is controlled directly or indirectly by Sellers) harmless from and against Liability for such Taxes and any Loss related to such Liability. Payment by Purchasers of any amount due to Sellers under this Section 10.6 will be made within thirty calendar days following written notice by Sellers that payment of such amounts to the appropriate taxing authority is due, provided that Sellers will provide to Purchasers reasonable and sufficient documentation establishing the amount of any such Loss.

**10.7. Sellers Covenants and Indemnity.** Except as otherwise provided herein, Sellers agree that they will pay when due all Taxes for which any Seller is responsible pursuant to the provisions of this Agreement and will indemnify and hold Purchasers (or the Sale Company or other entity that is controlled directly or indirectly by any Purchaser) harmless from and against Liability for such Taxes and any Loss related to such Liability. Payment by any Seller of any amount due under this Section 10.7 will be made within thirty calendar days following written notice by Purchasers to Sellers that payment of such amounts to the appropriate taxing authority is due, provided that Purchasers will provide to Sellers reasonable and sufficient documentation establishing the amount of any such Loss.

**10.8. Purchase Price Adjustment.** Any payments made pursuant to the provisions of this Article 10 will be treated for income tax purposes as an adjustment to the Purchase Price consistent with Section 4.8.3.

**10.9. Customs Duties.** The Purchasers expressly agree to reimburse Sellers for all customs-related duties, fees and associated costs incurred by Sellers with respect to the Acquired Assets following the Closing, including all such duties, fees and costs incurred in connection with co-loaded containers that clear customs intentionally or unintentionally under Sellers' importer/exporter identification numbers and bonds/guarantees post-Closing.

## **11. BIDDING PROCEDURES:**

**11.1. Delphi Initial Bankruptcy Actions.** This Article 11 sets forth the bidding procedures (the "**Bidding Procedures**") to be employed with respect to the Agreement and the sale (the "**Sale**") of the Purchased Assets. The Sale is subject to competitive bidding as set forth herein and approval by the Bankruptcy Court in the Sale Approval Order. The following overbid provisions and related bid protections are designed to compensate the Purchasers for their efforts and agreements to date and to facilitate a full and fair process (the "**Bidding Process**") designed to maximize the value of the Purchased Assets for the benefit of Sellers' and their Affiliates' creditors, shareholders and bankruptcy estate.

**11.2. Qualified Bidder.** Unless otherwise ordered by the Bankruptcy Court or as otherwise determined by Delphi, in order to participate in the Bidding Process, each person (a "**Potential Bidder**"), other than the Purchaser, must deliver (unless previously delivered) to Sellers no later than 4 P.M. (EST) on the fifth (5<sup>th</sup>) Business Day following the entry of the Bidding Procedures Order:

**11.2.1.** An executed confidentiality agreement substantially similar to the Purchaser Confidentiality Agreement.

**11.2.2.** Current audited financial statements of the Potential Bidder, or, if the Potential Bidder is an entity formed for the purpose of acquiring the Purchased Assets and the Business, current audited financial statements of the equity holders of the Potential Bidder who shall guarantee the obligations of the Potential Bidder, or such other form of financial disclosure and credit-quality support or enhancement acceptable to Sellers and their financial advisors; and

**11.2.3.** A preliminary (non-binding) proposal regarding: (i) the purchase price range; (ii) any assets and/or equity interests expected to be excluded; (iii) the structure and financing of the transaction (including, but not limited to, the sources of financing for the Purchase Price and the requisite Good Faith Deposit); (iv) any anticipated regulatory approvals required to close the transaction, the anticipated time frame and any anticipated impediments for obtaining such approvals; (v) any conditions to closing that it may wish to impose in addition to those set forth in this Agreement; and (vi) the nature and extent of additional due diligence it may wish to conduct and the date by which such due diligence will be completed.

A Potential Bidder that delivers the documents described in the previous subparagraphs above and whose financial information and credit-quality support or enhancement demonstrate the financial capability of the Potential Bidder to consummate the Sale if selected as a successful bidder, and that the Sellers determine in their sole discretion is likely (based on availability of financing, experience and other considerations) to be able to consummate the Sale within the time frame provided by this Agreement shall be deemed a "**Qualified Bidder**". Notwithstanding the foregoing, Purchasers shall be deemed a Qualified Bidder for purposes of the Bidding Process.

**11.3. Due Diligence.** Sellers shall afford each Qualified Bidder due diligence access to the Purchased Assets and the Business. Due diligence access may include management presentations as may be scheduled by Sellers, access to data rooms, on site inspections and such other matters which a Qualified Bidder may request and as to which Sellers, in their sole discretion, may agree to. Sellers shall designate an employee or other representative to coordinate all reasonable requests for additional information and due diligence access from Qualified Bidders. Any additional due diligence shall not continue after the Bid Deadline. Sellers may, in their discretion, coordinate diligence efforts such that multiple Qualified Bidders have simultaneous access to due diligence materials and/or simultaneous attendance at management presentations or site inspections. Neither Sellers nor any of its Affiliates (or any of their respective representatives) shall be obligated to furnish any information relating to Purchased Assets and the Business to any Person other than to Qualified Bidders who make an acceptable preliminary proposal.

**11.4. Bid Deadline.** A Qualified Bidder that desires to make a bid shall deliver the Required Bid Documents to: Delphi Automotive Systems LLC, 5725 Delphi Drive, Troy, Michigan 48098 Attention: Steven P. DeRaedt, Director, Mergers & Acquisitions, with copies to: (i) Sellers' counsel, Skadden, Arps, Slate, Meagher & Flom LLP, at 333 West Wacker Drive, Chicago, Illinois 60601-1285, Attention John K. Lyons and Brian M. Fern; (ii) Sellers' financial advisor, Credit Suisse First Boston, at 11 Madison Avenue, New York, New York 10010-3629, Attention Spyros Svoronos; (iii) counsel to the official committee of unsecured creditors appointed in the Bankruptcy Cases (the "**Committee**"), Latham & Watkins LLP, 885 Third Avenue, New York, New York 10022, Attention: Robert J. Rosenberg; and (iv) counsel for the agent under Delphi's post petition credit facility, Davis Polk & Wardwell, 450 Lexington Avenue, New York, New York 10017, Attention: Donald S. Bernstein and Brian Resnick; so as to be received not later than 11:00 A.M. (EST), on a date to be determined by Delphi that is at least five (5) Business Days before the date of Sale Hearing (the "**Bid Deadline**"). As soon as reasonably practicable following receipt of each Qualified Bid, Sellers will deliver complete copies of all items and information enumerated in the section below entitled "Bid Requirements" to counsel for the Official Committee of Equity Security Holders (the "**Equityholders' Committee**"). At the same time that Sellers notify the Potential Bidder that it is a

Qualified Bidder, Sellers shall allow the Qualified Bidder to begin to conduct due diligence with respect to the Purchased Assets and the Business as provided in Section 11.3 above.

**11.5. Bid Requirements.** All bids must include the following documents (the "**Required Bid Documents**"):

**11.5.1.** A letter stating that the bidder's offer is irrevocable until two (2) Business Days after the closing of the Sale of the Purchased Assets.

**11.5.2.** An executed copy of this Agreement, together with all schedules marked (a "**Marked Agreement**") to show those amendments and modifications to such agreement and schedules that the Qualified Bidder proposes, including this Purchase Price (as defined in this Agreement).

**11.5.3.** A good faith deposit (the "**Good Faith Deposit**") in the form of a certified bank check from a U.S. bank or by wire transfer (or other form acceptable to Sellers in their sole discretion) payable to the order of Delphi (or such other party as Sellers may determine) in an amount equal to 1.75% of such bidder's gross (pre-adjustment) Purchase Price (rounded to the nearest \$100,000).

**11.5.4.** Written evidence of a commitment for financing or other evidence of ability to consummate the proposed transaction satisfactory to Sellers and its advisors.

**11.6. Qualified Bids.** A bid will be considered only if the bid:

**11.6.1.** Is on terms and conditions (other than the amount of the consideration and the particular Liabilities being assumed) that are substantially similar to, and are not materially more burdensome or conditional to Sellers than, those contained in the Agreement.

**11.6.2.** Is not conditioned on obtaining financing or on the outcome of unperformed due diligence by the bidder.

**11.6.3.** Proposes a transaction that Delphi determines, in the good faith opinion of its senior management, after consultation with its financial advisors, is not materially more burdensome or conditional than the terms of the Agreement and has a value, either individually or, when evaluated in conjunction with any other Qualified Bid, greater than or equal to the sum of the Purchase Price plus the amount of the Break-Up Fee, plus \$1,000,000: (i) in the case of the initial Qualified Bid; and (ii) in the case of any subsequent Qualified Bids, over the immediately preceding highest Qualified Bid.

**11.6.4.** Is not conditioned upon any bid protections, such as a break-up fee, termination fee, expense reimbursement or similar type of payment.

**11.6.5.** Contains an acknowledgement and representation that the bidder: (i) has had an opportunity to conduct any and all due diligence regarding the Purchased Assets prior to making its offer; (ii) has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Purchased Assets in making its bid; and (iii) did not rely upon any written or oral statements, representations, promises, warranties or guaranties whatsoever, whether express, implied, by operation of law or otherwise, regarding the Purchased Assets, or the completeness of

any information provided in connection therewith or the Auction, except as expressly stated in the Agreement or the Marked Agreement.

**11.6.6.** Includes a commitment to consummate the purchase of the Purchased Assets (including the receipt of any required governmental or regulatory approvals) within not more than fifteen (15) days after entry of an order by the Bankruptcy Court approving such purchase, subject to the receipt of any governmental or regulatory approvals which must be obtained within sixty (60) days after entry of such order.

**11.6.7.** Is received by the Bid Deadline; provided, however, that Delphi shall have a one-time right to extend the Bid Deadline up to a maximum of five (5) Business Days, but Delphi is not obligated to do so. If Delphi extends the Bid Deadline, it will promptly inform all of the Qualified Bidders of such extension.

A bid received from a Qualified Bidder will constitute a "**Qualified Bid**" only if it includes all of the Required Bid Documents and meets all of the above requirements; provided, however, Delphi will have the right, in its sole discretion, to entertain bids for the Acquired Assets that do not conform to one or more of the requirements specified herein and deem such bids to be Qualified Bids. Notwithstanding the foregoing, the Purchaser shall be deemed a Qualified Bidder, and the Agreement shall be deemed a Qualified Bid, for all purposes in connection with the bidding process, the Auction, and the Sale. A Qualified Bid will be valued based upon factors such as the net value provided by such bid and the likelihood and timing of consummating such transaction. Each Qualified Bid other than that of the Purchasers is referred to as a "**Subsequent Bid**".

If Sellers do not receive any Qualified Bids other than the Agreement received from the Purchasers, Sellers will report the same to the Bankruptcy Court and will proceed with the Sale pursuant to the terms of the Agreement.

**11.7. Bid Protection.** Recognizing the Purchasers' expenditure of time, energy and resources, Sellers have agreed to provide certain bidding protections to the Purchaser. Specifically, Sellers have determined that the Agreement will further the goals of the Bidding Procedures by setting a floor for which all other Qualified Bids must exceed. As a result, Sellers have agreed that if Umicore and the other Purchasers are not the Successful Bidder, Sellers shall, in certain circumstances, pay to the Purchasers a Break-Up Fee. In the event the Agreement is terminated pursuant to certain other provisions thereof, then Sellers shall be obligated to pay only the Purchasers' Expense Reimbursement. The payment of the Break-Up Fee or the Expense Reimbursement (as applicable) shall be governed by the provisions of this Agreement and the Bidding Procedures Order.

**11.8. Auction Bidding Increments and Bids Remaining Open.** If Sellers receive one (1) or more Qualified Bids in addition to this Agreement, Sellers will conduct an auction (the "**Auction**") of the Purchased Assets and the Business upon notice to all Qualified Bidders who have submitted Qualified Bids at the offices of Skadden, Arps, Slate, Meagher & Flom LLP, Four Times Square, New York, New York 10036 (at Delphi's election) or other place as Delphi shall notify all Qualified Bidders who have submitted Qualified Bids, at a time to be determined by Delphi (but in no event later than the second (2nd) Business Day prior to the Sale Hearing), in accordance with the following procedures:

**11.8.1.** Only Delphi, Umicore, any representative of the Committee and the Equityholder's Committee, any representative of Delphi's post-petition credit facility (and the legal and financial advisers to each of the foregoing), and any Qualified Bidder who has timely

submitted a Qualified Bid shall be entitled to attend the Auction, and only Umicore and Qualified Bidders will be entitled to make any subsequent Qualified Bids at the Auction.

**11.8.2.** At least three (3) Business Days prior to the Auction, each Qualified Bidder who has timely submitted a Qualified Bid must inform Delphi whether it intends to participate in the Auction and at least two (2) Business Day prior to the Auction, Delphi shall provide copies of the Qualified Bid or combination of Qualified Bids which Sellers believe is the highest or otherwise best offer to all Qualified Bidders who have informed Delphi of their intent to participate in the Auction.

**11.8.3.** All Qualified Bidders who have timely submitted Qualified Bids shall be entitled to be present for all Subsequent Bids with the understanding that the true identity of each bidder shall be fully disclosed to all other bidders and that all material terms of each Subsequent Bid will be fully disclosed to all other bidders throughout the entire Auction.

**11.8.4.** Sellers may employ and announce at the Auction additional procedural rules that are reasonable under the circumstances (e.g., the amount of time allotted to make Subsequent Bids) for conducting the Auction, provided that such rules are not inconsistent with these Bidding Procedures, the Bankruptcy Code or any order of the Bankruptcy Court entered in connection herewith.

**11.8.5.** Bidding at the Auction shall begin with the highest or otherwise best Qualified Bid or combination of Qualified Bids and continue in minimum increments of at least \$1,000,000 higher than the previous bid or bids. The Auction shall continue in one or more rounds of bidding and shall conclude after each participating bidder has had the opportunity to submit one or more additional Subsequent Bid with full knowledge and written confirmation of the then-existing highest bid or bids. For the purpose of evaluating the value of the consideration provided by Subsequent Bids (including any Subsequent Bid by Purchaser), Sellers shall give effect to any Break-Up Fee or Expense Reimbursement that may be payable to Purchaser under the Agreement as well as any assets and/or equity interests to be retained by any Seller.

**11.8.6.** At the conclusion of the foregoing steps in the Auction, or as soon thereafter as practicable, Sellers, in consultation with their advisors, shall: (i) review each Qualified Bid on the basis of financial and contractual terms and the factors relevant to the sale process, including those factors affecting the speed and certainty of consummating the sale; and (ii) identify the highest or otherwise best offer(s) for the Purchased Assets and the Business received at the Auction (the "**Successful Bid(s)**") and the bidder(s) making such bid, the "**Successful Bidder(s)**").

**11.9. Acceptance of Qualified Bids.** Sellers shall sell the Purchased Assets for the highest or otherwise best Qualified Bid to the Successful Bidder upon the approval of such Qualified Bid by the Bankruptcy Court after a hearing (the "**Sale Hearing**"). If, after an Auction in which the Purchasers: (i) shall have bid an amount in excess of the consideration presently provided for in the Agreement with respect to the transactions contemplated under the Agreement; and (ii) is the Successful Bidder, it shall, at the Closing under the Agreement, pay, in full satisfaction of the Successful Bid, an amount equal to: (a) the amount of the Successful Bid; less (b) the Break-Up Fee.

Sellers' presentation of a particular Qualified Bid to the Bankruptcy Court for approval does not constitute Sellers' acceptance of the bid. Sellers will be deemed to have accepted a bid only when the bid has been approved by the Bankruptcy Court at the Sale Hearing.

**11.10. Sale Hearing.** The Sale Hearing shall be held before the Honorable Judge Robert Drain on August 16, 2007 at 10:00 a.m. (prevailing Eastern time) in the United States Bankruptcy Court for the Southern District of New York, located in New York, New York, but may be adjourned or rescheduled without further notice by an announcement of the adjourned date at the Sale Hearing (subject, however to Section 9.1.1.E. above). If Delphi does not receive any Qualified Bids (other than the Qualified Bid of the Purchasers), Delphi will report the same to the Bankruptcy Court at the Sale Hearing and will proceed with a sale of the Purchased Assets to the Purchasers following entry of the Sale Order. If Delphi does receive additional Qualified Bids, then, at the Sale Hearing, Delphi shall seek approval of the Successful Bid(s), and, at Delphi's election, one or more next highest or best Qualified Bid(s) (the "**Alternate Bid(s)**" and such bidder(s), the "**Alternate Bidder(s)**"). Sellers' presentation to the Bankruptcy Court of the Successful Bid(s) and Alternate Bid(s) shall not constitute Sellers' acceptance of either or any such bid(s), which acceptance shall only occur upon approval of such bid(s) by the Bankruptcy Court at the Sale Hearing. Following approval of the sale to the Successful Bidder(s), if the Successful Bidder(s) fail(s) to consummate the sale because of: (i) failure of a condition precedent beyond the control of either Sellers or the Successful Bidder; or (ii) a breach or failure to perform on the part of such Successful Bidder(s), then the Alternate Bid(s) shall be deemed to be the Successful Bid(s) and Sellers shall effectuate a sale to the Alternate Bidder(s) subject to the terms of the Alternate Bid(s) of such alternate Bidder(s) without further order of the Bankruptcy Court.

**11.11. Return of Good Faith Deposit.** Good Faith Deposits of all Qualified Bidders (except for the Successful Bidder) shall be held in an interest-bearing escrow account and all Qualified Bids shall remain open (notwithstanding Bankruptcy Court approval of a sale pursuant to the terms of one or more Successful Bids by one or more Qualified Bidders), until two (2) Business Days following the closing of the Sale (the "**Return Date**"). Notwithstanding the foregoing, the Good Faith Deposit, if any, submitted by the Successful Bidder(s), together with interest thereon, shall be applied against the payment of the Purchase Price upon closing of the Sale to the Successful Bidder(s). If a Successful Bidder fails to consummate an approved sale because of a breach or failure to perform on the part of such Successful Bidder, such Successful Bidder will forfeit its Good Faith Deposit, and such Good Faith Deposit shall irrevocably become property of Sellers in full and final satisfaction of any and all Liabilities of defaulting Successful Bidder to Seller with respect to the Sale. On the Return Date, Sellers shall return the Good Faith Deposits of all other Qualified Bidders, together with the accrued interest thereon.

**11.12. Modifications.** Sellers, after consultation with the agents for their secured lenders and the Committee: (i) may determine, which Qualified Bid, if any, is the highest or otherwise best offer; and (ii) may reject at any time, any bid (other than the Purchasers' bid) that is: (a) inadequate or insufficient; (b) not in conformity with the requirements of the Bankruptcy Code, the Bidding Procedures or the terms and conditions of the Sale; or (c) contrary to the best interests of Sellers, their estate and creditors as determined by Sellers in their sole discretion.

**12. SURVIVAL OF REPRESENTATIONS, WARRANTIES AND COVENANTS; INDEMNIFICATION:**

**12.1. Sellers' Agreement to Indemnify.** If the Closing occurs, subject to the terms and limitations of this Article 12, from and after the Closing: (i) each Seller that is a Non-Filing Affiliate, severally, with respect solely to such Seller; and (ii) in the case of the Sale Company only, Delphi and DASHI, jointly and severally, shall indemnify and hold harmless each Purchaser and its Affiliates, directors, members, managers, officers, employees and their respective Affiliates (collectively, the "**Purchaser Indemnified Parties**") from and against all Losses incurred by a Purchaser Indemnified Party (such Losses actually incurred by either a Purchaser Indemnified Party or a Seller Indemnified Party are referred to as "**Indemnifiable Losses**"), as a result of or arising out of: (A) any misrepresentation, breach, default or

failure to perform or satisfy by any Non-Filing Affiliate or, with respect to the Sale Company, DASHI under any of the representations and warranties of such Non-Filing Affiliate, DASHI or the Sale Company set forth in this Agreement or in any document, agreement or certificate delivered by any Non-Filing Affiliate, DASHI (with respect to the Sale Company) or the Sale Company to any such Purchaser at Closing; (B) Retained Liabilities or Excluded Assets that are retained by any such Non-Filing Affiliate; or (C) a breach or default of any agreement or covenant of any such Non-Filing Affiliate in this Agreement that, by its terms, is intended to be performed by such Seller after the Closing Date. Purchasers agree that, except as contemplated by this Article 12, from and after the Closing, the indemnification provided in this Article 12 is the exclusive remedy for a breach by any Seller of any agreement or covenant contained in this Agreement that, by its terms, is intended to be performed by such Non-Filing Affiliate at or after the Closing.

**12.2. Specific Performance.** Sellers acknowledge that the Purchased Assets to be sold and delivered to Purchasers pursuant to this Agreement and the covenants and agreements of Sellers contained herein, including with respect to non-competition in Section 8.10.1.A, are unique and that Purchasers have no adequate remedy at law if Sellers shall fail to perform any of their obligations hereunder intended to be performed by any Seller after the Closing, and Sellers therefore confirm and agree that Purchasers' right to specific performance is essential to protect the rights and interests of Purchasers. Accordingly, in addition to any other remedies which Purchasers may have, Purchasers shall have the right to seek equitable remedies, including specific performance in any of the courts of the United States, any state or other political subdivision thereof or any foreign jurisdiction.

**12.3. Purchasers' Agreement to Indemnify.** If the Closing occurs, subject to the terms of this Article 12, from and after the Closing, Purchasers shall indemnify and hold harmless each Seller and its Affiliates, directors, members, managers, officers, employees and their respective Affiliates (together with the Purchaser Indemnified Parties, each an "**Indemnified Party**") from and against all Indemnifiable Losses incurred by Sellers as a result of or arising out of: (i) any misrepresentation, breach, default or failure to perform or satisfy by any Purchaser under any of the representations and warranties set forth in this Agreement or in any document, agreement or certificate delivered by any Purchaser to any such Seller at Closing; (ii) the Assumed Liabilities, the Acquired Assets or the Sale Securities; (iii) a breach of any agreement or covenant of any Purchaser contained herein that, by its terms, is intended to be performed after the Closing Date; or (iv) except as otherwise provided in Section 12.1, the conduct of the Business or the ownership of the Acquired Assets after Closing, other than Liabilities relating to environmental matters, for which Section 12.6 shall provide the exclusive basis for indemnification. Sellers agree that, except as contemplated by this Article 12, from and after the Closing the indemnification provided in this Article 12 is the exclusive remedy for a breach by any Purchaser of any agreement or covenant contained in this Agreement that, by its terms, is intended to be performed after the Closing, and that there shall be no remedy for breach by any Purchaser of a representation or warranty or any breach of a covenant or agreement that, by its terms, is intended to be performed prior to the Closing.

**12.4. Third Party Indemnification.** The obligations of any Party (such Party, the "**Indemnifying Party**") to indemnify any Indemnified Party under Sections 12.1 or 12.3 with respect to Indemnifiable Losses incurred by the Indemnified Party, resulting from the assertion of Liability by third parties (including Governmental Entities) (a "**Third Party Indemnification Claim**"), shall be subject to the following terms and conditions:

**12.4.1.** Any Indemnified Party against whom any Third Party Indemnification Claim is asserted shall give the Indemnifying Party written notice of any such Third Party Indemnification Claim promptly after learning of such Third Party Indemnification Claim (with such notice satisfying the requirements of Section 13.2, as the case may be), and the Indemnifying Party may,

at its option, undertake the defense thereof by representatives of its own choosing and shall provide written notice of any such undertaking to the Indemnified Party. Failure to give prompt written notice of an Third Party Indemnification Claim hereunder shall not affect the Indemnifying Party's obligations under this Article 12, except to the extent that the Indemnifying Party is actually prejudiced by such failure to give prompt written notice. The Indemnified Party shall, and shall cause its employees and representatives to, cooperate with the Indemnifying Party in connection with the settlement or defense of such Third Party Indemnification Claim and shall provide the Indemnifying Party with all available information and documents concerning such Third Party Indemnification Claim. If the Indemnifying Party, within thirty (30) days after written notice of any such Third Party Indemnification Claim, fails to assume the defense of such Third Party Indemnification Claim, the Indemnified Party against whom such claim has been made shall (upon further written notice to the Indemnifying Party) have the right to undertake the defense, compromise or settlement of such claim on behalf of and for the account and risk, and at the expense, of the Indemnifying Party, subject to the right of the Indemnifying Party to assume the defense of such Third Party Indemnification Claim at any time prior to settlement, compromise or final determination thereof upon written notice to the Indemnified Party. For purposes of clarification, the term "party" as used in the first sentence of this paragraph means, collectively, each of the Purchasers or each of the Non-Filing Affiliates, as the case may be.

**12.4.2. Escrow Claim.** If any claim for indemnification is made by a Purchaser Indemnified Party pursuant to this Article 12 prior to the eighteen (18) month anniversary of the Closing, such a Purchaser Indemnified Party shall first apply to the Escrow Agent for reimbursement of such claim in accordance with the provisions of the Closing Escrow Agreement prior to seeking reimbursement for such claim provided that nothing herein shall change any of Purchaser's obligation to follow the procedures for indemnification hereunder.

**12.4.3.** Anything in this Section 12.4 to the contrary notwithstanding: (i) the Indemnified Party shall not settle a claim for which it is indemnified without the prior written consent of the Indemnifying Party, which consent shall not be unreasonably withheld, conditioned or delayed; and (ii) the Indemnifying Party shall not enter into any settlement or compromise of any action, suit or proceeding, or consent to the entry of any judgment for relief other than monetary damages to be borne by the Indemnifying Party, without the prior written consent of the Indemnified Party, which consent shall not be unreasonably withheld, conditioned or delayed.

**12.5. Limitations.** Each Purchaser's and Seller's right to seek indemnification pursuant to this Section 12 shall be subject to the following limitations.

**12.5.1.** Except as expressly provided in Section 12.5.2 or 12.5.3, the respective representations and warranties and related indemnities of the Non-Filing Affiliates and, with respect to the Sale Company, DASHI and Delphi set forth in this Agreement, and the post-Closing indemnity obligations of the Non-Filing Affiliates and DASHI and Delphi with respect to the Sale Company for breach of such representations and warranties as set forth in this Article 12, shall survive for a period of eighteen (18) months following the Closing. Except as expressly set forth in the preceding sentence with respect to DASHI and Delphi, the representations and warranties of the Filing Subsidiaries will not survive Closing. All other covenants contained in Section 8.10 hereof to be performed after Closing, shall survive the Closing in accordance with their terms until expiration of the applicable statute of limitations unless otherwise set forth herein.

**12.5.2.** Notwithstanding Section 12.5.1 above, the representations and warranties set forth in (and the post-Closing indemnity obligations as set forth in this Article 12 of Non-Filing

Affiliates, and with respect to the Sale Company, DASHI and Delphi or Purchasers, as the case may be, for breach of such representations and warranties): Sections 5.1.2 (Corporate Power; Due Authorization), 5.1.5.A (Title to Personal Property), 5.1.16.B (Marketable Title) and 5.2.2 (Corporate Power; Due Authorization) shall survive the Closing indefinitely.

**12.5.3.** Notwithstanding Section 12.5.1 above, the representations and warranties set forth in (and the post-Closing indemnity obligations as set forth in this Article 12 of Non-Filing Affiliates and, with respect to the Sale Company, DASHI or Purchasers, as the case may be, for breach of such representations and warranties): (i) Sections 5.1.7 (Intellectual Property Assets), 5.1.15 (Regulatory Matters), 5.1.17 (Tax Matters), 5.1.21 (Product Claims) and 5.2.11 (Anti-Money Laundering) will survive until expiration of the applicable statute of limitations; and (ii) Section 5.1.20 (Environmental Representations and Warranties) will survive for three (3) years after Closing.

**12.5.4.** In the case of Claims under Sections 12.1(i) or 12.2(i) (representations), an Indemnifying Party will only be responsible for the amount of all Indemnifiable Losses which, in the aggregate exceeds Three Hundred Twenty-Five Thousand Dollars (\$325,000.00) ("**Deductible Amount**"), after which point an Indemnifying Party will be obligated to indemnify an Indemnified Party from and against Indemnifiable Losses that are in excess of the Deductible Amount, subject to the Individual Claim Amounts, if applicable; provided, however, any Liability of the: (x) Non-Filing Affiliates under subsections (B) of Section 12.1; or (y) the Purchasers under subsection (ii) of Section 12.3 shall be dollar-for-dollar without regard to the Deductible Amount or the Indemnification Cap. In determining whether or not the threshold for the Deductible Amount has been met, the amount of all Special Claim Matters shall be counted without regard to whether the amount of any particular Special Claim Matter meets or exceeds the Individual Claim Amount. Furthermore, in determining whether the threshold for the Deductible Amount or Indemnification Cap has been met for purposes of this Section 12.5.4 the indemnification obligation of all of the Purchasers and all of the Sellers, respectively, shall be aggregated without regard to the particular Purchaser or Seller against whom indemnification was sought. For example, if Purchaser A has a claim against Seller 1 for \$200,000 and Purchaser B has a claim against Seller 2 for \$200,000, the total Indemnifiable Losses would exceed \$325,000 and, thus, the Purchasers could seek indemnification hereunder for \$75,000.

**12.5.5.** Notwithstanding any provision of Section 12.5.4 to the contrary, in the case of Claims under Section 12.6 (Environmental Matters), or relating to Excluded Liabilities relating solely to Product warranty or Product returns (the "**Special Claim Matters**"), the Purchaser shall not be permitted to make a Claim for indemnification pursuant to this Article 12 unless the individual Claim or series of related Claims relates to an Indemnifiable Loss equal to or greater than Twenty-Five Thousand Dollars (\$25,000.00) ("**Individual Claim Amount**"). For purposes of clarification, except as set forth in the preceding sentence, no other type of Claim shall be subject to any minimum amount or size.

**12.5.6.** The aggregate amount of Indemnifiable Losses indemnified by the combined Indemnifying Parties that are Purchasers or Sellers, as the case may be, shall not exceed an amount equal to fifty percent (50%) of the Purchase Price (not taking into account any adjustments thereto), after which point such Indemnifying Party(s) will have no further obligation with respect to Indemnifiable Losses under this Agreement; provided, however, that no individual Indemnifying Party shall be obligated to indemnify any Indemnified Party from and against Indemnifiable Losses in excess of one hundred percent (100%) of the Purchase Price for the Acquired Assets sold by such

Indemnifying Party. The term "**Cap Amount**" refers to the maximum amount payable by an Indemnifying Party or all Indemnifying Parties that are Purchasers or Sellers, as the case may be.

**12.5.7.** In the absence of fraud by any Seller, the Purchasers shall not be entitled to rescission.

**12.5.8.** Claims made by one Party against the other Party for failure to pay an amount owed by one Party pursuant to Article 4 shall not be subject to any of the provisions or the limitations set forth in Section 12.5. Notwithstanding the foregoing, no Party to the Agreement shall be entitled to make any claim under this Article 12 to the extent, but only to such extent, that the item for which such claim was made resulted in a Preliminary Purchase Price adjustment pursuant to Sections 4.6 or 4.7 that was paid in full by the other Party.

**12.5.9.** In calculating amounts payable to the Indemnified Party, the amount of any Indemnifiable Losses shall be determined without duplication of any other Indemnifiable Losses for which an Indemnified Party has made a claim for indemnification pursuant to this Agreement.

**12.5.10.** Any written notice delivered by an Indemnified Party to an Indemnifying Party seeking indemnification pursuant to this Agreement with respect to Indemnifiable Losses suffered by the Indemnified Party shall set forth, with as much specificity as is reasonably practicable, the basis of the claim for Indemnifiable Losses, the sections of this Agreement which form the basis for the claim, copies of all material written materials relating to such claim and, to the extent reasonably practicable, a reasonable estimate of the amount of the Indemnifiable Losses that have been or may be sustained by the Indemnified Party.

**12.5.11.** Any indemnity amounts payable by the Indemnifying Party to or on behalf of an Indemnified Party pursuant to this Agreement (including any indemnity payment made under this Article 12) shall be reduced by any Tax benefit arising from the claim, loss or damage for which the indemnity is being paid, including any increase in deductions, credits or losses of such Indemnified Party (or any of its Affiliates) but shall be increased to make such Indemnified Party (and any of its Affiliates) whole for any Tax detriment arising from the indemnification payment itself. In the case of Tax benefits consisting of depreciation, amortization or other similar deductions, the Tax benefit amount will be based on the net present value of such deductions using a discount rate equal to the mid-term applicable federal rate in effect on the day on which the indemnification payments are due. Any calculations of the Tax benefit under this Section 12.5.11 shall be determined assuming such Indemnified Party pays Taxes at the highest combined marginal Tax rate for applicable U.S. federal, foreign, state and local Taxes.

**12.5.12.** Notwithstanding any other provision of this Agreement, in no event shall any Indemnified Party be entitled to indemnification pursuant to this Agreement to the extent any Indemnified Party's Indemnifiable Losses were attributable to Indemnified Party's own gross negligence or willful misconduct.

**12.5.13.** Nothing in this Article 12 shall limit any party in exercising or securing any remedies provided by applicable statutory or common law in connection with this Agreement or in the amount of damages that it can recover from the other in the event that any party successfully proves fraud, intentional misconduct, or fraudulent conduct in connection with this Agreement and/or the Transactions.

**12.6. Environmental Matters:**

**12.6.1. Indemnification of Seller and Purchaser:**

**A.** Subject to the provisions of this Agreement, and solely with respect to the Listed Real Property included in the Acquired Assets or real property held by the Sale Company ("**Indemnified Real Property**"), the appropriate Seller shall indemnify the appropriate Purchaser solely for Environmental Damages arising from Pre-Closing Environmental Contamination and Pre-Closing Environmental Compliance Matters at the Indemnified Real Property.

**B.** Subject to the provisions of this Agreement, and solely with respect to the Indemnified Real Property, Purchaser shall indemnify Sellers for Environmental Damages arising from Post-Closing Environmental Contamination and Post-Closing Environmental Compliance Matters.

**C.** To the extent feasible, Pre-Closing Environmental Contamination and Pre-Closing Environmental Compliance Matters shall be determined based on the Phase I and Phase II environmental investigations to be conducted prior to Closing by Purchasers at the Indemnified Real Property, and the reports from such investigations shall document pre-Closing baseline conditions ("**Baseline Environmental Conditions**").

**D.** Subject to the provisions of this Agreement, including, without limitation, the next sentence, for those Environmental Damages arising from circumstances that may be considered both: (i) Pre-Closing Environmental Contamination and Post-Closing Environmental Contamination; or (ii) Pre-Closing Environmental Compliance Matters and Post-Closing Environmental Compliance Matters, such Environmental Damages shall be allocated between the Parties in proportion to the extent that such Environmental Damages arose pre- or post-Closing, and each Party shall indemnify the other for its share as determined by such allocation.

**E.** Section 12.4 shall apply to any third party environmental claims.

**F.** Section 13.17 shall apply to any disputes between the parties as to environmental matters.

**12.6.2. Limitations on Liability.** Claims relating to environmental matters that are Retained Liabilities are not subject to the limitations of this Article 12 regarding the Deductible Amounts and Cap Amounts. Claims relating to the environmental matters that are based on a breach of Section 5.1.20 are subject to the limitations of this Article 12 regarding the Deductible Amounts and Cap Amounts. In addition, neither Party shall be liable under this Agreement for Environmental Damages:

**A.** In the case of Environmental Claims arising from Pre-Closing Environmental Compliance Matters or Post-Closing Environmental Compliance Matters (as the case may be), unless written notice of such claim has been served on the non-claiming Party on or before three (3) years following the Closing Date.

**B.** In the case of Environmental Claims arising from a Pre-Closing Environmental Contamination or Post-Closing Environmental Contamination (as the case

may be), unless written notice of such claim has been served on the non-claiming Party on or before three (3) years following the Closing Date.

C. Where the indemnified party uses the Indemnified Real Property for a use other than an industrial use substantially similar to such use in effect at the Closing, or seeks to or changes the zoning or land use classification of the Indemnified Real Property to a classification more sensitive than the industrial classification in effect at Closing.

**12.6.3. Remediation of Environmental Damage:**

A. Where an Environmental Damage arises out of Environmental Contamination, the non-claiming Party shall be responsible for Remedial Works or the redressing of an Environmental Compliance Matter ("**Remedy**") to no less but no more than the Remediation Standards allowed by applicable Environmental Laws; such Remedial Works may be determined, in compliance with applicable Environmental Laws using risk assessment and related risk evaluation methods. Remedial Work shall be conducted using the commercially reasonable methods of investigation, corrective measures, remediation and/or containment (including the use of institutional controls or deed restrictions for use of the property for industrial purposes only).

B. The non-claiming Party shall, where a Remedy is required pursuant to this Agreement, shall conduct such Remedy in a reasonably expeditious manner.

C. The conduct of a Remedy shall be as follows:

(i) The non-claiming Party shall prepare appropriate work plans or scopes of work to satisfactorily undertake and complete the Remedy under this Agreement; such Party will provide the other Party with an opportunity to review and comment on such work plans or scopes of work, which comments the non-claiming Party should adopt where such comments do not materially increase any cost or Liability of the Remedy;

(ii) When requested, the claiming Party shall cooperate with the non-claiming Party in any communications with the appropriate Competent Authority;

(iii) Where a Seller is the non-claiming Party, such Seller will take all reasonable steps to avoid interfering with Purchaser's operation or use of the Indemnified Real Property, and Purchaser will reasonably cooperate with such Seller including providing access to the Indemnified Real Property and the use of utilities in the conduct of the Remedy;

(iv) Where applicable the non-claiming Party shall provide copies of all relevant correspondence sent to and received from a Competent Authority, and keep the non-claiming Party reasonably apprised of the progress of the conduct of the Remedy;

(v) The claiming Party shall have the right to observe all Remediation work; and

(vi) The conduct of the Remedy shall be deemed complete when, as the case may be:

(1) The non-claiming Party has received approval regarding the Remedy by an applicable Governmental Entity; or

(2) Subject to Section 12.6.3.A of this Agreement, the remedy meets the Remediation Standards which are allowed by applicable Environmental Laws.

**13. MISCELLANEOUS:**

**13.1. Bulk Sales Laws.** Each Seller and Purchaser hereby waive compliance by Sellers with the provisions of the bulk sales Law of any state or foreign jurisdiction.

**13.2. Notices.** Except as otherwise provided in Article 11 hereto, all notices, requests, consents or other communications permitted or required under this Agreement shall be in writing and shall be deemed to have been given when personally delivered, or when sent if sent via facsimile (with receipt confirmed), or on the first Business Day after being sent by reputable overnight carrier, or on the third Business Day after being sent by registered or certified first class mail (with receipt confirmed), to the following:

**13.3. Assignment.** This Agreement shall be binding and inure to the benefit of the successors and assigns of each of the Parties, but no rights, obligations, duties or Liabilities of either Party may be assigned without the prior written consent of the other, which shall not be unreasonably withheld.

**13.4. Entire Agreement.** This Agreement, together with the Ancillary Agreements and the Purchaser Confidentiality Agreement, represents the entire agreement and understanding between the Parties with respect to the transactions contemplated herein. This Agreement supersedes all prior agreements, understandings, arrangements, covenants, representations or warranties, written or oral, by any officer, employee or representative of either Party dealing with the subject matter hereof.

**13.5. Waiver.** Any waiver by any Seller or Purchaser of any breach or of a failure to comply with any provision of this Agreement: (i) shall be valid only if set forth in a written instrument signed by the Party to be bound; and (ii) shall not constitute, or be construed as, a continuing waiver of such provision, or a waiver of any other breach of, or failure to comply with, any provision of this Agreement. At any time prior to the Closing Date, the Parties may: (a) extend the time for the performance of any of the obligations or other acts of the other Parties hereto; (b) waive any inaccuracies in the representations and warranties contained herein or in any document delivered pursuant hereto; and (c) waive compliance with any of the agreements or conditions contained herein. Except as otherwise expressly provided herein, any agreement on the part of a Party to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such Party.

**13.6. Severability.** Should any provision, or any portion thereof, of this Agreement for any reason be held invalid or unenforceable, such decision shall not affect the validity or enforceability of any of the other provisions, or portions thereof, of this Agreement, which other provisions, and portions, shall remain in full force and effect, and the application of such invalid or unenforceable provision, or portion thereof, to persons or circumstances other than those as to which it is held invalid or unenforceable shall be valid and be enforced to the fullest extent permitted by Law.

**13.7. Amendment.** This Agreement may only be amended only in writing by duly authorized representatives or officers of Delphi and Umicore.

**13.8. Expenses.** Except as otherwise expressly provided in Section 9.3 of this Agreement or an Ancillary Agreement, each Party shall be responsible for its own expenses incurred in connection with the preparation of this Agreement, the performance of its obligations hereunder and the consummation of the transactions contemplated hereby.

**13.9. Third Parties.** Nothing contained in this Agreement, express or implied, is intended to or shall be construed to confer upon or give to any person, firm, corporation, association, labor union or trust (other than the Parties, their Affiliates and their respective permitted successors and assigns), any claims, rights or remedies under or by reason of this Agreement.

**13.10. Headings.** The headings contained in this Agreement are inserted for convenience only and shall not be deemed to constitute a part of this Agreement.

**13.11. Counterparts.** More than one counterpart of this Agreement may be executed by the Parties, and each fully executed counterpart shall be deemed an original. Signatures may be sent by facsimile or other form of electronic transmission.

**13.12. Governing Law.** This Agreement shall be construed and enforced in accordance with the laws of the State of New York and, to the extent applicable the Bankruptcy Code, without giving effect to rules governing the conflict of laws.

**13.13. Public Announcements.** Sellers and Purchasers will consult with each other before issuing any press releases or otherwise making any public statements with respect to this Agreement or the transactions contemplated hereby, and shall not issue any press release or make any public statement without mutual consent, except as may be required by Law and then only with such prior consultation, or in connection with the Bankruptcy Cases.

**13.14. Venue and Retention of Jurisdiction.** All actions brought, arising out of or related to the transactions contemplated in this Agreement shall be brought in the Bankruptcy Court, and the Bankruptcy Court shall retain jurisdiction to determine any and all such actions.

**13.15. Risk of Loss.** Prior to the Closing, all risk of loss, damage or destruction to all or any part of the Acquired Assets or the Business shall be borne exclusively by the Sellers.

**13.16. Enforcement of Agreement.** The Parties hereto agree that irreparable damage would occur in the event that any provision of this Agreement was not performed in accordance with its specific terms or were otherwise breached. It is accordingly agreed that the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, this being in addition to all other remedies available at law or in equity.

**13.17. Dispute Resolution.** Sellers and Purchasers will, in the first instance, attempt to settle any and all claims or disputes arising in connection with this Agreement or any Transfer Agreement by good faith negotiations by senior management of each party. If the dispute is not resolved by senior management within thirty (30) days after delivery of a written request for such negotiation by either party to the other, either party may make a written demand (the "**Demanding Party**") for formal dispute resolution (the "**Notice**") and specify therein in reasonable detail the nature of the dispute. Within fifteen (15) business days after receipt of the Notice, the receiving party (the "**Defending Party**") shall submit to the other a written response. The Notice and the response shall include: (i) a statement of the respective party's position and a summary of arguments supporting that position; and (ii) the name and title of the executive who will represent that party and of any other person who will accompany the executive to meetings of the parties. Within fifteen (15) Business Days after such written response, the executives (and others named in the Notice or response) will meet at a mutually acceptable time and place, and thereafter as often as they reasonably deem necessary, to attempt to resolve the dispute. All reasonable requests for information made by one party to the other will be honored promptly. All negotiations pursuant to this Section 13.17 are confidential and shall be treated as compromise and settlement negotiations for purposes of applicable rules of evidence. In any case, the Parties agree not to commence any litigation actions until the expiration of ninety (90) days after the date of the Notice, and all such actions are subject to Section 13.14 above.

**13.18. No Right of Setoff.** Neither party hereto nor any Affiliate thereof may deduct from, set off, holdback or otherwise reduce in any manner whatsoever any amount owed to it hereunder or pursuant to any Ancillary Agreement against any amounts owed hereunder or pursuant to any Ancillary Agreement by such Persons to the other party hereto or any of such other party's Affiliates.

**13.19. Limitation on Damages.** NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, INCLUDING ARTICLE 12, IN NO EVENT SHALL PURCHASER OR SELLER BE LIABLE FOR, OR BEAR ANY OBLIGATION IN RESPECT OF, ANY PUNITIVE, INCIDENTAL, INDIRECT, SPECIAL, EXEMPLARY OR CONSEQUENTIAL DAMAGES OF ANY KIND OR

pursuant to the Master Sale and Purchase Agreement, originally dated June 5, 2007 (as amended  
on the record at the auction held on August 8, 2007 to, inter alia, increase the purchase price to be

provided by the Purchasers to \$75 million (subject to adjustments), the "Agreement"), by and between Delphi and certain of its affiliates, including certain affiliated Debtors as set forth in the Agreement (the "Selling Debtor Entities"),<sup>1</sup> and the Purchasers ~~or to the party submitting who~~ submitted the highest or otherwise best bid at the auction held on August 8, 2007 (the "Successful Bidder"), (ii) the assumption and assignment of certain prepetition executory contracts and unexpired leases (the "Assumed Contracts") and the assignment of certain postpetition executory contracts and unexpired leases (the "Postpetition Contracts," and collectively with the Assumed Contracts, the "Assigned Contracts") to the Purchasers ~~or the Successful Bidder~~, and (iii) the assumption of certain liabilities (the "Assumed Liabilities") by the Purchasers ~~or the Successful Bidder~~; and the Court having entered an order on June ~~29~~ 29, 2007 (the "Bidding Procedures Order") (a) approving bidding procedures, (b) granting certain bid protections, (c) approving the form and manner of sale notices, and (d) setting the Sale Hearing; and the Sale Hearing having been held on August 16, 2007, at which time all interested parties were offered an opportunity to be heard with respect to the Motion; and the Court having reviewed and considered (x) the Motion, (y) the objections thereto, if any, and (z) the arguments of counsel made, and the evidence proffered or adduced, at the Sale Hearing; and it appearing that the relief requested in the Motion is in the best interests of the Selling Debtor Entities, their estates, their creditors, and all other parties-in-interest; and after due deliberation thereon, and sufficient cause appearing therefor,

---

<sup>1</sup> Under the Agreement, the Selling Debtor Entities include Delphi, Delphi Automotive Systems (Holding) Inc., Exhaust Systems Corporation, Environmental Catalysts, LLC, ASEC Manufacturing General Partnership, and ASEC Sales General Partnership. Certain assets will be sold under the Agreement by non-debtor affiliates of the Selling Debtor Entities listed on Schedule 1 to the Agreement. The Selling Debtor Entities and the selling non-Debtor affiliates are collectively referred to as the "Sellers."

IT IS HEREBY FOUND AND DETERMINED THAT:<sup>2</sup>

A. The Court has jurisdiction over the Motion and the transactions contemplated by the Agreement pursuant to 28 U.S.C. §§ 157 and 1334, and this matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A) and (N). Venue of these cases and the Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409.

B. The statutory predicates for the relief sought in the Motion are sections 363, 365, and 1146 of 11 U.S.C. §§ 101-1330, as amended and in effect on October 8, 2005 (the "Bankruptcy Code"), and Fed. R. Bankr. P. 2002, 6004, 6006, and 9014.

C. As evidenced by the affidavits of service previously filed with the Court, and based on the representations of counsel at the Sale Hearing, (i) proper, timely, adequate, and sufficient notice of the Motion, the Sale Hearing, the Sale, the assumption and assignment of the Assumed Contracts, and the Cure Amounts has been provided in accordance with 11 U.S.C. §§ 102(l), 363, and 365 and Fed. R. Bankr. P. 2002, 6004, 6006, and 9014, (ii) such notice was good, sufficient, and appropriate under the circumstances, and (iii) no other or further notice of the Motion, the Sale Hearing, the Sale, or the assumption and assignment of the Assumed Contracts or assignment of the Postpetition Contracts is or shall be required.

D. As demonstrated by (i) the testimony and other evidence proffered or adduced at the Sale Hearing and (ii) the representations of counsel made on the record at the Sale Hearing, the Selling Debtor Entities have marketed the Purchased Assets and conducted the sale process in compliance with the Bidding Procedures Order and the Auction was duly noticed and conducted in a non-collusive, fair, and good faith manner.

<sup>3</sup> DeltaView comparison of pcdocs://chisr02a/619378/18 and pcdocs://chisr02a/619378/22. Performed on 8/15/2007.

E. The Purchasers waived their right to assert any and all claims against the Debtors and their estates related to the process by which the Selling Debtor Entities have sold the Purchased Assets, including but not limited to, the bidding procedures and the auction.

F. Catalytic Solutions, Inc. and certain of its affiliates (collectively, the "Alternate Bidder") submitted a final bid at the auction consisting of: (a) the following documents: the Alternate Bidder's bid submission documents delivered to the Selling Debtor Entities on July 31, 2007 and marked at the auction as Exhibit 5, as amended by the documents marked at the auction as Exhibit 8 (a blacklined Master Sale and Purchase Agreement), Exhibit 9 (Schedule 3.2.1 to Exhibit 8 at the auction), Exhibit 10 (a lease governing real property in Luxembourg), and Exhibit 11 (a lease governing real property in Shanghai) and (b) cash purchase price and certain cost savings to the Sellers which the Selling Debtor Entities determined to have a combined value of \$70.5 million and which final bid (the "CSI Final Bid") was determined by the Debtors to be the Alternate Bid (as defined by the Bidding Procedures Order) to be submitted to this Court for approval in accordance with the Bidding Procedures Order.

G. ~~E.~~ The Selling Debtor Entities (i) have full power and authority to execute the Agreement and all other documents contemplated thereby, and the transfer and conveyance of the Purchased Assets by the Selling Debtor Entities has been duly and validly authorized by all necessary action of the Selling Debtor Entities, (ii) have all of the power and authority necessary to consummate the transactions contemplated by the Agreement, and (iii) have taken all corporate action necessary to authorize and approve the Agreement and the consummation by the Selling Debtor Entities of the transactions contemplated thereby, and no consents or approvals, other than

---

(cont'd from previous page)  
fact when appropriate. See Fed. R. Bankr. P. 7052.

those expressly provided for in the Agreement, are required for the Selling Debtor Entities to consummate such transactions.

H. ~~F.~~ The Selling Debtor Entities have demonstrated (i) good, sufficient, and sound business purposes<sup>5</sup> and justification for the Sale because, among other things, the Selling Debtor Entities and their advisors diligently and in good faith analyzed all other available options in connection with the disposition of the Purchased Assets and determined that the terms and conditions set forth in the Agreement, and the transfer to Purchasers of the Purchased Assets pursuant thereto, represent a fair and reasonable purchase price and constitute the highest or otherwise best value obtainable for the Purchased Assets and (ii) compelling circumstances for the Sale pursuant to 11 U.S.C. § 363(b) prior to, and outside of, a plan of reorganization because, among other things, absent the Sale the value of the Purchased Assets will be substantially diminished.

I. ~~G.~~ A reasonable opportunity to object or be heard with respect to the Motion and the relief requested therein has been afforded to all interested persons and entities, including without limitation: (i) the Office of the United States Trustee for the Southern District of New York, (ii) counsel for the Purchasers, (iii) counsel for the official committee of unsecured creditors appointed in these chapter 11 cases (the "Creditors' Committee"), (iv) counsel for the official committee of equity security holders appointed in these chapter 11 cases, (v) all entities known to have expressed an interest in a transaction with respect to the Purchased Assets during the past six months, (vi) all entities known to have asserted any Interests and/or Claims (as defined below) in or upon the Purchased Assets, (vii) all federal, state, and local regulatory or taxing authorities or recording offices, including but not limited to environmental regulatory authorities, which have a reasonably known interest in the relief requested by the Motion, (viii) all parties to

Assigned Contracts, (ix) the United States Attorney's office, (x) the United States Department of Justice, (xi) the Securities and Exchange Commission, (xii) the Internal Revenue Service, (xiii) all entities on the Master Service List (as defined by the Supplemental Order Under 11 U.S.C. §§ 102(1) And 105 And Fed. R. Bankr. P. 2002(M), 9006, 9007, And 9014 Establishing Omnibus Hearing Dates And Certain Notice, Case Management, And Administrative Procedures (Docket No. 2883) (the "Supplemental Case Management Order")), and (xiv) such other entities ~~that~~as are required to be served with notices under the Supplemental Case Management Order.

J. ~~H.~~ The Purchasers are not "insiders" of any of the Debtors as that term is defined in 11 U.S.C. § 101(31).

K. ~~I.~~ The Agreement was negotiated, proposed, and entered into by the Selling Debtor Entities and the Purchaser without collusion, in good faith, and from arm's-length bargaining positions. Neither the Selling Debtor Entities nor the Purchasers have engaged in any conduct that would cause or permit the Sale to be avoidable under 11 U.S.C. § 363(n).

L. ~~J.~~ The Purchasers are good faith purchasers under 11 U.S.C. § 363(m) and, as such, are entitled to all of the protections afforded thereby. The Purchasers will be acting in good faith within the meaning of 11 U.S.C. § 363(m) in closing the transactions contemplated by the Agreement at all times after the entry of this Sale Approval Order.

M. ~~K.~~ The consideration provided by the Purchasers for the Purchased Assets pursuant to the Agreement (i) is fair and reasonable, (ii) is the highest or otherwise best offer for the Purchased Assets, (iii) will provide a greater recovery for the Selling Debtor Entities' creditors than would be provided by any other practical available alternative, and (iv) constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and under the laws of the United States, any state, territory, possession, or the District of Columbia.

N. ~~L.~~ The Sale must be approved and consummated promptly to preserve the viability of the Catalyst Business as a going concern. The Sale is in contemplation of, and a necessary condition precedent to, a reorganization plan for the Debtors and, accordingly, constitutes a transfer to which section 1146(c) of the Bankruptcy Code applies.

O. ~~M.~~ The transfer of the Purchased Assets to the Purchasers will be a legal, valid, and effective transfer of the Purchased Assets, and in the case of the Purchased Assets of the Selling Debtor Entities, will vest the Purchasers with all right, title, and interest to the Purchased Assets free and clear of any and all liens, claims, interests, and encumbrances of any type whatsoever (whether known or unknown, choate or inchoate, filed or unfiled, scheduled or unscheduled, noticed or unnoticed, recorded or unrecorded, perfected or unperfected, allowed or disallowed, contingent or non-contingent, liquidated or unliquidated, matured or unmatured, material or non-material, disputed or undisputed, whether arising prior to or subsequent to the ~~Petition Date~~ commencement of the chapter 11 cases, and whether imposed by agreement, understanding, law, equity, or otherwise, including claims otherwise arising under doctrines of successor liability), including; but not limited to those (i) that purport to give to any party a right or option to effect any forfeiture, modification, right of first refusal, or termination of the Selling Debtor Entities' or the Purchaser's interest in the Purchased Assets, or any similar rights, and (ii) relating to taxes arising under or out of, in connection with, or in any way relating to the operation of the Catalyst Business prior to the Closing Date, including the transfer of the Purchased Assets to the Purchasers (collectively, the "Interests and/or Claims").

P. ~~N.~~ If the Sale of the Purchased Assets with respect to the Selling Debtor Entities were not free and clear of all Interests and/or Claims as set forth in the Agreement and this Sale Approval Order, or if the Purchasers would, or in the future could, be liable for any of the

Interests and/or Claims as set forth in the Agreement and this Sale Approval Order, the Purchasers would not have entered into the Agreement and would not consummate the Sale or the transactions contemplated by the Agreement, thus adversely affecting the Selling Debtor Entities, their estates, and their creditors.

Q. ~~Q.~~ The Selling Debtor Entities may sell their interests in the Purchased Assets free and clear of all Interests and/or Claims because, in each case, one or more of the standards set forth in 11 U.S.C. § 363(f)(1)-(5) has been satisfied. All holders of Interests and/or Claims who did not object, or withdrew their objections to the Sale, are deemed to have consented to the Sale pursuant to 11 U.S.C. § 363(f)(2). Those holders of Interests and/or Claims who did object fall within one or more of the other subsections of 11 U.S.C. § 363(f) and are adequately protected by having their Interests and/or Claims, if any, attach to the cash proceeds of the Sale ultimately attributable to the property against or in which they claim an Interest or Claim with the same priority, validity, force, and effect as they attached to such property immediately before the closing of the Sale.

R. ~~P.~~ Except as expressly provided in the Agreement, the (i) transfer of the Purchased Assets to the Purchasers and (ii) assumption and/or assignment to the Purchasers of the Assigned Contracts and Assumed Liabilities will not subject the Purchasers to any liability whatsoever with respect to the operation of the Catalyst Business prior to the Closing of the Sale, or by reason of such transfer under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia based, in whole or in part, directly or indirectly, on any theory of law or equity, including, without limitation, any theory of equitable law, antitrust, or successor or transferee liability.

S. ~~Q.~~ The Selling Debtor Entities have demonstrated that it is an exercise of their sound business judgment to assume and/or assign the Assigned Contracts as applicable to the Purchasers in connection with the consummation of the Sale, and the assumption and/or assignment of the Assigned Contracts is in the best interests of the Selling Debtor Entities, their estates, and their creditors. The Assigned Contracts being assigned to, and the liabilities being assumed by, the Purchasers are an integral part of the Purchased Assets being purchased by the Purchasers and, accordingly, such assumption and/or assignment of Assigned Contracts and liabilities ~~are~~is reasonable, ~~enhance~~ and enhances the value of the Selling Debtor Entities' estates, ~~and do not constitute unfair discrimination.~~

T. ~~R.~~ The Selling Debtor Entities have (i) cured, or have provided adequate assurance of cure of, any default existing prior to the Closing of the Sale under any of the Assumed Contracts, within the meaning of 11 U.S.C. § 365(b)(1)(A), by payment of the amounts provided on Schedule 1 hereto and (ii) provided compensation or adequate assurance of compensation to any party for any actual pecuniary loss to such party resulting from a default prior to the date hereof under any of the Assumed Contracts, within the meaning of 11 U.S.C. § 365(b)(1)(B). The Purchasers have provided adequate assurance of their future performance of and under the Assumed Contracts, within the meaning of 11 U.S.C. §§ 365(b)(1)(C) and 365(f)(2)(B). Pursuant to 11 U.S.C. § 365(f), the Assumed Contracts to be assumed and assigned under the Agreement shall be assigned and transferred to, and remain in full force and effect for the benefit of, the Purchasers notwithstanding any provision in the contracts or other restrictions prohibiting their assignment or transfer.

U. ~~S.~~ Approval of the Agreement and consummation of the Sale of the Purchased Assets and assignment of the Assigned Contracts at this time are in the best interests of the Selling Debtor Entities, their stakeholders, their estates, and other parties-in-interest.

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND

8. Except as expressly permitted or otherwise specifically provided for in the Agreement or this Sale Approval Order, pursuant to 11 U.S.C. §§ 363(b) and 363(f), upon the consummation of the Agreement, the Purchased Assets of the Selling Debtor

Entities shall be transferred to the Purchasers free and clear of all Interests and/or Claims, with all such Interests and/or Claims to attach to the cash proceeds of the Sale in the order of their priority, with the same validity, force, and effect which they now have as against the Purchased Assets, subject to any claims and defenses the Selling Debtor Entities may possess with respect thereto.

9. The transfer of the Purchased Assets to the Purchasers pursuant to the Agreement constitutes a legal, valid, and effective transfer of the Purchased Assets, and shall vest the Purchasers with all right, title, and interest of the Selling Debtor Entities in and to the Purchased Assets free and clear of all Interests and/or Claims of any kind or nature whatsoever.

10. If any person or entity which has filed financing statements, mortgages, mechanic's liens, lis pendens, or other documents or agreements evidencing Interests and/or Claims against or in the Purchased Assets with respect to the Selling Debtor Entities shall not have delivered the foregoing to the Selling Debtor Entities prior to the Closing of the Sale, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of all Interests and/or Claims that the person or entity has with respect to the Purchased Assets, or otherwise, then (a) the Selling Debtor Entities are hereby authorized to execute and file such statements, instruments, releases, and other documents on behalf of the person or entity with respect to the Purchased Assets and (b) the Purchasers are hereby authorized to file, register, or otherwise record a certified copy of this Sale Approval Order, which, once filed, registered, or otherwise recorded, shall constitute conclusive evidence of the release of all Interests and/or Claims in the Purchased Assets of any kind or nature whatsoever.

11. This Sale Approval Order (a) shall be effective as a determination that, upon the Closing of the Sale, all Interests and/or Claims of any kind or nature whatsoever existing as to the Selling Debtor Entities or the Purchased Assets of the Selling Debtor Entities prior to the Closing of the Sale have been unconditionally released, discharged, and terminated (other than any surviving obligations), and that the conveyances described herein have been effected and (b) shall be binding upon and shall govern the acts of all entities including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the Purchased Assets.

12. Except as expressly permitted or otherwise specifically provided by the Agreement or this Sale Approval Order, all persons and entities, including, but not limited to, all debt security holders, equity security holders, governmental, tax, and regulatory authorities, lenders, trade creditors, and other creditors, holding Interests and/or Claims of any kind or nature whatsoever against or in the Selling Debtor Entities or the Purchased Assets of the Selling Debtor Entities (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, senior or subordinated), arising under or out of, in connection with, or in any way relating to, the Selling Debtor Entities, the Purchased Assets of the Selling Debtor Entities, the operation of the Catalyst Business by the Selling Debtor Entities prior to the Closing of the Sale, or the transfer of

the Purchased Assets to the Purchasers, hereby are forever barred, estopped, and permanently enjoined from asserting against the Purchasers, their successors or assigns, their property, or the Purchased Assets, such persons' or entities' Interests and/or Claims.

~~13. Upon the consummation of the transactions contemplated by the Agreement, the Purchasers shall not be deemed to (a) be the successor of the Selling Debtor Entities, (b) have, de facto or otherwise, merged with or into the Selling Debtor Entities, (c) be a mere continuation or substantial continuation of the Selling Debtor Entities or the enterprise(s) of the Selling Debtor Entities, or (d) be liable for any acts or omissions of the Selling Debtor Entities in the conduct of the Catalyst Business.~~ Nothing in this Sale Approval Order or the Agreement releases or nullifies any Liability to a governmental agency under any environmental laws and regulations that any entity would be subject to as owner or operator of any Purchased Assets after the date of entry of this Sale Approval Order. Nothing in this Sale Approval Order or Agreement bars, estops, or enjoins any governmental agency from asserting or enforcing, outside the Court, any Liability described in the preceding sentence. Notwithstanding the above, nothing herein shall be construed to permit a governmental agency to obtain penalties from the Purchasers for days of violation of environmental laws and regulations prior to Closing.

Assumption And Assignment To The Purchaser Of The Assumed Contracts

13. ~~14.~~ Pursuant to 11 U.S.C. §§ 105(a) and 365, and subject to and conditioned upon the Closing of the Sale, the Selling Debtor Entities' assumption and assignment to the Purchasers, and the Purchasers' assumption on the terms set forth in the Agreement, of the Assumed Contracts is hereby approved, and the requirements of 11 U.S.C. §§ 365(b)(1) and 365(f) with respect thereto are hereby deemed satisfied.

14. ~~15.~~ The Selling Debtor Entities are hereby authorized in accordance with 11 U.S.C. §§ 105(a), 363, and 365 to (a) assume and/or assign to the Purchasers, effective upon the Closing of the Sale, the Assigned Contracts free and clear of all Interests and/or Claims of any kind or nature whatsoever and (b) execute and deliver to the Purchasers such documents or other instruments as may be necessary to assign and transfer the Assigned Contracts and Assumed Liabilities to the Purchasers.

15. ~~16.~~ The Assumed Contracts shall be transferred to, and remain in full force and effect for the benefit of, the Purchasers in accordance with their respective terms, notwithstanding any provision in any such Assumed Contract (including those of the type described in sections 365(b)(2) and (f) of the Bankruptcy Code) that prohibits, restricts, or conditions such assignment or transfer and, pursuant to 11 U.S.C. § 365(k), the Selling Debtor Entities shall be relieved from any further liability with respect to the Assumed Contracts after such assignment to and assumption of such contracts by the Purchasers.

16. ~~17.~~ All defaults or other obligations of the Selling Debtor Entities under the Assumed Contracts arising or accruing prior to the Closing of the Sale (without giving effect to any acceleration clauses or any default provisions of the kind specified in section 365(b)(2) of the Bankruptcy Code) shall be cured by the Selling Debtor Entities in accordance with the terms of the Agreement, and the Purchasers shall have no liability or obligation arising or accruing prior to the date of the Closing of the Sale, except as otherwise expressly provided in the Agreement. Each non-debtor party to any Assumed Contracts ~~is~~shall be deemed to have consented to the assumption and assignment of the Assumed Contracts to the Purchasers and ~~is~~shall be forever barred, estopped, and permanently enjoined from asserting against the Selling Debtor Entities or the Purchasers, or the property of any of them, any default existing, arising, or accruing as of the date of the Closing

or any purported written or oral modification to the Assumed Contracts. The failure of the Debtors or the Purchasers to enforce prior to the Closing of the Sale one or more terms or conditions of any Assumed Contracts shall not be a waiver of such terms or conditions or of the Debtors' or Purchasers' rights to enforce every term and condition of any such Assumed Contracts.

Additional Provisions

17. ~~18.~~ The transactions contemplated by the Agreement, and the execution, delivery, and/or recordation of any and all documents or instruments necessary or desirable to consummate the transactions contemplated by the Agreement shall be, and hereby are, exempt from the imposition and payment of all stamp, transfer, or any other similar taxes, pursuant to section 1146 of the Bankruptcy Code.

18. ~~19.~~ The consideration provided by the Purchasers for the Purchased Assets under the Agreement is hereby deemed to constitute reasonably equivalent value and fair consideration under the Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act, and under the laws of the United States, and any state, territory, possession, or the District of Columbia.

19. ~~20.~~ Upon the Closing of the Sale, this Sale Approval Order shall be construed as and shall constitute for any and all purposes a full and complete general assignment, conveyance, and transfer of all of the Purchased Assets and the Assigned Contracts or a bill of sale transferring good and marketable title in such Purchased Assets and Assigned Contracts to the Purchasers pursuant to the terms of the Agreement.

20. ~~21.~~ The transfer of the Purchased Assets pursuant to the Agreement is a transfer pursuant to section 1146(c) of the Bankruptcy Code, and thus the Sale and the execution,

21. ~~22.~~ Except as otherwise provided in the Agreement, upon the Closing of the Sale, each of the Selling Debtor Entities' creditors is directed to execute such documents and take all such other actions as may be necessary to release their respective Interests and/or Claims against the Purchased Assets, if any, as may have been recorded or may otherwise exist.

22. ~~23.~~ Each and every federal, state, and governmental agency or department, and any other person or entity, is hereby directed to accept any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Agreement.

23. ~~24.~~ All entities which are currently, or as of the Closing of the Sale may be, in possession of some or all of the Purchased Assets to be sold, transferred, or conveyed pursuant to the Agreement are hereby directed to surrender possession of the Purchased Assets to the Purchasers upon the Closing of the Sale.

24. ~~25.~~ The Purchasers shall have no liability or responsibility for any liability or other obligation of the Selling Debtor Entities arising under or related to the Purchased Assets other than for the Assumed Liabilities and the Permitted Liens. Without limiting the generality of the foregoing, and except as otherwise specifically provided herein and in the Agreement, the Purchasers shall not be liable for any claims against the Selling Debtor Entities or any of their predecessors or affiliates, and the Purchasers shall have no successor or vicarious liability of any kind or character whether known or unknown as of the Closing of the Sale, whether now existing

or hereafter arising, or whether fixed or contingent, with respect to the Catalyst Business or any obligations of the Selling Debtor Entities arising prior to the Closing of the Sale, except as expressly provided in the Agreement, including, but not limited to, liabilities on account of any taxes arising, accruing, or payable under, out of, in connection with, or in any way relating to the operation of the Catalyst Business prior to the Closing of the Sale.

25. ~~26.~~ All persons holding Interests and/or Claims against or in the Selling Debtor Entities or the Purchased Assets held by the Selling Debtor Entities of any kind or nature whatsoever shall be, and hereby are, forever barred, estopped, and permanently enjoined from asserting, prosecuting, or otherwise pursuing such Interests and/or Claims of any kind or nature whatsoever against the Purchasers, their property, their successors and assigns, or the Purchased Assets with respect to any Interest or Claim of any kind or nature whatsoever which such person or entity had, has, or may have against or in the Selling Debtor Entities, their estates, their officers, their directors, their shareholders, or the Purchased Assets held by the Selling Debtor Entities. Following the Closing of the Sale, no holder of an Interest in or Claim against the Selling Debtor Entities shall interfere with the Purchasers' title to or use and enjoyment of the Purchased Assets based on or related to such Interest or Claim or any actions that the Selling Debtor Entities may take in their chapter 11 cases.

26. ~~27.~~ The transactions contemplated by the Agreement are undertaken by the Purchasers in good faith, as that term is used in section 363(m) of the Bankruptcy Code, and accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the sale of the Purchased Assets shall not affect the validity of the Sale to the Purchasers, unless such authorization is duly stayed pending such appeal. The Purchasers are

purchasers in good faith of the Purchased Assets, and are entitled to all of the protections afforded by section 363(m) of the Bankruptcy Code.

27. ~~28.~~ The consideration provided by the Purchasers for the Purchased Assets under the Agreement is fair and reasonable and the Sale may not be avoided under section 363(n) of the Bankruptcy Code.

28. ~~29.~~ The Selling Debtor Entities, including, but not limited to, their officers, employees, and agents, are hereby authorized to execute such documents and do such acts as are necessary or desirable to carry out the transactions contemplated by the terms and conditions of the Agreement and this Sale Approval Order. The Selling Debtor Entities shall be, and they hereby are, authorized to take all such actions as may be necessary to effectuate the terms of this Sale Approval Order.

29. ~~30.~~ The Selling Debtor Entities are authorized to continue and complete the retention bonus program for the twelve affected employees at the Tulsa facility, as described in the Motion; provided that such employees ~~is~~ are still employed by the Selling Debtor Entities as of the closing date of the Sale. Any affected employee who resigns prior to the closing of the Sale ~~will~~ shall not be entitled to the foregoing retention bonus.

30. ~~31.~~ Delphi Automotive Systems (Holding) Inc. is authorized, but not directed, to satisfy, retire, or forgive, as necessary, the outstanding liabilities of Delphi Catalyst South Africa (Proprietary) Limited as required by the Agreement.

31. ~~32.~~ The transfer of certain of the Catalyst Business' intellectual property by Delphi Automotive Systems, LLC and Delphi Technologies, Inc. to ASEC Manufacturing General

Partnership (or another Selling Debtor Entity) or its designee by quit-claim deed or otherwise in consideration for fair value is hereby approved.

32. ~~33.~~ The terms and provisions of the Agreement and this Sale Approval Order shall be binding in all respects upon, and shall inure to the benefit of, the Selling Debtor Entities, their estates, and their creditors, the Purchasers, and their respective affiliates, successors, and assigns, and any affected third parties, including, but not limited to, all persons asserting an Interest and/or Claim against or in the Purchased Assets to be sold to the Purchasers pursuant to the Agreement, notwithstanding any subsequent appointment of any trustee, party, entity, or other fiduciary under any section of any chapter of the Bankruptcy Code, as to which trustee, party, entity, or other fiduciary such terms and provisions likewise shall be binding.

33. ~~34.~~ The Selling Debtor Entities shall not propose or seek confirmation of a plan of reorganization that is inconsistent with or derogate from the terms of the Agreement.

34. ~~35.~~ Notwithstanding anything contained herein to the contrary, the term "Purchased Assets" as defined herein does not include property that is not property of the Selling Debtor Entities' estates (except to the extent that certain Purchased Assets are property of the Sellers other than the Selling Debtor Entities), such as funds that are trust funds under any applicable state lien laws.

35. ~~36.~~ To the extent permitted by section 525 of the Bankruptcy Code, no governmental unit may revoke or suspend any permit or license relating to the operation of the Purchased Assets sold, transferred, or conveyed to the Purchasers on account of the filing or pendency of these chapter 11 cases or the consummation of the Sale.

36. ~~37.~~ The failure specifically to include or to reference any particular provision of the Agreement in this Sale Approval Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the Agreement be authorized and approved in its entirety.

37. ~~38.~~ The Agreement and any related agreements, documents, or other instruments may be modified, amended, or supplemented by the parties thereto in accordance with the terms thereof without further order of the Court, provided that any such modification, amendment, or supplement does not have a material adverse effect on the Selling Debtor Entities' estates.

Dear Sirs,

We are writing this letter to you on behalf of Tosoh Corporation in relation to Delphi Corporation's Notice of Assumption and/or Assignment of Executory Contract or Unexpired Lease to Qualified Bidder in Connection to The Sale of Catalyst Business (The "Notice") dated August 1, 2007.

We inform on behalf of our client Tosoh Corporation that Tosoh would reserve the right to say positive or negative to the Notice at least 2 weeks from the date of this letter, for the following reasons:

- a. the Notice was just received by our client a couple of days ago at the time (and still is) when most of the personnel including management take leave for *Obon* (traditional period for remembrance of ancestry in Japan) and is not fully possible to communicate with the persons in charge;
- b. we have questions before we could determine our position such as ,while Confidential Agreement is listed in Exhibit to the Notice, there is no mention of the Memorandum of Understanding dated September 25, 2006 (attached hereto) between Delphi Corporation as the buyer and Tosoh Corporation as the seller. Does this mean that the Memorandum of Understanding is out of scope of the Notice or is it simply an oversight? Does this mean that the Delphi Corporations subsidiary in France, Shanghai and South Africa are no longer subsidiaries of Delphi Corporation? Does this mean that the Memorandum of Understanding continues with the subsidiaries mentioned therein without being affected by the Notice?
